Choosing Our Environment: Futures analysis and the environment United States. Congress. Senate. Committee on Public Works. Panel on Environmental Science and Technology,1976 **Our Third Century, Directions** United States. Congress. Senate. Committee on Government Operations,1976 **Re-Framers** John R. Vile,2014-07-15 This book is the most comprehensive review of all the major proposals to rewrite revise or even replace the U S Constitution covering more than 170 proposals from the nation s beginnings to the present day The U S Constitution was carefully written by a remarkable group of men but subsequent generations of Americans have devoted enormous time and energy to improving it From colonial times to the present day Americans of all political persuasions have campaigned to reform remake or replace this key document The growth of the Internet and self publishing has spawned a virtual explosion of such proposals This book documents the numerous ideas for change some practical some idealistic and some bordering on fanatical that reflect America s Constitutional heritage and could shape the nation s future *Re Framers 170 Eccentric Visionary and Patriotic Proposals to Rewrite the U S Constitution* sets the stage for this review by describing various prequels to the U S Constitution and explaining how the final document emerged at the Constitutional Convention The subsequent chapters examine many proposed alternatives and revisions to the Constitution from its establishment until the present illuminating perceived strengths and weaknesses of the current document as well as the pros and cons of possible amendments Readers ranging from lay citizens who are interested in constitutional issues to historians political scientists law professors and reference librarians will all benefit from this unparalleled examination of proposed constitutional amendment **Choosing Our Environment, Can We Anticipate the Future?: Future analysis and the environment** United States.
