Refugees And Asylumseekers In Ireland Undercurrents:

Understanding Corruption in Irish Politics Neil Collins, Mary O'Shea, 2000 Irish political life has experienced great turmoil in recent years because of the scale and intricacy of political corruption being uncovered by parliamentary and quasi judicial inquiries There is genuine popular amazement and growing cynicism towards the seemingly never ending wave of scandal and attendant tribunals To understand political corruption in Ireland this pamphlet examines the concept within a political science analytical framework that allows both historical and international comparison The book challenges the current explanations of political corruption particularly those that stress a turning away from a political golden age in the 1960s *Understanding Political Corruption in Irish Politics* chronicles political scandals in the 1990s looks at their causes and explains their consequences It also suggests reform strategies that will reduce the incentives drawing politicians towards corruption and increase the likelihood and expense of being detected

Racism In The Irish Experience Steve Garner, 2004 Academically rigorous study which situates the Irish experience within both the historical development of an Irish racial consciousness and contemporary patterns of migration

Refugees and Asylum-seekers in Ireland Paul Cullen, 2000 The explosion over the past few years of the number of people seeking asylum in Ireland as a result of the booming Celtic Tiger economy has focused attention for the first time on a wide range of debates the need for political asylum and Ireland's international role how to deal with this new phenomenon domestically Ireland as a country of immigration as well as emigration and the adequacy or otherwise of public policy in dealing with the problem *Refugees and Asylum Seekers in Ireland* looks at the history of immigration and refugees in Ireland in the twentieth century and the background to the recent increase in asylum seekers The book looks to the future assessing political options and considers the implications for the future of Irish society

Regional Development Dialogue, 2001 An international journal focusing on third world development problems

Twentieth-Century Ireland (New Gill History of Ireland 6) Dermot Keogh, 2005-09-27 Professor Dermot Keogh's *Twentieth Century Ireland* the sixth and final book in the *New Gill History of Ireland* series is a wide ranging informative and hugely engaging study of the long twentieth century surveying politics administrative history social and religious history culture and censorship politics literature and art It focuses on the consolidation of the new Irish state over the course of the twentieth century Professor Keogh highlights the long tragedy of emigration its effect on the Irish psyche and on the under performance of the Irish economy He emphasises the lost opportunities for reform of the 1960s and early 70s Membership of the EU had a diminished impact due to short term and sectionally motivated political thinking and an antiquated government structure Professor Keogh looks at how the despair of the 1950s revisited the country in the 1980s as almost an entire generation felt compelled to emigrate very often as undocumented workers in the United States Professor Keogh also argues that the violence in Northern Ireland from the late 1960s was an Anglo Irish failure which was turned around only when Britain acknowledged the role of the Irish government in its resolution He extends his analysis of the

twentieth century to include a wide ranging survey of the most contentious events financial corruption child sexual abuse scandals in the Catholic Church between 1994 and 2005 Twentieth Century Ireland Table of Contents A War without Victors Cumann na nGaedheal and the Conservative Revolution De Valera and Fianna Fáil in Power 1932 1939 In the Time of War Neutral Ireland 1939 1945 Seán MacBride and the Rise of Clann na Poblachta The Inter Party Government 1948 1951 The Politics of Drift 1951 1959 Seán Lemass and the Rising Tide of the 1960s The Shifting Balance of Power Jack Lynch and Liam Cosgrave 1966 1977 Charles Haughey and the Poverty of Populism Ireland in the New Century **Books Ireland** ,2001

The Oxford Handbook of Refugee and Forced Migration Studies Elena Fiddian-Qasbiyeh, Gil Loescher, Katy Long, Nando Sigona, 2014-06-12 Refugee and Forced Migration Studies has grown from being a concern of a relatively small number of scholars and policy researchers in the 1980s to a global field of interest with thousands of students worldwide studying displacement either from traditional disciplinary perspectives or as a core component of newer programmes across the Humanities and Social and Political Sciences Today the field encompasses both rigorous academic research which may or may not ultimately inform policy and practice as well as action research focused on advocating in favour of refugees needs and rights This authoritative Handbook critically evaluates the birth and development of Refugee and Forced Migration Studies and analyses the key contemporary and future challenges faced by academics and practitioners working with and for forcibly displaced populations around the world The 52 state of the art chapters written by leading academics practitioners and policymakers working in universities research centres think tanks NGOs and international organizations provide a comprehensive and cutting edge overview of the key intellectual political social and institutional challenges arising from mass displacement in the world today The chapters vividly illustrate the vibrant and engaging debates that characterize this rapidly expanding field of research and practice **Mediating Policy** Kate Nicholls, 2015-03-24 Amongst the most serious consequences of the 2008 global financial collapse and sovereign debt crisis were a series of unprecedented international bailouts for Greece Ireland and Portugal between 2010 and 2011 This book analyses the development policies of Greece Ireland and Portugal between 1990 and 2008 before the Eurozone crisis It identifies national level differences between the policy strategies and outcomes that have characterized recent developments in the Greek Irish and Portuguese political economies In addition it provides an explanation for these differences that takes into account variations in political institutions and state society relations In doing so it locates an explanation for policy divergence in the presence or absence of the policy making institutions and processes that make up a zone of mediation Overall it argues there is significant variation in the extent to which Ireland Portugal and Greece have adapted their developmental goals and strategies in order to address the labour market challenges posed by the post industrial era This book will be of key interest to students and scholars of European politics and studies comparative political economy public policy policy studies and democracy studies

Human Rights Law Bríd Moriarty, Anne-Marie Mooney Cotter, 2004 Owing to the incorporation of the ECHR into Irish

domestic law practitioners will increasingly be asked to advise on Human Rights issues An understanding of the changing hierarchy of Human Rights norms is essential Human Rights Law seeks to provide this understanding Human Rights Law is in three parts Part I provides an overview of the various levels of Human Rights protection It is particularly concerned with sources of Human Rights Law as they interact in Irish Human Rights Law There are chapters on human rights as protected by Irish domestic law the European Convention of Human Rights ECHR Law and European Union EU Law as well as an overview of International Human Rights norms Part II is concerned with substantive Human Rights Law and discusses key Human Rights A unique feature of this work is that each right is considered from the perspective of Irish ECHR and EU law There are chapters on the right to life and bodily integrity the right to privacy and to found a family freedom of expression due process and equality Another chapter examines the right to life freedom of expression and equality from the North American perspective A chapter is also devoted to refugee law and practice a growing area of practice in this jurisdiction Part III concerns Human Rights in practice and deals with issues such as how a practitioner recognises the human rights dimension in a case

Law Books Published ,2001 **Defending Peace** John Maguire,2002 This text makes a contribution to the on going debate on Ireland s participation in a European peace keeping force the Nice Treaty and wider issues concerning democracy and the price of peace John Maguire makes use of a range of current and historical sources to show how democratic processes have to be protected in the face of US policy He argues that Ireland has to make mature and independent decisions based on the rights of its citizens to take a critical look at the price of defending peace

When Home Won't Let You Stay Eva Respini,Ruth Erickson,2019-01-01 Insightful and interdisciplinary this book considers the movement of people around the world and how contemporary artists contribute to our understanding of it In this timely volume artists and thinkers join in conversation around the topic of global migration examining both its cultural impact and the culture of migration itself Individual voices shed light on the societal transformations related to migration and its representation in 21st century art offering diverse points of entry into this massive phenomenon and its many manifestations The featured artworks range from painting sculpture and photography to installation video and sound art and their makers including Isaac Julien Richard Mosse Reena Saini Kallat Yinka Shonibare MBE and Do Ho Suh among many others hail from around the world Texts by experts in political science Latin American studies and human rights as well as contemporary art expand upon the political economic and social contexts of migration and its representation The book also includes three conversations in which artists discuss the complexity of making work about migration Amid worldwide tensions surrounding refugee crises and border security this publication provides a nuanced interpretation of the current cultural moment Intertwining themes of memory home activism and more When Home Won t Let You Stay meditates on how art both shapes and is shaped by the public discourse on migration
