Gurtler, SJ, 2014-11-13 Focusing on Plato and Aristotle the Stoics and Epicureans and early Christian and Medieval sources *Ancient and Medieval Concepts of Friendship* brings together assessments of different philosophical accounts of friendship This volume sketches the evolution of the concept from ancient ideals of friendship applying strictly to relationships between men of high social position to Christian concepts that treat friendship as applicable to all but are concerned chiefly with the soul's relation to God and that ascribe a secondary status to human relationships The book concludes with two essays examining how this complex heritage was received during the Enlightenment looking in particular to Immanuel Kant and Friedrich Hölderlin      **Writing Friendship** Paloma Gay y Blasco, Liria Hernández, 2019-11-23 This book tells the remarkable story of the friendship between Liria Hernández a Roma woman from Madrid and Paloma Gay y Blasco a non Roma anthropologist In this unique reciprocal experiment the former informant returns the gaze to write about the anthropologist her life and her environment Through finely crafted and deeply moving text Hernández and Gay y Blasco suggest new ways of doing and writing anthropology The dialogue between Hernández and Gay y Blasco provides a courageous account of the entanglements and rewards of anthropological research Drawing on letters conversations and fieldnotes gathered over twenty five years each of the authors talks about herself the other and the impact of anthropology on their two lives They examine their intertwined trajectories as Spanish women and reflect on the challenges of devising their own reciprocal genre Blending ethnography life story and memoir they undermine the dichotomy between author and subject around which scholarship still revolves      *Discourses and sayings of Our Lord Jesus Christ illustrated in a series of expositions* John Brown, 1850      **The Times parliamentary debates, from Jan. 12, 1886-Aug. 25, 1894. House of commons** Parliament commons, proc, Vict, 1892      **Discourses and Sayings of Our Lord Jesus Christ** John Brown, 1858      **Samuel Johnson and the Powers of Friendship** A. D. Cousins, Daniel Derrin, Dani Napton, 2023-11-30 This book is the first to assess Johnson's diverse insights into friendship that is to say his profound as well as widely ranging appreciation of it over the course of his long literary career It examines his engagements with ancient philosophies of friendship and with subsequent reformulations of or departures from that diverse inheritance The volume explores and illuminates Johnson's understanding of friendship in the private and public spheres in particular friendship's therapeutic amelioration of personal experience and transformative impact upon civil life Doing so it considers both his portrayals of interaction with his friends and his more overtly fictional representations of friendship across the many genres in which he wrote It presents at once an

original re assessment of Johnson s writings and new interpretations of friendship as an element of civility in mid eighteenth century British culture

*The Politics of Friendship* Jacques Derrida, 2020-10-13 The most influential of contemporary philosophers Jacques Derrida explores the idea of friendship and its political consequences past and future through writings by Aristotle Nietzsche Cicero and more Until relatively recently Jacques Derrida was seen by many as nothing more than the high priest of Deconstruction by turns stimulating and fascinating yet always somewhat disengaged from the central political questions of our time Or so it seemed Derrida s political turn marked especially by the appearance of *Specters of Marx* has surprised some and delighted others In *The Politics of Friendship* Derrida renews and enriches this orientation through an examination of the political history of the idea of friendship pursued down the ages Derrida s thoughts are haunted throughout the book by the strange and provocative address attributed to Aristotle my friends there is no friend and its inversions by later philosophers such as Montaigne Kant Nietzsche Schmitt and Blanchot The exploration allows Derrida to recall and restage the ways in which all the oppositional couples of Western philosophy and political thought friendship and enmity private and

public life have become madly and dangerously unstable At the same time he dissects genealogy itself the familiar and male centered notion of fraternity and the virile virtue whose authority has gone unquestioned in our culture of friendship and our models of democracy The future of the political for Derrida becomes the future of friends the invention of a radically new friendship of a deeper and more inclusive democracy This remarkable book his most profoundly important for many years offers a challenging and inspiring vision of that future

*Justice as Friendship* Seow Hon Tan, 2016-03-09 This book explores the question of justification of law It examines some perennial jurisprudential debates and suggests that law must find its justification in morality Drawing upon the Aristotelian inspiration that friends have no need for justice in ideal friendship we behave justly Seow Hon Tan develops a theory of law based on the universal phenomenon of friendship Friendships and legal relations attract rights and obligations by virtue of the manner in which parties are situated Friendship teaches us that how parties are situated gives rise to legitimate expectations it attests to the intrinsic worth of each person The methodology for deciphering norms within and moral lessons from friendship can be transposed to law resulting in an inter subjectively agreeable and rich conception of justice In determining the content of legal rights and obligations we can and should draw upon such determination in friendship Justice as Friendship aims to provide a vision for law s development and invites the practitioner to advance its central claims in their area of expertise In dealing with selected legal doctrines the book draws upon illustrative cases from the United States the United Kingdom and the Commonwealth The book traverses the fields of jurisprudence philosophy ethics political theory contract law and tort law
