Gordon L. Heath, Paul R. Wilson

Regenerators Social Criticism In Late Victorian English Canada:

The Regenerators Ramsay Cook, 1987 *The Regenerators, 2nd Edition* Ramsay Cook, 2016-01-01 A crisis of faith confronted many Canadian Protestants in the late nineteenth century With their religious beliefs challenged by the new biological sciences and historical criticism of the Bible they turned from personal salvation to the dire social problems of the industrial age *The Regenerators* explores the nature of social criticism in this era and its complex ties to the religious thinking of the day showing how the path blazed by nineteenth century religious liberals led not to the Kingdom of God on earth but ironically to the secular city The winner of the Governor General's Literary Award for Non Fiction when it was first published in 1985 *The Regenerators* became an instant classic for its fascinating portraits of evolutionists rationalists spiritualists socialists and free thinkers before the turn of the century This new edition features an introduction by historian and biographer Donald Wright *The Regenerators, 2nd Edition* Ramsay Cook, 2016 The winner of the Governor General's Literary Award for Non Fiction when it was first published in 1985 *The Regenerators* became an instant classic for its fascinating portraits of evolutionists rationalists spiritualists socialists and free thinkers before the turn of the century This new edition features an introduction by historian and biographer Donald Wright *Moral Regulation and Governance in Canada* Amanda Glasbeek, 2006 *Moral Regulation and Governance in Canada* offers an outstanding selection of readings that represents an overview of the key issues in deviance moral regulation and governance in Canada from a distinctly Canadian perspective It effectively tracks the sociology of deviance from governmentality studies to theories of social control Of particular note is the focus this book gives to gender issues It also argues that sometimes what is considered deviant is less related to criminality and more concerned with the perception of normalcy ***The Canadian Protestant Experience, 1760 to 1990*** George A. Rawlyk, 1994 Five leading Canadian religious historians address the Canadian Protestant experience Each author considers a separate period taking into account the major underlying themes of the time and noting the influence exerted by key personalities As this collection shows Protestantism had its most profound effects on Canadian life in the nineteenth century As the twentieth century unfolded however Canadian Protestantism battered by demographic change profound inner doubt so called modernity and secularization was gradually pushed to the periphery of Canadian experience The contributors are Phyllis D Airhart Nancy Christie Michael Gauvreau John G Stackhouse Jr and Robert A Wright ***Canadian Travellers in Europe, 1851-1900*** Eva-Marie Kroller, 2011-11-01 This book provides both a detailed survey of Canadian travel writing in the nineteenth century and an unusual perspective on Canadian cultural history The Canadians who wrote about their experiences abroad during the era of mass travel which followed the advent of the steamship reveal much about themselves and their own country as well Who were these travellers why did they travel and what did they expect to see In answering these questions Eva Marie Kroller draws upon a wide variety of materials novels guide books magazines newspapers photographs paintings and previously unpublished letters and diaries The self assured

progress of the privileged Canadian travellers often turned into introspective voyages of self discovery For one thing Europeans often mistook them for Americans and many had to ask themselves what it really meant to be Canadian In addition the tone of moral earnestness which pervades the early travellers tales begins to give way to a certain world weariness by the end In Canada and elsewhere the tourist was a new phenomenon at the beginning of the period but an accepted part of the modern world by the end of it Canadian Travellers in Europe will be required reading for devotees of travel writing but it is also a significant contribution to nineteenth century Canadian history

Baptists and Public Life in Canada Gordon L. Heath, Paul R. Wilson, 2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada's smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada's Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life

The History of Immigration and Racism in Canada Barrington Walker, 2008 This outstanding collection examines the complex and disturbing history of immigration and racism in Canada Major themes include Native non Native contact migration and settlement in the nineteenth century immigrant workers and radicalism human rights internment during WWII and racism of the present day The readings are divided into five cohesive sections Natives and Newcomers in Early Canada Space and Racialized Communities Dangerous Others Non Citizens and the State Gate keeping Enemies Without and Within The Post War Era New Rights and New Racisms This book is destined to make its mark in History departments across the country and will also be of interest to students and researchers in Canadian Studies Sociology Demography Political Science and Geography

'Critical Support' for Sport Bruce Kidd, 2017-07-05 During more than forty years Bruce Kidd has combined careers as an internationally ranked athlete coach sports administrator professor and dean with critical scholarly and popular writing about sport often on the issues in which he has been directly involved Frequently called the conscience of Canadian sport he defines his perspective as that of critical support while he can be savage about the inequalities and abuses of power in contemporary sport he seeks to reform sports so that many more people can enjoy their potential benefits This book provides a sampling of Professor Kidd's scholarly writing The issue begins with Kidd's reflection on the ways in which sport is constituted by society and a lifetime of simultaneous scholarship and intervention The rest of the issue is organized around three themes the Canadian sport system the Olympic Movement and his recovery projects historical writing that brought long forgotten earlier initiatives and episodes back into public understanding In each case Kidd provides a brief introduction of 1000 1500 words that sets the context for the original article and provides an update on the subject matter This book was previously published as a special issue of Sport in Society

Making a Middle Class Paul Axelrod, 1990 Using a rich array of archival and quantitative sources and oral testimony from ex students across Canada Axelrod explores the characteristics and significance of university life during a trying decade He describes who went to university what they were taught how they amused themselves how they responded to the pressing political issues of the day and what became of them after graduation Axelrod argues that these students shared the aspirations of middle class communities elsewhere Dreading the prospect of downward social mobility they craved the status a university degree and professional credentials might produce Accordingly they forged an associational life on campus that challenged the control of paternalistic authorities perpetuated the values of middle class culture and helped them cope with the stresses of the time Women composed almost one quarter of the student population and faced discrimination inside and outside the classroom How they coped with this how they adapted their own expectations and how they contributed to campus and community culture are extensively discussed Through the prism of the student experience Making a Middle Class furnishes fresh insights into the social history of higher education the history of youth the history of the middle class and the history of the Depression
