Teri S. Lesesne,2003 Explains how teachers and librarians can steer students to the literature they love by focusing on three key areas knowing the readers knowing the books and knowing the strategies to motivate students to read      **Sharing the Journey: Literature for Young Children** David Yellin,2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children s literature will help readers select and share quality books for and with young children Specifically focused on infants through the third grade Sharing the Journey contains descriptive book annotations instructive commentary and creative teaching activities tailored for those important years Extensive book lists throughout will help readers build a library of quality children s literature Books representing other cultures are included to help celebrate diversity as well as cultural connection Genre chapters include poetry fantasy and realistic and historical fiction A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction      Good Books Matter Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children s books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level      Reading Rules! Liz Knowles,Martha Smith,2001-06-15 Filled with ideas practical tips useful statistics and other helpful data on teen reading this book details numerous methods for getting teens to read such as reading workshops literature circles book clubs and booktalks An overview of YA literature and annotated bibliographies of both teen and professional reads further assists in creating a literacy game plan at your school Grades 6-8      **The Continuum Encyclopedia of Children's Literature** Bernice E. Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children s literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa      *Using Children's Literature in Math and Science* ,1997      *ENC Focus* ,1997      **Reading Programs for Young Adults** Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians

recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs *The Elementary School Library Collection, Phases 1-2-3*, 2000

A Celebration of Literature and Response Marjorie R. Hancock, 2004 Reinforced by teachers experiences in actual classrooms this book provides a wealth of ideas for projects readings and response based activities that will engage all learners in the joy of reading and responding to literature It blends an appreciation of children s books across all genres with an emphasis on meaningful instructional strategies for literacy programs Coverage of multicultural international literature helps illustrate the universality of themes in children s literature providing a basis for establishing a library of literature that expresses the totality of children s experiences and speaks to children from all cultures and backgrounds Coverage is based on Louise Rosenblatt s transactional theory of reader response and organized around five main celebrations that the author uses as a framework for uniting the findings of reader response theory with quality children s literature and exemplary reflective literature based practice Includes expanded coverage on multicultural international literature including numerous examples of children s literature written and published in other countries Includes extensive coverage of reader responses to literature oral and written responses as well as those made through the visual arts For teachers of Children s Literature Introduces future teachers to the full range of children s responses to literature encourages the use of a variety of strategies to elicit authentic heartfelt meaningful responses from pupils An appendix on children s literature awards Highlights exemplary children s literature across all genres focuses students attention on established standards and offers guidance for choosing literature that meets such standards
