Congress. Senate. Committee on Health, Education, Labor, and Pensions, 2009 **Safe House** Joshua Straub, PhD, 2015-10-20 Parenting isn't rocket science it's just brain surgery And Dr Joshua Straub has good news for you You can do it You don't need to do all the right things as a parent Both science and the Bible show us that the most important thing we can provide for our kids is a place of emotional safety In other words the posture from which we parent matters infinitely more than the techniques of parenting Emotional safety more than any other factor is scientifically linked to raising kids who live love and lead well Learn how to use emotional safety as a foundation from which you parent and make a cultural impact that could change the world In *Safe House* Dr Straub draws from his extensive research and personal experience to help you Foster healthy identity and social development in children of any age Win the war without getting overwhelmed in the daily battles Discipline in a way that builds relationship Understand how the culture is affecting your child and what you can do about it Cultivate responsible self-regulating behavior in your kids Establish an unshakeable sense of faith morality and values in your home Feel more confident and peaceful as a parent Find a greater perspective on parenting than what you might see on a daily basis Also includes a Safe House Parenting Assessment [Within Our Reach: A National Strategy To Eliminate Child Abuse and Neglect Fatalities](#) Commission to Eliminate Child Abuse and Neglect Fatalities (U.S.), David Sanders, 2016-03-18 *Within Our Reach: A National Strategy to Eliminate Child Abuse and Neglect Fatalities* is the final report of the Commission to Eliminate Child Abuse and Neglect Fatalities as mandated by the Protect Our Kids Act of 2012 This report discusses the Commission's findings and presents both a comprehensive national strategy for fundamental reform and recommendations specific to populations in need of special attention including children currently known to child protective services agencies and at high risk for fatality American Indian Alaska Native children and African American children The report includes recommendations for actions by the executive branch Congress and states and counties that the Commission believes will be most effective in ending these tragic deaths today and into the future Legislators and policymakers at the State and Federal level plus advocates researchers and academics may be interested in these findings Additionally college students pursuing coursework in Social Work Sociology Native American and African American Studies and children's health and psychotherapy programs may find these findings and recommendations helpful

**Handbook of Children's Risk, Vulnerability and Quality of Life** Habib Tiliouine, Denise Benatuil, Maggie K. W.

Lau, 2022-07-30 This handbook makes a major contribution to the growing international research and policy interest in children's experienced well being or quality of life in childhood linking it to ongoing research on children's risk and vulnerability. The editors and contributors adopt the broader concept of risk in addition to vulnerability. Not much work considers the connections between risks that children experience and their quality of life. In examining children's quality of life, the chapters discuss various issues of risk and vulnerability that may affect their lives and also how the quality of childhood might be enhanced and maintained even in the face of these factors. The chapters discuss experiences of violence and abuse, access to basic services such as housing, health and education and children's vulnerability due to broader external factors such as war, conflict and environmental events. The volume also includes the impacts of new technologies on children and the consequent risks and vulnerabilities they may face alongside the benefits. This important volume brings together a diverse range of perspectives from established experts and emerging scholars in these fields of work. It covers a wide range of geographical and cultural contexts and includes theoretical, empirical, policy and practice based contributions. This handbook is a natural first point of reference for academics and policy professionals interested in quality of life, well being and children's rights.

**Child Safety, Welfare and Well-being** Sibnath Deb, 2022-03-21 This book provides a focused and comprehensive overview of the status of children across society with special reference to emerging features and measures of child safety, welfare and overall well being. The book is arranged into four parts covering various dimensions of child welfare and well being. In this second edition, highly experienced academics, researchers, child rights activists and policymakers from both developed and developing countries have contributed chapters on topics such as status of children living under institutional care, sexual abuse of male children and tribal girl children, issues and challenges faced by children living in conflict zones, children living on the streets, COVID 19 and its impact on the education of children. The status of marginalized children gets special importance in the second edition. The new chapters include field based experiences of researchers in protecting child rights and preventing child abuse. It also considers the promising strategies and promising future directions in enhancing effective prevention, intervention and responses to child abuse and neglect. This volume is essential for a wide range of professionals and researchers from the social sciences, law, medicine and behavioral sciences. It is also beneficial for policymakers and law enforcement agencies working with children.
