**Earth: Astrology's Missing Planet** Chrissie Blaze, 2018-02-23 Earth Astrology's Missing Planet brings a new and important dimension to the science and art of astrology and to New Age thought. It addresses the influence, meaning, and relevance of the one forgotten planet in our horoscopes, the Earth, upon which we live. Based on decades of research and written for non-astrologers as well as for the astrological and New Age community, Earth Astrology's Missing Planet is the first book to address this topic.

**Missing in the Glades** Lena Diaz, 2015-12-01 A private investigator pairs up with a beautiful stranger to search for a missing person in the Florida Everglades in this romantic suspense. Looking for a fresh start, detective Jake Young headed south on a case that could help launch his PI business. He knew no amount of work would make him forget his tortured past, but maybe Faye Star could help. Caught up in Jake's missing person's case, the distracting Faye was hiding a secret he was begging to find out. Expertly guiding him through the swamps, Jake's job grew more complicated when someone started taking shots at the free-spirited beauty. As much as she protested, she could take care of herself. Jake stepped in, refusing to admit how desperately he needed someone to save. Especially since he'd never be able to save himself.

**The Signs** Carolyne Faulkner, 2018-05-15 In this inspiring guide to achieving happiness and wellness in life, work, and relationships, a go-to life coach for those in the know, InStyle reveals how to use astrology as a roadmap to success. For thousands of years, people have looked to the night sky for guidance. Yet these days, it's so easy to lose touch with the universe and the important direction it can provide. In *The Signs*, astrologer and life coach Carolyne Faulkner reveals how the ancient wisdom of the stars can empower you to get the most out of life. Faulkner's method is not about nebulous predictions or fate. It's about discovering the qualities, good and bad, associated with your natal chart, the position of the planets at the time of your birth, and using that knowledge to inform your decisions and relationships. Easy to use and designed as both an introduction for the cosmically curious and a deep dive for experienced spiritual seekers, this guide shows you how to interpret your chart, find balance, and reconnect with yourself.
