home much admits the author Home is a place for sleeping and eating and watching afternoon game shows on TV There are too many distractions So years ago I decided I d only write first drafts in art galleries And the best of them all is the National Gallery in London a pigeon s throw from Nelson s Column I can walk around there with my notebook thinking up stories and if I get bored there are lots of expensive pictures to look at Perfect A lot of those paintings however have angels in them They re all over the place wings raised halos gleaming perching on clouds blowing trumpets hovering around the Virgin Mary as if they re her strange naked childlike bodyguards And I began to notice That whenever the writing is going well the angels seemed happy and would smile at me And whenever the words weren t coming out right when I felt sluggish when I thought I d rather take off and get myself a beer they d start to glare I wrote this story in the National Gallery Accompanied by a lot of glaring angels Enjoy Lesser Demons Norman Partridge I was surprised to receive an invitation for S T Joshi s Black Wings reveals Partridge an anthology of Lovecraftian fiction Although I knew S T admired my work I ve never quite seen myself as a Mythos writer While I respect H P Lovecraft and his contribution to horror I ve never felt that his worldview or maybe I should say universeview meshed with mine In the end that s what made the story work at least for me I concentrated on my differences with Lovecraft and approached the material from a place where Jim Thompson would be more comfortable than HPL And I m delighted that so many people have enjoyed the tale it was a lot of fun to write *American Supernatural Tales* S.
