**The Principles of Sahaj Marg** Parthasarathi Rajagopalachari,1987 Lectures and articles on religion and spirituality

*Sahaj Marg Philosophy* Ram Chandra, Sahaj Marg Philosophy is a compilation of Ram Chandra s writings on philosophy as an intuitive science which underlies the practices of Sahaj Marg He explains the nature of real peace the heart as the field of the mind prayer as our link with the Source and the importance of having a teacher of calibre He expands on both the roles of the student and teacher throughout the spiritual journey and especially the role of the teacher in transmitting Pranahuti Yogic Transmission Sahaj Marg Philosophy has come from the source of his personal experience and superconscious awareness in the realm of Reality and beyond Having himself journeyed to the Source he presents philosophy from direct perception and in this respect it is akin to the great sacred texts of the past *Commentary on the Ten Maxims of Sahaj Marg* Ram Chandra, In this book Ram Chandra has endeavoured to put into words those spiritual secrets that had previously been passed down from spiritual teacher to student silently through vibrations from heart to heart They relate to direct perception to the study of Nature Instead of focusing on what not to do he shows us what we can do to mould our lifestyle to be in tune with our spiritual journey The ten guiding principles are beautifully designed to follow the natural cycle of the day starting with rising and meditating before dawn and finishing with the practices to be done just before sleeping at night In between he focuses on the principles that help us to meet the challenges of daily lives being in tune with Nature being authentic accepting what comes letting go of negative emotions and guilt nurturing human oneness and unity in diversity cultivating positive attitudes towards resources like food and money and changing behavioural patterns that are limiting If practised these Maxims are ten steps to eternal peace and fulfilment in life *Sahaj Marg and Personality Problems & Yoga Psychology and Modern Physiological Theories* K. natural one One is either recognised by the company he she keeps or for the person he she is personality deeds wealth etc If one only aspires to be a role model and believe me becoming a role model is not that difficult the core ingredients one requires to possess are honesty commitment dedication the courage to accept one s faults and of course the willingness to change I always cherished a dream to befriend Amir Khan the face kept changing Amir Khan is my last favourite person I can recall so that I could share the limelight with him and bask in his glory Little did I realize that even if I stood next to him all my life people would know him only see only him and recognize Amir Khan alone I would remain who I was just a stranger shamelessly grabbing his share of sunshine and getting a two minute fame So when my dear friend and editor asked me to write a captivating synopsis I was again left to wonder as to what extraordinary could an ordinary person like me conjure I am the very oblivious girl next door leading an ordinary middle class life very akin to all of us Why would anyone wish to read this book not once but again and again this is my dream too For an ordinary average person I have always dreamt of the extraordinary This is not even a fiction thriller this is a spiritual journey about which greatest of seers have already elucidated at great lengths and yet it remains ever so elusive and unattainable What new do I have to offer to the reader I myself have read many spiritual books I have tried many spiritual paths too but change and the feeling of homecoming remained elusive till I did not reach the doorstep of this wondrous Path My average ordinary self could never aspire to be like those famous people and spiritual preachers I continue to read about But this path made me feel one with my spiritual Guru and with time I am confident that I can very much become like Him be one with Him This Path taught me and gently peeled the layers revealing a new self in me This path is continuously inspiring me to change know myself better and helping me become extraordinary Every single word in this book is true and from my very personal experience This is my journey from living a non existent goal less and self deprecating life to morphing into being alive self actualising and an extraordinary person If I can achieve and change then every other average person leading an insipid aimless life can change too This path has not only explained the meaning of this verse to me it has made me realize and self actualize this verse into my life 10

**Disha Prabha** Sharanya Dinesh,2018-12-18 Dear all Disha Prabha is the connecting link of this series and has a special significance too Thus I commence this series with the etymology of the name When we the lazy intellectual better half that I am married to and the earnest me were searching for an ideal name for my counseling practice we tried various permutations and combinations for a word or phrase that meant to throw light on or to guide or to give direction because as a counselor that was my ideal job description The other thought which we were consciously coming back to was a name that would have the family members in it the four of us so that one name would suffice as our house sign board and my practice title Thus Disha Prabha came into being Disha means direction or way and Praha means illumination or radiance This was just perfect counselling is all about lighting the way or lending radiance to direction More importantly Disha is a combination of Di Dinesh the boss of the family and Sha Sharanya the author Prabha is put together with Pra Pranav our son and Bha Bhargavi our daughter So in unanimous consensus we chose this name Most of my writings are experiences or moments shared with these three people It is but obvious that they make an appearance everywhere in this book and all the other books that will follow This book is the first of the Disha Prabha series And I give my thanks to Sahaj Marg the meditation path I follow and teach My Disha received Prabha from this path and I owe everything to this path
