Boundaries Arnold L. Sweeten, Introduction to Boundaries This is a story about life family love human path through the experiences of a young man of the first half of 8x With the fierce inner struggles when standing on the threshold of life entering the first love Between good and evil between angels and demons love and instinct

sometimes just apart by a Boundary is fragile forced reason will have to choose It was first set in 2001 At the beginning the young man s perspectives are at puberty with sexual curiosities And rekindled her first love with her classmate Starting with the struggles between the true love and the opaque thoughts that exist in his mind he will have to choose the right direction for himself to be able to express the instincts that exist in himself in the hope of finding a noble love ideal in life What s he going to do The true depictions will probably shock many people but sex is not the mainstream of this work but it is just one of the factors that contribute to highlighting the theme of the work BOUNDARIES emphasizing the contrast between two dark lights in each person He also talks about love but also about family feelings friendships as students and above all human love human affection in the hidden corners at the bottom of society behind the grim fate Persistently read and feel
