purity and dubious intent liberally mixed into all of them They have many levels of faith or doubt along with obvious or deceptively disguised sanctity All saints are flawed people there is none totally righteous no not one as the apostle Paul insisted Nonetheless all daughters and sons of God are saints And because everyone is a child of God we are all saints even if we reject our God given saintly status The author has known many hundreds of church members very well through more than fifty years of parish ministry plus several thousands of others not so well The Communion of Saints A Pastor s Potpourri of Parishioners is a collection of short biographical sketches of many admired church people as seen through the eyes of a long of tooth parson
