Herculean Labours: Erasmus and the Editing of St. Jerome's Letters in the Renaissance Hilmar

Pabel,2008-07-31 The first monograph in English on Erasmus of Rotterdam as an editor of St Jerome this book belongs to the growing scholarship on the reception of the Church Fathers in early modern Europe Erasmus like other Renaissance humanists particularly admired Jerome d 419 or 420 and he expressed his admiration most conspicuously in his edition of Jerome's letters Proclaiming his editorial Herculean labours Erasmus energetically promoted himself and his publication Erasmus self promotion cannot be reduced to a secular appropriation of Jerome however A detailed examination of a variety of editorial interventions demonstrates Erasmus religious purpose his debt to previous editorial traditions as well as his editorial novelty and his influence on subsequent sixteenth century editions of Jerome

**St. Catherine of Alexandria in Renaissance Roman Art** Cynthia Stollhans,2017-07-05 How and why did a medieval female saint from the Eastern Mediterranean come to be such a powerful symbol in early modern Rome This study provides an overview of the development of the cult of Catherine of Alexandria in Renaissance Rome exploring in particular how a saint's cult could be variously imaged and reinvented to suit different eras and patronal interests Cynthia Stollhans traces the evolution of the saint's imagery through the lens of patrons and their interests with special focus on the importance of Catherine's image in the fashioning of her Roman identity to show how her imagery served the religious political and or social agendas of individual patrons and religious orders

*Alison and Peter Smithson* Alison Smithson,Peter Smithson,Beatriz Colomina,Design Museum (London, England),2004 Striving to adapt the progressive ideas of the pre war modern movement to the specific human needs of post war reconstruction Alison and Peter Smithson were among the most influential and controversial architects of the latter half of the twentieth century As younger members of CIAM Congr's Internationaux d'Architecture Moderne and as founding members of Team 10 they were at the heart of the debate on the future course of Modern Architecture Their polemics and designs addressing issues such as the rising consumer society and the orientation of urban planning laid the foundations for New Brutalism and the Pop Art Movement of the 1960s An important adaptation made by the Smithsons and their generation was the rejection of modernism's machine aesthetics The new notions of place and territory were juxtaposed to Le Corbusier's machine habiter To the Smithsons a house was a particular place which should be suited to its location and able to meet the ordinary requirements of everyday life and to accommodate its inhabitants individual patterns of use This exhibition examines the evolution of the Smithsons approach to this everyday art of inhabitation It does this by extensively documenting most of their designs for individual dwellings especially their optimistic

House of the Future of 1956 and the series of renovations of and additions to the fairy tale like Hexenhaus in Germany from the late 1980s onward      The Image of St. Jerome in the Early Italian Renaissance Candace Cuniberti,1968      *Finding the Monk Within* Edward C. Sellner,2014-07-17      **The Jews and the Reformation** Kenneth Austin,2020-07-14 The first comprehensive account of Protestant and Catholic attitudes toward Jews and Judaism in the European Reformation In this rich wide ranging and meticulously researched account Kenneth Austin examines the attitudes of various Christian groups in the Protestant and Catholic Reformations towards Jews the Hebrew language and Jewish learning Martin Luther s writings are notorious but Reformation attitudes were much more varied and nuanced than these might lead us to believe This book has much to tell us about the Reformation and its priorities and has important implications for how we think about religious pluralism more broadly      **Making Worlds** Angela Vanhaelen,Bronwen Wilson,2022-11-01 Taking into account the destructive powers of globalization Making Worlds considers the interconnectedness of the world in the early modern period This collection examines the interdisciplinary phenomenon of making worlds with essays from scholars of history literary studies theatre and performance art history and anthropology The volume advances questions about the history of globalization by focusing on how the expansion of global transit offered possibilities for interactions that included the testing of local identities through inventive experimentation with new and various forms of culture Case studies show how the imposition of European economic religious political and military models on other parts of the world unleashed unprecedented forces of invention as institutionalized powers came up against the creativity of peoples cultural practices materials and techniques of making In doing so Making Worlds offers an important rethinking of how early globalization inconsistently generated ongoing dynamics of making unmaking and remaking worlds      **The Penitent St. Jerome in Italian Renaissance Painting** Gloria Steinberg,1970      *Loyola's Acts* Marjorie O'Rourke Boyle,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997      **Jerome's Commentaries on the Pauline Epistles and the Architecture of Exegetical Authority** Andrew Cain,2021 This monograph provides the first book length treatment of Jerome s opus Paulinum in any language      Polemical and Exegetical Polarities in Medieval Jewish Cultures Ehud Krinis,Nabih Bashir,Sara Offenberg,Shalom Sadik,2021-10-25 In his academic career that by now spans six decades Daniel J Lasker distinguished himself by the wide range of his scholarly interests In the field of Jewish theology and philosophy he contributed significantly to the study of Rabbinic as well as Karaite authors In the field of Jewish polemics his studies explore Judeo Arabic and Hebrew texts analyzing them in the context of their Christian and Muslim backgrounds His contributions refer to a wide variety of authors who lived from the 9th century to the 18th century and beyond in the Muslim East in Muslim and Christian parts of the Mediterranean Sea and in west and

east Europe This Festschrift for Daniel J Lasker consists of four parts The first highlights his academic career and scholarly achievements In the three other parts colleagues and students of Daniel J Lasker offer their own findings and insights in topics strongly connected to his studies namely intersections of Jewish theology and Biblical exegesis with the Islamic and Christian cultures as well as Jewish Muslim and Jewish Christian relations Thus this wide scoped and rich volume offers significant contributions to a variety of topics in Jewish Studies *Piero Di Cosimo* Sharon Fermor,Piero Di Cosimo,1993 This is the first book on Piero di Cosimo 1461 1521 widely considered one of the most intriguing figures of the Florentine Renaissance to be written in English for over fifty years Sharon Fermor presents new solutions to questions the function and iconography that have puzzled commentators hitherto and examines Piero s approach to pictorial composition and to gesture that contribute to the distinctiveness of his oeuvre Of crucial importance in this fresh evaluation of Piero s career is the author s explanation of the strategies employed by Vasari for his Life of Piero written in the mid sixteenth century By exposing the misconceptions many still influential today that resulted from Vasari s account she reveals that even Piero s most unusual paintings on mythological themes are in fact coherent and meaningful compositions and not the product of an isolated eccentric at odds with the artistic community of his time *John Calvin* William J. Bouwsma,1989-03-17 Historians have credited or blamed Calvinism for many developments in the modern world including capitalism modern science secularization democracy individualism and unitarianism These same historians however have largely ignored John Calvin the man When people consider him at all they tend to view him as little more than the joyless tyrant of Geneva who created an abstract theology as forbidding as himself This volume written by the eminent historian William J Bouwsma who has devoted his career to exploring the larger patterns of early modern European history seeks to redress these common misconceptions of Calvin by placing him back in the proper historical context of his time Eloquently depicting Calvin s life as a French exile a humanist in the tradition of Erasmus and a man unusually sensitive to the complexities and contradictions of later Renaissance culture Bouwsma reveals a surprisingly human plausible ecumenical and often sympathetic Calvin John Calvin offers a brilliant reassessment not only of Calvin but also of the Reformation and its relationship to the movements of the Renaissance *A Companion to Late Antique Literature* Scott McGill,Edward J. Watts,2018-07-27 Noted scholars in the field explore the rich variety of late antique literature With contributions from leading scholars in the field *A Companion to Late Antique Literature* presents a broad review of late antique literature The late antique period encompasses a significant transitional era in literary history from the mid third century to the early seventh century The Companion covers notable Greek and Latin texts of the period and provides a varied overview of literature written in six other late antique languages Comprehensive in scope this important volume presents new research methodologies and significant debates in the field The Companion explores the histories forms features audiences and uses of the literature of the period This authoritative text Provides an inclusive overview of late antique literature Offers the widest survey to date of the literary traditions and forms

of the period including those in several languages other than Greek and Latin Presents the most current research and new methodologies in the field Contains contributions from an international group of contributors Written for students and scholars of late antiquity this comprehensive volume provides an authoritative review of the literature from the era     *The Bible* Bruce Gordon,2024-09-17 A wonderful highly comprehensive John Barton author of *A History of the Bible* global history of the world s best known and most influential book For Christians the Bible is a book inspired by God Its eternal words are transmitted across the world by fallible human hands Following Jesus s departing instruction to go out into the world the Bible has been a book in motion from its very beginnings and every community it has encountered has read heard and seen the Bible through its own language and culture In *The Bible* Bruce Gordon tells the astounding story of the Bible s journey around the globe and across more than two thousand years showing how it has shaped and been shaped by changing beliefs and believers radically different needs The Bible has been a tool for violence and oppression and it has expressed hopes for liberation God speaks with one voice but the people who receive it are scattered and divided found in desert monasteries and Chinese house churches in Byzantine cathedrals and Guatemalan villages Breathtakingly global in scope The Bible tells the story of this sacred book through the stories of its many and diverse human encounters revealing not a static text but a living dynamic cultural force     *Albrecht Dürer's material world* Edward H. Wouk,Jennifer Spinks,2024-04-30 The painter and printmaker Albrecht D rer is one of the most important figures of the German Renaissance This book accompanies the first major exhibition of the Whitworth art gallery s outstanding D rer collection in over half a century It offers a new perspective on D rer as an intense observer of the worlds of manufacture design and trade that fill his graphic art Artworks and artefacts examined here expose understudied aspects of D rer s art and practice including his attentive examination of objects of daily domestic use his involvement in economies of local manufacture and exchange the microarchitectures of local craft and finally his attention to cultures of natural and philosophical inquiry and learning
