Saint-Pierre et Miquelon, french land in North America ,1970 **Historical Atlas of Canada: The land transformed, 1800-1891** Geoffrey J. Matthews,Don Measner,1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century **To Stand and Fight Together** Steve Pitt,2008-01-01 Describes what life was like for slaves in North America in the 1700s and how a freed slave named Richard Pierpoint mobilized a force of black men in Canada to fight for the British in the War of 1812 *Travel Magazine* ,1915 **The World Factbook** ,2003 *Across This Land* John C. Hudson,2020-02-11 A fascinating overview of the lands and peoples of the United States and Canada both past and present Based on decades of research and written in clear concise prose by one of the foremost geographers in North America John C Hudson s *Across This Land* is a comprehensive regional geography of the North American continent Dividing the terrain into ten regions which are then subdivided into twenty seven smaller areas Hudson s brisk narrative reveals the dynamic processes of each area s distinctive place specific characteristics Focusing on how human activities have shaped and have been shaped by the natural environment Hudson considers physical political and historical geography He also highlights related topics including resource exploitation economic development and population change Praised in its first edition as a readable and reliable interpretation of United States and Canadian geography the revised *Across This Land* retains these strengths while adding substantial new material Incorporating the latest available population and economic data this thoroughly updated edition includes reflections on new developments such as resource schemes Native governments in Atlantic Canada and the role of climate change in the Arctic a new section focused on the US Pacific insular territories west of Hawaii evolving views of oil and gas production resulting from the introduction of hydraulic fracturing revised text and maps involving agricultural production based on the 2017 Census of Agriculture current place names more than 130 photographs The most extensive regional geography of the North American continent on the market Hudson s *Across This Land* will continue as the standard text in geography courses dealing with Canada and the United States as well as a popular reference work for scholars students and lay readers **Travel** ,1915

Historical Atlas of Canada: From the beginning to 1800 Donald P. (Peter) Kerr,1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century **Canadian English** James A. Walker,2015-06-05 This textbook is the only one of its kind to introduce the study of Canadian English in the context of basic concepts of linguistics and sociolinguistics The book provides foundational information on linguistic principles and on the different branches of sociolinguistics ranging from the large scale macro study of language usage the sociology of language dialect surveys to the micro study of language use sociophonetics sociolinguistic variation and change Each chapter

highlights the different ways of collecting and analyzing data including census data and historical texts surveys and questionnaires publically available corpora and interviews Mini projects at the end of each chapter offer hands on experience with the methods presented in the chapter In addition to discussing the classic works in the study of Canadian English this book engages with such contemporary issues as new dialect formation language and social identity and ongoing language change making it key reading for students taking courses in the areas of Canadian English varieties of English language variation and sociolinguistics *Encyclopedia of Bilingualism and Bilingual Education* Colin Baker, Sylvia Prys Jones, 1998

This encyclopedia is divided into three sections individual bilingualism bilingualism in society and bilingual education It includes many pictures graphs maps and diagrams The book concludes with a comprehensive bibliography on bilingualism

Picturing the Land Marilyn J. McKay, 2011-04-12 Emphasizing the ways in which social economic and political conditions determine representation Marilyn McKay moves beyond canonical images and traditional nationalistic interpretations by analyzing Canadian landscape art in relation to different concepts of territory Taking an expansive and inclusive perspective on Canadian landscape art McKay depicts this tradition in all its diversity and draws it into the larger body of Western landscape art broadening the horizon of future study appreciation and criticism Richly illustrated and filled with sophisticated and innovative commentary Picturing the Land provides new and distinct histories of the landscape art of French and English Canada

France and the Americas Bill Marshall, 2005-05-24 A unique multidisciplinary encyclopedia covering the impacts that French and American politics foreign policy and culture have had on shaping each country s identity From 17th century fur traders in Canada to 21st century peacekeepers in Haiti from France s decisive role in the Revolutionary War leading to the creation of the United States to recent disagreements over Iraq France and the Americas charts the history of the inextricable links between France and the nations of the Americas This comprehensive survey features an incisive introduction and a chronology of key events spanning 400 years of France s transatlantic relations

Students of many disciplines as well as the lay reader will appreciate this comprehensive survey which traces the common themes of both French policy language and influence throughout the Americas and the wide ranging transatlantic influences on contemporary France

Geopolitics at the End of the Twentieth Century Nurit Kliot, David Newman, 2013-11-05 An excellent examination of how the collapse of the Soviet Union and the impact of globalization have brought about changes not only to the territorial configuration sovereignty of states and their boundaries but also to traditional notions of state boundaries sovereignty and social order These essays focus on the key regional and geopolitical characteristics of this global reordering with an emphasis on Eastern Europe and South Asia They discuss the territorial reordering which is taking place at the level of the state as boundaries are redemarcated in line with ethno territorial demands as borders are transversed by the movement of peoples information and finance and as the lines of territorial demarcation are perceived not only in terms of their fixed characteristics but as part of a process through which regional and ethnic identities continue to be formed and

reformed Each section ends with articles which focus on literature on geopolitics and boundaries This is an invaluable addition to our understanding of contemporary world affairs *Daily Consular and Trade Reports* ,1912 The World Factbook United States. Central Intelligence Agency,1999 **Canada Today** ,1971 *The Reluctant Land* Cole Harris,2009-01-01 The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s It shows how a deeply indigenous land was reconstituted in European terms and at the same time how European ways were recalibrated in this non European space It also shows how an archipelago of scattered settlement emerged out of an encounter with a parsimonious territory and suggests how deeply this encounter differed from an American relationship with abundance The book begins with a description of land and life in northern North America in 1500 and ends by considering the relationship between the pattern of early Canada and the country as we know it today Intended to illuminate the background of modern Canada The Reluctant Land is an intelligent discussion of people and place that will be welcomed by scholars and lay readers alike **The World Factbook** Central Intelligence Agency,2010-07-01 By intelligence officials for intelligent people World in Figures The Economist,2016-05-01
