Geological Survey of Canada, Open File 1087, Patrician Families and the Making of Quebec Brian Young, 2014-10-01 History has often ignored the influence in modern Quebec of family dynasties patriarchy seigneurial land and traditional institutions Following the ascent of four generations from two families through eighteenth century New France to the onset of the First World War *Patrician Families and the Making of Quebec* compares the French Catholic Taschereaus and the Anglican and English speaking McCords Consulting private institutional and legal archives Brian Young studies eight family patriarchs Working as merchants or colonial administrators in the first generation they became seigneurial proprietors officeholders and prelates The heads of both families used marriage arrangements land stewardship and judgeships to position their heirs Young shows how patriarchy was a central force in both domestic and public life as well as the ways in which Taschereau and McCord family strategies extended into the marrow of Quebec society through moral

authority influence on national identities and their positions within senior offices in religious judicial and university institutions Through courthouses cemeteries belfries and their own chapels and neoclassical estates they created encompassing cultural landscapes Later generations used museums archives historian collaborators photography and modern print to elevate family achievement to the status of heroic national narratives Sagas of the monied and entrepreneurial nationalist imperatives to protect a vulnerable people and skepticism about the lasting power of great families and historical institutions have relegated the influence of the Taschereaus and McCords to obscurity Patrician Families and the Making of Quebec resuscitates the central role these elite families played in English and French Quebec

Documents Accompanying the Journal of the House Michigan. Legislature, 1898 **Canadian Ayrshire Herd Book**
Canadian Ayrshire Breeders' Association, 1901 The Making of the Magdalen Katherine Ludwig Jansen, 2001-07-02 Best known during the Middle Ages as the prostitute who became a faithful follower of Christ Mary Magdalen was the most beloved female saint after the Virgin Mary Why the Magdalen became so popular what meanings she conveyed and how her story evolved over the centuries are the focus of this compelling exploration of late medieval religious culture Analyzing previously unpublished sermons Katherine Jansen uses the lens of medieval preaching to examine the mendicant friars transformation of Mary Magdalen a shadowy gospel figure into an emblem of action and contemplation a symbol of vanity and lust a model of perfect penance and the embodiment of hope and salvation She draws on diverse historical sources to reveal the laity's devotion to Mary Magdalen which departed significantly from the friars image of the saint signaling a major development in popular religious practice and personal piety Finally the author comprehensively addresses the question of the House of Anjou's alliance with the Magdalen and illuminates the relationship between politics and sanctity in southern France and Italy Jansen shows how perceptions of the Magdalen merged with errors and misunderstandings to shape the social spiritual and political agendas of the later Middle Ages She brings to life the rich complexity of medieval culture which condemned female sexuality and women's preaching and yet popularized the veneration of Mary Magdalen as a former prostitute chosen by Christ to be the apostle of the apostles the first to witness and preach the Good News of the Resurrection *Winter Navigation on the Great Lakes* James L. Wuebben, 1995 *Groundless* Gregory Evans Dowd, 2015 Today we have grown so used to having boundless information at our fingertips that we can easily forget the practical limits on reliable news that both natives and European settlers faced in early America Beyond what one could see or hear at the instant one could only make surmises based on what others reported or reportedly said etc In a real sense rumor ruled Historians have known about this problem of information and wondered about how stories of far off deeds plans or intentions could develop and then travel about from place to place crossing various lines of authority and changing in every telling Here Greg Dowd an established student of Native Americans and their encounters with white settlers makes a determined effort to examine the phenomenon itself Using about a dozen case studies organized in parts that alternately deal with overarching

themes and groups of specific episodes he asks on what basis rumors or legends emerged in the first place and why they grew as they did and reached the level of credibility they did The Spanish belief that the interior of America hid huge supplies of gold will be familiar to readers as will the white practice of using tainted blankets to spread smallpox among the natives this before the germ theory of disease Others like stories of Washington s use of rumor and Franklin s worries about counterfeit currency and the role of bad information in the Indian removal campaign of the Andrew Jackson presidency may surprise

Michigan Bibliography: Books, pamphlets, etc ,1921 Royal Naval Biography, Volume 2 Part 2 John Marshall,1825 John Marshall c 1784 1837 was a naval officer and biographer He first went to sea at the age of nine and by the end of the Napoleonic Wars in 1815 had reached the rank of lieutenant After the war he started to research the lives of contemporary high ranking naval officers some of whose service reached as far back as 1760 These volumes first published between 1823 and 1830 contain the results of this monumental research and demonstrate the new cult of the navy in the early nineteenth century Some of the biographies were contributed by the officers themselves with others containing private or official letters and other records Organised according to seniority in rank these volumes contain a wealth of fascinating information on the careers of naval officers and battles and wars in which they took part Volume 2 Part 2 contains biographies of Post Captains 1802 1806
