Saints and Their Miracles in Late Antique Gaul Raymond Van Dam, 2011-11-12 Saints cults with their focus on miraculous healings and pilgrimages were not only a distinctive feature of Christian religion in fifth and sixth century Gaul but also a vital force in political and social life Here Raymond Van Dam uses accounts of miracles performed by SS Martin Julian and Hilary to provide a vivid and comprehensive depiction of some of the most influential saints cults Viewed within the context of ongoing tensions between paganism and Christianity and between Frankish kings and bishops these cults tell much about the struggle for authority the forming of communities and the concept of sin and redemption in late Roman Gaul Van Dam begins by describing the origins of the three cults and discusses the career of Bishop Gregory of Tours who benefited from the support of various patron saints and in turn promoted their cults He then treats the political and religious dimensions of healing miracles including their relation to Catholic theology and their use by bishops to challenge royal authority and of pilgrimages to saints shrines The miracle stories collected mainly by Gregory of Tours appear in their first complete English translations Raiding Saint Peter: Empty Sees, Violence, and the Initiation of the Great Western Schism (1378) Joelle Rollo-Koster, 2008-03-31 Throughout the European Middle Ages the death of high ranking prelates was usually interwoven with violent practices During Empty Sees mobs ransacked bishops and popes properties to loot their movable goods Eventually in the later Middle Ages they also plundered the goods of newly elected popes and the cells of the Conclave This book follows and analyzes the history of this violence using a methodology akin to cultural anthropology with

concepts such as liminal periodization It contends that pillaging was attached to ecclesiastical interregna and the nature of ecclesiastical elections contributed to a pillaging problem This approach allows for a fresh reading and re contextualization of one of the greatest political crises of the later Middle Ages the Great Western Schism Deeds of the Bishops of Cambrai, <u>Translation and Commentary</u> Bernard S. Bachrach, David S. Bachrach, Michael Leese, 2017-09-18 First commissioned by Bishop Gerard I of Cambrai 1012 1051 in 1023 or 1024 the Gesta episcoporum Cameracensium was the work of two authors the second of whom completed the text shortly after the death of Bishop Gerard The three books of the Gesta shed considerable light on the policies and actions of many of the key political and religious figures in an economically and intellectually vibrant region on the frontier between the German and French kingdoms The Deeds of the Bishops of Cambrai translated in this volume into English for the first time provides unique insights into the relationship between the German king and the bishops within the context of the so called imperial church system the rise of both secular and ecclesiastical territorial lordships the conduct of war the cult of the saints monastic reform and evolving conceptions of the proper social order of society Including extensive commentary apparatus of explanatory notes maps genealogies this text will be of considerable value both in undergraduate and graduate courses as well as to scholars A Complete History of the Popes of Rome, from Saint Peter, the First Bishop, to Pius the Ninth, the Present Pope Louis-Marie de Lahaye Saints Dawn Marie Beutner, 2020 Jesus told us to be perfect and the Second Vatican Council vicomte de Cormenin,1851 highlighted this command by speaking of the universal call to holiness for all Christians How do we answer this call One great way is to learn from and pray with the saints the ordinary men and women who fought the good fight to be holy until the end of their lives and won The saints have inspired Christians for more than two thousand years because they show us what it looks like to follow Jesus Christ despite countless challenges and obstacles This unique book contains short biographies of several saints along with prayers to each one for every day of the year It also provides definitions of Church terms and other helpful back ground information The saints in this collection come from every period of Church history and all walks of life They represent numerous countries cultures age groups and vocations They show us that holiness truly is a path open to anyone and by their example and prayers they help us to follow it Saint Augustine of Hippo Miles Hollingworth, 2013-06-06 Here is an outstanding new intellectual biography of Augustine of Hippo Augustine was one of the West s first public philosophers Intellectually brilliant and a gifted writer he is known primarily as one of the great figures of Christian late antiquity In this new biography we encounter him through the complexities of his remarkable personality Miles Hollingworth demonstrates that it was as a personality that he turned against his Age to explore the shocking relevance of one life to God and history His autobiography the Confessions is held up by many today as the first truly modern book Saint Augustine of Hippo is written at once for scholars and students but also for the huge number of intelligent lay readers for whom Augustine is a towering figure in the history of Western civilisation Noble Lord, Good Shepherd Anna Trumbore

Jones, 2009 The bishop was a figure of unparalleled importance in the tenth and eleventh centuries as he married the advantages of his noble birth to the sacramental and pastoral role of bishop drawing upon the resultant range of powers to intervene in all areas of life Scholarship on the episcopate in this period however has tended to cluster around two themes the role of bishops in the fragmentation of the Carolingian Empire and the critiques of these bishops levied by certain church reformers This book moves beyond these subjects and examines the full scope of bishops activities in southwest France as they ruled their cathedrals interacted with lay powers patronized religious communities and wrestled with the complex nature of their office Old England: a Pictorial Museum of Regal, Ecclesiastical, Baronial, Municipal, and **Popular Antiquities ...** Charles Knight, 1845 Old England Charles Knight, 1850 *Great Events in Religion Florin* Curta, Andrew Holt, 2016-11-28 This three volume set presents fundamental information about the most important events in world religious history as well as substantive discussions of their significance and impact This work offers readers a broad and thorough look at the greatest events in world religious history covering a wide range of religions time periods and areas around the globe The entries present authoritative information and informed viewpoints written by expert contributors that enable readers to easily learn about the chief events in religious history help them to better understand the course of world history and promote a greater respect for culturally diverse religious traditions.
