The Family treasury of Sunday reading, ed. by A. Cameron (W. Arnot). [Continued as] **The Christian monthly and family treasury** rev Andrew Cameron, 1860

The Imitation of Saint Paul Jim Reapsome, 2013-08-07 The Imitation of Saint Paul takes us behind the headlines of his career and offers a fresh compelling contemporary look at the man who changed the world When the exemplary apostle got into the face of his converts he bluntly held up his own life as the pattern for theirs How risky is that The purpose of this readable work with a modern twist is to discover how Paul viewed his divine commission and how he managed to survive incredible obstacles and hardships that threatened to undo him What elements in the apostle's life made him the man he was How does his life become the format of ours What changes can we make to follow in his footsteps This work serves as both an introduction to the apostle for those new to the Christian faith and as a healthy reminder for those who want to go deeper in their obedience to and service for Christ
