Saints Who Saw Mary Raphael Brown, 1994      The Life of Mary As Seen by the Mystics ,2023-07-05 Delve into the treasured revelations of the saints in this important collection mystical Catholic writings Assembled by the skilled hand of Raphael Brown this extraordinary work gathers the timeless words of Anne Catherine Emmerich Mary of Agreda and others and offers readers profound insights into the life of the Blessed Mother from her immaculate birth to the Assumption

**When Mary and the Saints Spoke About the Anti-Christ** Angelita Felixberto, 2021-06-30 The book is divided into two parts The first one talks about my mystical experiences in relation to four Marian apparitions It talks about almost a uniform warning about a period of chastisement and how current events seem to fit the bill The second part of the book deals with what four saints have talked about pertaining to the anti Christ There was a prophecy that the Vatican will apostatize Some references by the Saints seem to reflect it so      *Mary Magdalene and the Drama of Saints* Theresa Coletti, 2004-07-08 A broad and deep analysis of Mary Magdalene s prominence through overlapping discourses of late medieval English culture An elegantly written and valuable resource on theater gender and religion Baylor Journal of Theater and Performance

**Wayward Saints** Suzzy Roche, 2012-01-17 From a folk rock legend comes a tender comic story of family music and second chances Mary Saint the rule breaking troubled former lead singer of the almost famous band Sliced Ham has pretty much given up on music after the trauma of her band member and lover Garbaggio s death seven years earlier Instead with the help of her best friend Thaddeus she is trying to piece her life together while making mochaccinos in San Francisco Meanwhile back in her hometown of Swallow New York her mother Jean Saint struggles with her own ghosts When Mary is invited to give a concert at her old high school Jean is thrilled though she s worried about what Father Benedict and her neighbors will think of songs such as Sewer Flower and You re a Pig But she soon realizes that there are going to be bigger problems when the whole town including a discouraged teacher and a baker who s anything but sweet gets in on the act Filled with characters that are wild and original yet still familiar and warm plus plenty of great insider winks at the music industry Wayward Saints is a touching and hilarious look at confronting your past and going home again      **The**

**Encyclopedia of Saints** Rosemary Guiley, 2001 The Encyclopedia of Saints offers thorough and fascinating accounts of familiar and little known holy men and women of the Catholic and Orthodox churches Drawing from documented accounts and supplemented with additional extensive research      **The Virgin Mary in the Perceptions of Women** Joelle

Mellon, 2016-04-21 Once the Virgin Mary was a pivotal element of Christianity a holy figure at the heart of most Christians spiritual lives She was invoked at all major life passages baptisms weddings childbirths and funerals and images of the Virgin Mary could be found virtually anywhere from pub signs to sacred texts Medieval women especially looked to Mary to answer their prayers be their role model and serve as their advocate in heaven They prayed to her several times a day and sometimes devoted their entire lives to her service This book investigates perceptions of the Virgin Mary through several

centuries of literature Focusing especially on the depictions of the Virgin Mary in medieval and Renaissance manuscripts the author rediscovers a time when the Divine Female was very much in evidence and good Christian women were taught to pray to a Holy Mother Topics include the cyclical popularity of Virgin Mary devotional objects such as Books of Hours rosaries and Marian gardens the mystical qualities attributed to the Virgin Mary through centuries of reported divine visions the historical relationships between the Virgin Mary and other religious figures including the Devil and Mary Magdalene as an alternative to the Virgin Mary as a feminine model **101 Saints and Special People** Vera Schaubert, Michael Schindler, 2003

*Mary Elizabeth Towneley (in Religion Sister Marie Des Saints Anges)*, 1924 Memory and Presence of Female Saints in Ksar El Kebir (Morocco) Rachid El Hour, Manuela Marín, 2022-05-16 This book discusses hagiographical sources from Morocco taking in consideration the often overlooked oral tradition Orality as is shown in this study completes and enriches the vision of hagiography that written sources traditionally has offered The most relevant example in this book is the high presence of female saints in oral narratives that were not included in any other written sources Recovering oral tradition to study hagiography as well as the role of female saints in Morocco has been one of the main areas of focus in this study as well as problematizing the dependence and dialogue between written and oral culture and can help to understand the diffusion and presence of similar phenomena in other areas of Morocco **The Life of Saint Mary Magdalen**, 1904

**Mobile Saints** Kate M. Craig, 2021-04-22 Mobile Saints examines the central medieval ca 950 1150 CE practice of removing saints relics from rural monasteries in order to take them on out and back journeys particularly within northern France and the Low Countries Though the permanent displacements of relics translations have long been understood as politically and culturally significant activities these temporary circulations have received relatively little attention Yet the act of taking a medieval relic from its home even for a short time had the power to transform the object the people it encountered and the landscape it traveled through Using hagiographical and liturgical texts this study reveals both the opportunities and tensions associated with these movements circulating relics extended the power of the saint into the wider world but could also provoke public displays of competition mockery and resistance By contextualizing these effects within the discourses and practices that surrounded traveling relics Mobile Saints emphasizes the complexities of the central medieval cult of relics and its participants while speaking to broader questions about the role of movement in negotiating the relationships between sacred objects space and people *Poetic Rosary and Saints' Stories* Lincoln Luke Ossai, 2008-07-30 Poetic Rosary and Saints stories is a two in one book It leads us in the journey of the twenty mysteries of the Holy Rosary enlightens our minds of the lives of ten saints and calls on Christ and His saints to always be for us *The Stigmata: Those Who Bore the Wounds of Christ* Deacon Albert E.
