CISG vs. Regional Sales Law Unification Ulrich Magnus, 2012-08-31 In October 2011 the European Commission introduced its Proposal for a Regulation on a Common European Sales Law CESL which covers inter alia international business sales a subject already regulated by the Convention of International Sale of Goods CISG which was ratified by 78 member states How does this new Proposal fit the existing uniform sales law How have other regions of the world managed the coexistence of global and regional sales law unification What can Europe learn from the U S experience concerning the CISG and the Uniform Commercial Code What can we learn from the African OHADA which made CISG more or less the internal law of 17 African states what from Australia where CISG and common law exist alongside All these questions are intensely discussed in this highly recommendable book written by renowned authors like Larry DiMatteo Harry Flechtner Franco Ferrari Robert Koch Ulrich Magnus and Bruno Zeller

Examination and Notification Duties in Consumer Sales Law Christoph Jeloscsek, 2006 Is there a place for examination and notification duties in consumer sales law According to Dutch law there is Other countries such as England or Germany oppose this view It is therefore only fair to ask why the consumer should actually lose his rights in the event of lack of conformity of the goods if he has failed to lodge his complaint within a reasonable time This book finds that functional arguments relating to such cut off duties are not convincing When introducing such duties into consumer sales law one fails to look critically at the rationale that originated in the realm of commercial sales law It therefore can be concluded that the answer to above question is necessarily a political one As long as certain minimum requirements of consumer protection are not left out of consideration there is nothing wrong with such a political choice that may well be different in different countries

Legal Analysis ON the silent features the major aspect of the Ethiopian law of sales in context of CISG UNIDROIT principle and PECL. In cases where CISG is applied by the Ethiopian courts UNIDROIT Principles can be used in order to supplement the CISG. Moreover just as CISG can be applied when it is chosen by the contracting parties in Ethiopia UNIDROIT Principles can also be applied. The other possibility for the application of CISG and UNIDROIT Principles is as an expression of *lex mercatoria* by arbitral tribunals in Ethiopia. Pursuant to Article 1713 of the Ethiopian civil code which provides that contracting parties are bound not only by the express provisions of their agreement but also by such incidental effects as may be attached to it considering trade usage custom and good faith CISG and UNIDROIT PECL can be referred to. Determining what practices are considered trade custom and usage may beg for a very strong reason giving attention to such documents. The CISG and UNIDROIT Principles may be applied as a draft for contracts. This involves incorporating part or all of the provisions into their contract. Obviously here the court applies the provisions as it applies the terms of the contract. This is not exactly a choice of law clause unless the parties chose the law of a Contracting State having the state's implementation of the CISG in mind. Instead it is to be viewed as a drafting technique which uses the provisions of the CISG as a kind of model contract. Generally an international contract occurs when a contract involving parties which have business place in different countries are involved or different national in different place or the same national in different place. In such case the parties might apply a law of their choice provided that their choice is sustainable at law. In the absence of such choice certain international documents like CISG and the supplementing document of UNIDROIT PECL can be applied upon the fulfillment of certain conditions as per the general provision of these instrument itself. The conditions relate to when rules of conflict of law orders the application of these documents when there is *lex mercatoria* or trade usage and when the parties agree on the application of CISG. **Consumer Sales Law** John Macleod, James Devenney, 2009-06-02.
