Sallust's Conspiracy of Catiline and the Jugurthine War Sallust,John

Watson,2013-03-29 The Conspiracy of Catiline Sallust s first published work contains the history of the memorable year 63 Sallust adopts the usually accepted view of Catiline and describes him as the deliberate foe of law order and morality and does not give a comprehensive explanation of his views and intentions Note that Catiline had supported the party of Sulla which Sallust had opposed Mommsen s suggestion that Sallust particularly wished to clear his patron Caesar of all complicity in the conspiracy may have contained some truth In writing about the conspiracy of Catiline Sallust s tone style and descriptions of aristocratic behavior show him as deeply troubled by the moral decline of Rome While he inveighs against Catiline s depraved character and vicious actions he does not fail to state that the man had many noble traits indeed all that a Roman man needed to succeed In particular Sallust shows Catiline as deeply courageous in his final battle This subject gave Sallust the opportunity of showing off his rhetoric at the expense of the old Roman aristocracy whose degeneracy he delighted to paint in the blackest colours *Sallust's Jugurthine War and Conspiracy of Catiline* Sallust,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Conspiracy of Catiline and the Jugurthine War...* Sallust,2019-03-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we
