Salome and Judas in the Cave of Sex Ewa Kuryluk, 1987-01-01 **Cultivating Picturacy** James A. W. Heffernan, 2006

While words typically frame and regulate our experience of art the study explains how pictures can contest the authority of the words we use to interpret art **The Salome Project** Gail P. Streete, 2018-10-16 We are not even sure of her name it might have been Salome it might have been Herodias like that of her mother She appears very briefly in only two Gospels of the New Testament to dance at the birthday party of her mother's husband Herod the ruler of Galilee We do not even know what kind of dance it was but we are told that it pleased him so much he promised to give her anything she asked for What she asked for was the head of the prophet John the Baptist on a platter Although she disappeared from the pages of the New Testament Salome and her dance have puzzled intrigued and dominated the imaginations of artists and writers for two millennia Was she just a little girl doing a dance performance to please her stepfather and his guests Was she a nubile teenager bent on seduction Was she a femme fatale who aimed at the death of a man she could not possess The Salome Project is the result of a quest to answer these questions and find the real Salome **Rethinking the Concept of the Grotesque** Shun-Liang Chao, 2017-07-05 How are we to define what is grotesque in art or literature Since the Renaissance the term has been used for anything from the fantastic to the monstrous and been associated with many artistic genres from the Gothic to the danse macabre Shun Liang Chao's new study adopts a rigorous approach by establishing contradictory physicality and the notion of metaphor as two keys to the construction of a clear identity of the grotesque With this approach Chao explores the imagery of Richard Crashaw Charles Baudelaire and Rene Magritte as individual exemplars of the grotesque in the Baroque Romantic and Surrealist ages in order to suggest a lineage of this curious aesthetic and to cast light on the functions of the visual and of the verbal in evoking it **The Female Grotesque** Mary Russo, 2012-11-12 The grotesque the exaggerated the deformed the monstrous has been a well considered subject for students of comparative literature and art In a major addition to the literature of art cultural criticism and feminist studies Mary Russo re-examines the grotesque in the light of gender exploring the works of Angela Carter David Cronenberg Bahktin Kristeva Freud Zizek Mary Russo looks at the portrayal of the grotesque in Western culture and by combining the iconographic and the historical locates the role of the woman's body in the discourse of the grotesque The Place of Judas Iscariot in Christology Anthony Cane, 2017-07-05 Exploring the significance of Judas Iscariot for Christian theology and the difficult issues surrounding Judas Anthony Cane shows that focusing on the tension between providential and tragic interpretations of Judas in the New Testament and in subsequent writing about Judas is the key to understanding his significance Building on the work of Karl Barth and Donald MacKinnon Cane's argument sheds light not simply on the way Judas is understood but on the way Jesus and the whole economy of salvation are understood This book also highlights implications for the way in which issues relating to anti-Semitism and evil and suffering are most effectively explored **The Female Sublime from Milton to Swinburne**

Catherine Maxwell,2001 This innovative study of vision gender and poetry traces Milton's mark on Shelley Tennyson Browning and Swinburne to show how the lyric male poet achieves vision at the cost of symbolic blindness and feminisation Drawing together a wide range of concerns including the use of myth the gender of the sublime the lyric fragment and the relation of pain to creativity this book is a major re-evaluation of the male poet and the making of the English poetic tradition The female sublime from Milton to Swinburne examines the feminisation of the post-Miltonic male poet not through cultural history but through a series of mythic or classical figures which include Philomela Orpheus and Sappho It recovers a disfiguring sublime imagined as an aggressive female force which feminises the male poet in an act that simultaneously deprives and energises him This book will be required reading for anyone with a serious interest in the English poetic tradition and Victorian poetry

Women, Seduction, and Betrayal in Biblical Narrative Alice Bach, 1997-08-28 This accessible readable book looks at the cultural study of the Bible challenging the traditional mode of reading the women in the Bible Alice Bach applies literary theory cultural representations of biblical figures films and paintings to a close reading of a group of biblical texts revolving around the wicked literary figures in the Bible She compares the biblical character of the wife of Potiphar with the Second Temple Period narratives and rabbinic midrashim that expand her story She then reads Bathsheba against a Yiddish novel by David Pinski and finally looks at the Biblical Salome against a very different Salome created by Oscar Wilde and the selection of Salomes created by Hollywood Bach argues that biblical characters have a life in the mind of the reader independent of the stories in which they were created thus making the reader the site at which the texts and the cultures that produced them come together

Deep into the Labyrinths in the Novels by Louise Welsh Eduardo García, 2016-01-14 *Deep into the Labyrinths in the Novels by Louise Welsh* is the first book to focus on the novels of Louise Welsh one of the most acclaimed and interesting narrative voices in contemporary Scottish Literature It explores the use of the image of the labyrinth as one of the sites for horror in classic Gothic literature and its rewriting into a contemporary gothic labyrinth in 21st century Scotland and by extension in the European context that co exists with various other queer and intertextual labyrinths that complement and complicate it This book analyses how Louise Welsh s novels present different labyrinths that characters traverse and get lost in and by the same process with which readers also become engaged In both cases characters and readers discover that the labyrinthine understanding of reality becomes more real than any other official version of reality Each chapter of the book explores particular examples of these labyrinths even though they are not linear they tend to intermingle and intertwine

The Metamorphosis of Apuleius Pasquale J. Accardo, 2002 Lewis s *Till We Have Faces* being only one of the more notable recent retellings **BOOK JACKET**

Text counter Text Alexander Zholkovsky, 1996-05-01 Using structuralist and post structuralist methods this book analyzes a selection of influential Russian texts classical modernist and contemporary as dialogues with earlier works in the light of new cultural contexts

Saint Hysteria Cristina Mazzoni, 1996 *Saint Hysteria* examines scientific literary and religious texts that share a fascination with the otherness of the female body whether in ecstatic pleasure or in neurotic pain Cristina Mazzoni focuses on material from

the late nineteenth and early twentieth centuries mainly in Italy and France Her approach uses the methodologies of cultural studies and feminism but also benefits from the insights of psychoanalytic criticism She asks how the identification of mysticism with hysteria became prevalent and explores the continuing dialogue between a historicizing view of hysteria and a view of hysteria as repressed religious mysticism According to Mazzoni this dialogue is discernible at various levels and in a variety of discourses The medical history of hysteria she maintains is often linked to the religious history of supernatural phenomena and the medical discourse of positivism depends on the religious feminine element that it attempts to repress Similarly she finds a continuity between the literature of naturalism and that of decadence in their representations of the interdependence of neurosis and religion Finally the religious writings of women mystics and the discourses they inspired reveal an unresolved tension between nature and supernature body and soul or psyche which Mazzoni suggests mirrors and complicates the very issues raised by hysterical conversion Among those whose views she considers are the writers Jules and Edmond de Goncourt Gabriele d Annunzio and Antonio Fogazzaro as well as Graham Greene and Simone Weil the mystics Angela of Foligno Gemma Galgani and Teresa of Avila and the theorists Jean Martin Charcot Cesare Lombroso Jacques Lacan Simone de Beauvoir Julia Kristeva and Luce Irigaray

Grotesque

Anatomies David Musgrave, 2014-10-16 *Grotesque Anatomies* is a study of Menippean satire in English since the Renaissance It consists of revisionist close readings of canonical works such as Eliot's *The Waste Land* and Pope's *Dunciad* among others and investigates how identifying them as Menippean satires changes our understanding of them The initial chapter offers a comprehensive account of the form from antiquity to the present day identifying its bifurcated development in the shorter form Seneca Lucian Julian and the longer more encyclopedic form Varro Petronius Boethius and their subsequent fusion during the Renaissance It also contains an account of the critical reception of the genre with the term Menippean satire first being used by Justus Lipsius in 1581 Finally Menippean satire is described as a literary version of the grotesque and a brief theory of the grotesque in the modern period as radical heterogeneity is outlined This is also the

foundation of a new definition of Menippean satire drawing on previous definitions by Frye Bakhtin and Kirk and revising them for the modern period The following chapters examine iconic works as examples of Menippean satire and of the grotesque Chapter 2 offers an overview of the nose in Menippean satire and comic literature generally and reads Rushdie's *Midnight's Children* in this context It also gives an account of metaphor as a grotesque transformation Chapter 3 examines the figure of the stomach in Menippean satire and sympotastic literature and reads Peacock's *Gryll Grange* in this context The link between the stomach as a figure of thinking in comic literature is the basis for an account of symbolic structuring as grotesque association Chapter 4 is a close reading of the scatological imagery of Pope's *Dunciad* and how scatology generally tends towards a cyclical metaphysics It also relates changes in print technology and copyright laws to the reticular scatological structure of the *Dunciad* Chapter 5 argues for Eliot's *The Waste Land* as a Menippean satire focusing on the rhetorical figure of the enthymeme as a missing premise as an example of undermindedness and as an ironic aspect of the fragmentation typical of late Romantic Menippean satires Chapter 6 examines Urquhart's eccentric *The Jewel* as a satire on the referential function of language reading it in the context of projections for a universal language from this period The final chapter identifies some key works by Derrida and Barthes as Menippean satires noting the resurgence of the form in some postmodern and deconstructive writing

Salome's Modernity Petra Dierkes-Thrun, 2014-07-28 Oscar Wilde's 1891 symbolist tragedy *Salome* has had a rich afterlife in literature opera dance film and popular culture *Salome's Modernity* Oscar Wilde and the Aesthetics of Transgression is the first comprehensive scholarly exploration of that extraordinary resonance that persists to the present Petra Dierkes-Thrun positions Wilde as a founding figure of modernism and *Salome* as a key text in modern culture's preoccupation with erotic and aesthetic transgression arguing that Wilde's *Salome* marks a major turning point from a dominant traditional cultural moral and religious outlook to a utopian aesthetic of erotic and artistic transgression Wilde and *Salome* are seen to represent a bridge linking the philosophical and artistic projects of writers such as Mallarmé Pater and Nietzsche to modernist and postmodernist literature and philosophy and our contemporary culture Dierkes-Thrun addresses subsequent representations of *Salome* in a wide range of artistic productions of both high and popular culture through the works of Richard Strauss Maud Allan Alla Nazimova Ken Russell Suri Krishnamma Robert Altman Tom Robbins and Nick Cave among others
