Salomé, Her Life and Work Angela Livingstone, 1984 Born in 1861 in Russia Lou Andreas Salome is best known for the famous company she kept But as this book reveals her relationships with Nietzsche Rilke and Freud were complex and she had profound influences on each of them This biography brings us up close to her writing as well as to her life and meeting with Tolstoy Wagner and other remarkable men It explores in depth her relationship with Nietzsche who saw in her a natural heir to his philosophy Only since knowing her I was ripe for my Zarathustra he wrote Salome's marriage was to last for 45 years yet never be consummated She had her first love affair at age 36 with a twenty one year old Rilke He wrote through the relentless force of your words my work become consecrated At fifty Salome met Freud and studied under him for two years Freud had a special admiration for Lou Andreas Salome wrote Ernest Jones She spent the rest of her life as a psychoanalyst her friendship with Freud was to last until her death in 1937 **Women in the Works of Lou**

Andreas-Salomé Muriel Cormican, 2009 Comprehensive view of Andreas Salome's fictional works focusing on her depictions of women and questions of narrative and identity The writer and intellectual Lou Andreas Salome 1861-1937 fascinates scholars of German literature because of her associations with Nietzsche Rilke and Freud and because she was active in the cultural and intellectual vanguard of late 19th and early 20th century Germany and Austria Recent editions of her fictional works have garnered wider attention from scholars of literature and theory particularly those interested in women's studies identity politics and narrative theory This study analyzes how Andreas Salome depicted women in her fictional works just as feminism was emerging revealing a complex engagement with questions of narrative and identity More than mere thematic explorations of women's changing roles in society her works investigate the concept of identity and its relationship to gender sexuality and narrative representation She is as concerned with a cultural crisis of femininity and masculinity as with the identity crises of her individual women characters This book offers the best account of Andreas Salome's literary works de-emphasizing biographical and psychoanalytical perspectives but taking into account the sociopolitical historical and cultural contexts in which they were written It also adds to contemporary theoretical discourses on gender feminism and identity Muriel Cormican is Professor of German at the University of West Georgia Carrollton Georgia [An Encyclopedia of](#)
