diseases whether or not it is dangerous to pick up hustlers why hustlers hustle the differences between street hustlers models or escorts and masseurs legal issues associated with hustling regular sessions with hustlers as an emotional and libidinal sedative It is the contention of the author that hustlers are an under used resource in the gay community especially valuable to those with a vigorous sex appetite but no steady partner This opportunity is often shunned because potential clients feel guilty about hiring hustlers The author hopes that by reading this book you will come to understand that the hustler experience meeting with hustlers regularly can be mutually exciting and satisfying for both parties *Indiana Beverage Journal*, 2007
