tension and interest resides in the precise rendering of bizarre elements and incongruous arrangements As Dal himself explained he painted with the most imperialist fury of precision but only to systematize confusion and thus to help discredit completely the world of reality Revolutionizing the role of the artist the mustache twirling Dal also had the intuition to parade a controversial persona in the public arena and through printmaking fashion advertising writing and film to create work that could be consumed and not just contemplated on a gallery wall This book explores both the painting and the personality of Dal introducing his technical skill as well as his provocative compositions and challenging themes of death decay and eroticism Amazon [Salvador Dali Paintings, Brief Biography, and Links](#) , The Spanish painter Salvador Felipe Jacinto Dali 1904 1989 was a representative of the Surrealist movement in art Dali produced paintings sculptures graphics and designs Throughout his life he cultivated eccentricity and exhibitionism A biographical sketch of Dali and images of selected paintings by him are available
