Shakespeare's Landlord:

Shakespeare's Landlord Charlaine Harris, 2023-01-10 From Charlaine Harris the 1 New York Times and USA TODAY bestselling author behind HBO's hit series *True Blood* and NBC's *Midnight Texas* the first in a series of mysteries that hits as hard as its heroine Lily Bard has no illusions about her little town being safe or peaceful or full of goodness Shakespeare Arkansas was nothing but a name on a map when she moved here But Lily has kept her head down in Shakespeare for four years cleaned houses blocked unwelcome memories and honed her body into a weapon with goju karate It's as long as she's lasted anywhere since the nightmare that changed her life and she's willing to dust around the skeletons in her neighbors' closets provided they mind their business about her past too But when a dead body is dumped practically in her front yard she can't look away and leave it to innocents to find And as the investigation creeps closer to Lily her clients and the secrets they all keep she knows her hard fought peace is in danger She's living in close quarters with a murderer The police are sniffing around her history And once again all eyes are on Lily Bard She could leave town and give up on the home she's begun to make Or she could stay and root out the killer herself

Shakespeare's Landlord Charlaine Harris, 1996 A new series set in Shakespeare Arkansas featuring a heroine who runs a cleaning business One night in a garbage bag she discovers the body of her landlord which makes her a suspect Now she must clear her name A study in smalltown inhabitants

Shakespeare's Counselor Charlaine Harris, 2001-11-06 Cleaning woman and karate expert Lily Bard is a woman with a complicated past Trying her best to cope with her terrifying memories and horrible nightmares she decides to join a weekly group therapy session in her hometown of Shakespeare Arkansas At first Lily can hardly believe the number of her fellow Shakespeareans that share her life experiences As it turns out the group members' feelings aren't the only things that need sorting out they assemble for a session and find a woman dead killed in bone chilling fashion and deliberately left on display to send a twisted message Who would commit such horrendous crime and who is the intended recipient of the message Before long Lily becomes embroiled in this disturbing murder and its aftermath one in which the brutal killer's motives are entirely unclear The truth is the situation has dredged up more than a few of her own terrible secrets and she may not be able to rest until she can untangle the who and why of this terrible crime But can she accomplish this before the killer strikes again and before her nightmares send her over the edge *Shakespeare's Counselor* is the most complex and absorbing installment yet in Charlaine Harris's engaging original and more than slightly dark mystery series

Shakespeare's Comedies, Histories, Tragedies and Poems William Shakespeare, 1858 **Shakespeare's French Connection** Margrethe Jolly, 2024-07-18 Shakespeare most often locates his plays in Italy and England and his third most frequent setting is France Indeed nearly 70 scenes at a conservative count and perhaps as many as 100 take place in France in a variety of significant geographical locations French is also the foreign language Shakespeare uses most he is sufficiently au fait with French to use it for puns and scatological jokes He weaves in comments on French fashion ways of walking and skills in horsemanship

sword playing and dancing Not only does Shakespeare draw directly or indirectly upon French chroniclers but he also presents us with parts of French history Many French characters people his stage sometimes historical figures appear as themselves and sometimes they are alluded to And the plays demonstrate Shakespeare's reading in French literature and how that influenced him This work shows us just how widely that French presence is evident in his plays Other books and articles may focus on Shakespeare's familiarity with Italy the bible law medicine or astronomy for example This book adds to those shining another spotlight on Shakespeare's remarkable knowledge and eclectic reading confirming him yet again as a truly extraordinary Renaissance figure

Shakespeare's Haunts Near Stratford Edgar I. Fripp, 1929 William Shakespeare's Comedies, Histories, Tragedies and Poems William Shakespeare, 1858 **Who's Who in Shakespeare's England** Alan Palmer, Veronica Palmer, 1999-05 Provides more than seven hundred biographies of Shakespeare's contemporaries *The Oxford Handbook of Shakespeare* Arthur F. Kinney, 2012 Contains forty original essays

Routledge Revivals: William Shakespeare: The Anatomy of an Enigma (1990) Peter Razzell, 2016-10-04 First published in 1990 the aim of this book is to reveal the William Shakespeare whose life has been obscured by centuries of literary mythology It unravels a series of strands in order to understand the man and the major influences which shaped his life and writing The first part advances the thesis that his relationship with his father directly influenced the character of Falstaff helping to not only explain key events in his father's life but also critical events in his own biography This thesis not only illuminates the Falstaff plays but also a number of other works such as Hamlet The second part focuses on Shakespeare's own life and includes much original research particularly on the tradition that he was a poacher of deer discussing the influence this incident had on his later life and writings In addition a sociological approach has been used which illuminates a number of key areas including questioning the view his background was narrow and provincial which has often been used to dispute his authorship of plays of such cosmopolitan appeal

William Shakespeare Anthony Holden, 2016-04-07 Who was William Shakespeare How did the rude groom from Stratford grow up to be the greatest poet the world has known Not for a generation since the late Anthony Burgess's SHAKESPEARE 1970 has there been anything approaching a popular mainstream biography of the greatest and most celebrated writer Yet Shakespeare's life was as colourful varied and dramatic as his works the Warwickshire country boy who disappeared for seven years before fetching up in London as an apprentice actor whose fellow players could scarcely keep up with the plays he turned out for them who rapidly became a favourite at the court of Elizabeth I and returned to Stratford a prosperous gentleman proud to realise his father's dream of a family coat of arms before his death at 52 Anthony Holden brilliantly interleaves the poet's own words with the known facts to breathe new life into a story never before told in such absorbing detail The perfect blend of erudition and accessibility the Daily Telegraph's verdict on Holden's life of Tchaikovsky applies equally to his revealing very human portrait of Shakespeare
