Shaking A Leg Angela Carter, 2013-01-31 WITH A NEW INTRODUCTION BY RACHEL COOKE Reading *Shaking a Leg* is like spending time with the funniest wisest friend you've ever had a person whose breadth of interest ranges from food to feminism to science fiction and everything in between a person with an entirely unpredictable train of thought but whose exuberance knowledge and insight sweeps you along Bursting with ideas culturally astute and sparkingly witty this comprehensive volume of Angela Carter's journalism is the most down to earth and entertaining companion to latter twentieth century thought you'll ever need *Angela Carter: New Critical Readings* Sonya Andermahr, Lawrence Phillips, 2012-10-11 Covering her early poetry and journalism as well as her fictional writings leading international scholars explore new directions in scholarship on Angela Carter **Ludics and Laughter as Feminist Aesthetic** Jennifer Gustar, Caleb Sivyer, Sarah Gamble, 2021-01-20 Angela Carter's provocations to laughter and her enchantment with ludic narrative strategies are two key aspects of her aesthetic practice neither of which has been the focus of sustained study *Ludics and Laughter as Feminist Aesthetic* Angela Carter at Play responds to this lacuna in Carter criticism This international collection of eleven essays from acclaimed Carter scholars and emerging voices in the field of Carter studies seeks to reclaim play as a serious undertaking for feminist writing and scholarship and to foreground laughter as a potent affect While Carter's work turned to comedy in the later years from the first publication in 1966 until her last in 1992 her fiction poetry and journalism engaged in sharp social and cultural critique she habitually engaged this critique through ludic structures and wickedly funny narratives that challenged conventional norms and ways of thinking Contributors explore the diverse ways in which Carter compelled a complex and often uneasy laughter by means of a controversial aesthetic that merges a

persistently ludic sensibility with a biting intransigent wit This volume draws on theories of play surrealism feminism as well as studies of feminist humour and Carter s own journals and diaries to reveal the ways in which her work moves readers towards the unexpected This volume will be of relevance both to scholars of Carter s work and of feminist humour more generally as well it will be of interest to students and general readers of Carter s fiction journalism and poetry *Angela Carter and Surrealism* Anna Watz,2016-07-15 In 1972 Angela Carter translated Xavi re Gauthier s ground breaking feminist critique of the surrealist movement *Surr alisme et sexualit* 1971 Although the translation was never published the project at once confirmed and consolidated Carter s previous interest in surrealism representation gender and desire and aided her formulation of a new surrealist feminist aesthetic Carter s sustained engagement with surrealist aesthetics and politics as well as surrealist scholarship aptly demonstrates what is at stake for feminism at the intersection of avant garde aesthetics and the representation of women and female desire Drawing on previously unexplored archival material such as typescripts journals and letters Anna Watz s study is the first to trace the full extent to which Carter s writing was influenced by the surrealist movement and its critical heritage Watz s book is an important contribution to scholarship on Angela Carter as well as to contemporary feminist debates on surrealism and will appeal to scholars across the fields of contemporary British fiction feminism and literary and visual surrealism **Angela Carter's Futures** Sarah Gamble,Anna Watz,2025-02-20 This book explores Angela Carter s creative and critical afterlives as well as the multiple ways in which her work is amenable to being read through current critical and cultural theories Examining topics as diverse as theatrical adaptations of Carter s novels her post human politics and the inspiration of her work for contemporary writers the essays in this collection demonstrate Carter s continuing relevance into the 21st century This volume will appeal both to scholars and students of contemporary women s writing British fiction critical theory reception studies and gender studies *The arts of Angela Carter* Marie Mulvey-Roberts,2019-07-17 The arrangement of the material indicated by the chapter headings draws attention to a variety of areas not normally associated with dominant perceptions of Angela Carter These encompass food fashion art poetry music performance and translation which will be discussed in a number of historical literary and cultural contexts

The Routledge Companion to Theatre-Fiction Graham Wolfe, 2023-11-14 Novelists have long been attracted to theatre Some have pursued success on the stage but many have

sought to combine these worlds entering theatre through their fiction setting stages on their novels pages and casting actors directors and playwrights as their protagonists The Routledge Companion to Theatre Fiction has convened an international community of scholars to explore the remarkable array of novelists from many eras and parts of the world who have created fiction from the stuff of theatre asking what happens to theatre on the pages of novels and what happens to novels when they collaborate with theatre From J W Goethe to Louisa May Alcott Mikhail Bulgakov Virginia Woolf and Margaret Atwood some of history's most influential novelists have written theatre fiction and this Companion discusses many of these figures from new angles But it also spotlights writers who have received less critical attention such as Dorothy Leighton Agustín de Rojas Villandrando Ronald Firbank Syed Mustafa Siraj Li Yu and Vicente Blasco Ibáñez bringing their work into conversation with a vital field A valuable resource for students scholars and admirers of both theatre and novels The Routledge Companion to Theatre Fiction offers a wealth of new perspectives on topics of increasing critical concern including intermediality

Discourses of Ageing in Fiction and Feminism J. King, 2012-11-13 This book explores the way older women are represented in society Through close readings of novels by major 20th century novelists compared with the more dominant representations of female ageing to be found in popular culture it suggests that they offer a feminist understanding of the invisible woman sometimes lacking in feminism itself **Gender and Short Fiction** Jorge

Sacido-Romero, Laura Lojo-Rodríguez, 2018-10-09 In their new monograph Gender and Short Fiction Women's Tales in Contemporary Britain Jorge Sacido Romero and Laura M Lojo Rodríguez explain why artistically ambitious women writers continue turning to the short story a genre that has not yet attained the degree of literary prestige and social recognition the novel has had in the modern period In this timely volume the editors endorse the view that the genre still retains its potential as a vehicle for the expression of female experience alternative to and/or critical with dominant patriarchal ideology present at the very onset of the development of the modern British short story at the turn of the nineteenth century **Writing**

Gender and Genre in Medieval Literature Elaine Treharne, 2002 Medievalists demonstrate how a focus on gender can transform an approach to literary texts and genres The essays in this annual English Association volume provide useful

examples of how the conventions behind and the expectations evoked by literary modes and genres help to shape what purports to be an entirely essential and or socially constructed aspect of identity of the he she or I of the literary text Ranging across materials from Old English Biblical poetry and hagiography to the late Middle English romances and fabliaux the essays are united by a commitment to a variety of traditional scholarly methodologies But each examines afresh an important aspect of what it means to be man or woman husband son mother daughter wife devotee or love in the context of particular kinds of medieval literary texts Contributors ANNE MARIE D ARCY HUGH MAGENNIS DAVID SALTER MARY SWAN ELAINE TREHARNE GREG WALKER Heterotopia in Angela Carter's Fiction: Worlds in Collision Eliza Claudia Filimon, 2013 Angela Carter's work is a collage of discourses and genres The challenge of finding a critical framework complex and accurate enough to classify her work has remained The spectacular and the pragmatic threads of her texts framed by extreme seriousness and witty humour are unravelled with the help of a different metaphor denoting enigmatic spaces conterdiscourses borders of otherness heterotopia Five novels out of nine five short stories out of thirty five as well as Carter's two film adaptations are filtered through a term extricated from its medical and geographical roots which emphasizes the ambiguity as well as the dialogic interaction of Angela Carter's often discordant discourses that have kept her at the top of the literary canon
