Shana Alexanders Statebystate Guide To Womens Legal Rights

**Robert Balay,Vee Friesner
Carrington,Murray S. Martin**

Shana Alexanders Statebystate Guide To Womens Legal Rights:

Shana Alexander's State-by-State Guide to Women's Legal Rights Shana Alexander, 1975 Only a generation or two back women were scarcely differentiated one from the next let alone regarded as people able to think and act for themselves on their own independent of men I wanted simply to compile an orderly and logical explanation and listing of these rights so that an inquiring doubtful troubled or just curious woman in any state in the union could if she cared to look herself up This book is addressed to that side of all women which forever struggles to make order out of chaos to plan to divine and get braced for the future by the opposed but complementary acts of looking up and writing down The activity in itself seems to make one feel a bit more secure to make life a little tidier less inchoate and more comprehensible Looking up is a way of finding out without having to ask or of understanding what to ask It permits the oblique approach to problems that today s woman no longer sure of her place often exalted but just as often dizzied by her recent rapid liberation can find reassuring It encourages the still timid but newly independent mind From the author s introduction *Shana Alexander's State-by-State Guide to Women's Legal Rights* Shana Alexander, 1975 Only a generation or two back women were scarcely differentiated one from the next let alone regarded as people able to think and act for themselves on their own independent of men I wanted simply to compile an orderly and logical explanation and listing of these rights so that an inquiring doubtful troubled or just curious woman in any state in the union could if she cared to look herself up This book is addressed to that side of all women which forever struggles to make order out of chaos to plan to divine and get braced for the future by the opposed but complementary acts of looking up and writing down The activity in itself seems to make one feel a bit more secure to make life a little tidier less inchoate and more comprehensible Looking up is a way of finding out without having to ask or of understanding what to ask It permits the oblique approach to problems that today s woman no longer sure of her place often exalted but just as often dizzied by her recent rapid liberation can find reassuring It encourages the still timid but newly independent mind From the author s introduction *Resources in Women's Educational Equity* ,1979 [Resources in Women's Educational Equity: Special Issue](#) ,1979 [Women and the Law](#) Joan A. Brathwaite, 1999 **Women of Color Forum** Toni Constantino, 1979 [Law, Gender, and Injustice](#) Joan Hoff, 1994-04-01 A groundbreaking analysis of how gendered oppression is written into the American legal system *Law Gender and Injustice A Legal History of U S Woman* is a landmark study of how women remain second class citizens under the current legal system In this widely acclaimed book Joan Hoff questions whether the continued pursuit of equality based on a one size fits all vision of traditional individual rights is really what will most improve conditions for women in America Concluding that equality based on liberal male ideology is no longer an adequate framework for improving women s legal status Hoff s highly original and incisive volume calls for a demystification of legal doctrine and a reinterpretation of legal texts including the Constitution to create a feminist jurisprudence *Bibliography of Women* ,1976 *Women and Business Ownership* ,1986 **Encyclopaedia of**

Twentieth Century Journalists William H. Taft, 2015-07-16 Originally published in 1986 This book is a unique compilation of biographical sketches which covers editors publishers photographers bureau chiefs columnists commentators cartoonists and artists Alphabetical entries provide overviews of the lives and personalities of a good cross section of important people There is also a short essay on awards and prize winners Everything is efficiently indexed This is a supremely useful reference tool for those in mass media and popular culture fields

Working Women Speak United States. National Advisory Council on Women's Educational Programs, 1979 [Guide to Reference Books](#) Robert Balay, Vee Friesner Carrington, Murray S. Martin, 1996 Presents an annotated bibliography of general and subject reference books covering the humanities social and behavioral sciences history science technology and medicine

Family Systems and Inheritance Patterns Judith N. Cates, Marvin B. Sussman, 1982 Specialists in economics law psychology and sociology provide a comprehensive examination of the disposition of property following a death

DHHS Publication No. (ADM). , 1982 **Treatment Services for Drug Dependent Women** , 1981 *An American Family* Jeffrey Ruoff, 2002 Before 1973 the Loud family of Santa Barbara California lived in the privacy of their own home With the airing of the documentary *An American Family* that privacy extended to every American home with a television This book is the first to offer a close look at *An American Family* the documentary that blurred conventions stirred passions revised impressions of family life and definitions of private and public and began the breakdown of distinctions between reality and spectacle that culminated in cultural phenomena from *The Oprah Winfrey Show* to *Survivor*

Public Library Catalog , 1979 *The Legal Status of Homemakers in ...* United States. National Commission on the Observance of International Women's Year. Homemakers Committee, 1977

The Shaping of Environmentalism in America Victor B. Scheffer, 2013-01-15 Victor Scheffer writes of a social revolution Environmentalism began as a revelation that the resources supporting life are limited and that men and women can if they act wisely and soon reduce their material demands and their numbers before limits are reached and the richness of human existence is diminished forever The revelation grew into a revolution driven by a morality of life or death for the human race Environmentalism is not a word deeply rooted in the American vernacular It was seldom used before the appearance of Rachel Carson's *Silent Spring* in 1962 although warnings about the environment had been sounded earlier It has roots in conservation the preservation and careful use of natural resources and in ecology the study of the relationships between these roots It describes areas of major concern to environmentalists in the sixties and seventies ranging from wasted croplands and forests through endangered species to birth control It reports progress on three fronts educational legal and political Richly anecdotal the book is an informal history of a generation of aroused citizens who began to see their outdoor surroundings and indeed all of Planet Earth in a new light The formative years of the movement 1960 to 1980 are central to the narrative By 1980 environmentalism as a social science a field of political management a philosophy and to many a religion was firmly in place The movement met with notable setbacks during the Reagan years however and Scheffer

concludes his narrative with an epilogue highlighting environmental events from 1981 to 1989 Although veterans of the movement will find much in the book familiar territory they will welcome the broad coverage of crises decisions and laws that set the stage for environmental victories As a new generation joins the environmental movement the book will help them understand the moral impetus that gave birth to environmentalism and the public awareness and concern for change that grew with the movement *Kiplinger's Personal Finance* ,1975-12 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics
