New York Times Book Review. A bridesmaid and groomsman put their differences aside to get their best friends down the aisle in this opposites attract steamy romantic comedy from the author of Love Lies and Cherry Pie. They say to never meet your heroes but when Vivian Liao's roommate gets engaged to her favorite actor's costar, she has no choice but to come face to face with Melvin Lee again. He's just as funny and handsome as he is on screen but he thinks she's an ice queen and a corporate sellout. It's none of his business how she chooses to live her life no matter how charismatic he is. Mel is used to charming audiences as an actor and stand up comedian but he can't seem to thaw Vivian's defenses. If she can ignore the simmering attraction below the surface so can he. The only thing uniting them is their goal for their friends wedding to go off without a hitch. As they collaborate on wedding cake and karaoke parties Mel realizes he might have seriously misjudged this bridesmaid while Vivian discovers the best man might just be as dazzling off screen as he is on. With the wedding underway maybe more than one happily ever after is in the future. **Billboard**, 2003-03-01 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform.
