Through the miracle of birth parents are given a tiny defenseless babe totally dependent on them for every physical need. They have a mere eighteen years at most to ready that suckling for a world that can be cruel and heartless. That child's success in the real world hinges in large part on the parents. Just thinking about raising responsible well rounded kids sends a sobering shiver of responsibility right up the old parental spine. But all is not so bleak. There's hope shining bright at the end of the tunnel of parental frustration. Parenting doesn't have to be drudgery. Children can grow to be thinking responsible adults. This booklet excerpted and adapted from the best selling *Parenting with Love and Logic* was designed to help parents and kids establish a rewarding relationship built on love and trust. What a deal. By parenting with Love and Logic mothers and fathers can do away with the power struggles and put the fun back into parenting.

What Kids Really Want: Debunking Myths About Rewards, Punishments, and Bribery Silas Mary, 2025-02-03. *What Kids Really Want* challenges common misconceptions about parenting techniques like rewards, punishments, and bribery. This book explores what truly motivates children and provides insight into how to foster positive behavior, emotional intelligence, and personal growth. Learn how to replace punitive measures with strategies that encourage intrinsic motivation, self-regulation, and respect. With research-backed advice and real-life examples, *What Kids Really Want* helps parents break free from traditional parenting myths and adopt a more effective and compassionate approach to raising well-adjusted, motivated children.

Resilience After Failure: Helping Kids Process Mistakes, Disappointments, and Rejections Silas Mary, 2025-01-30. Failure is an inevitable part of life, but how children respond to setbacks can shape their future success. *Resilience After Failure* teaches parents how to help their kids process mistakes, disappointments, and rejections in a healthy and constructive way. This book provides tools to foster resilience, teaching your child how to learn from failures, bounce back, and keep moving forward with confidence. You'll learn how to create an environment where setbacks are viewed as opportunities for growth rather than as reasons to quit. In addition to providing emotional support strategies, *Resilience After Failure* helps parents build their child's self-esteem and coping skills. This book offers practical exercises and real-life examples to show parents how to encourage perseverance and critical thinking when things don't go as planned. By helping your child process failure in a positive way, you're empowering them to handle future challenges with resilience and optimism.

Educational Psychology: Constructing Learning Dennis M McInerney, 2013-08-15. *Educational Psychology: Constructing Learning* 6e sets the standard for educational psychology texts in Australia and New Zealand with its comprehensive, authoritative, and research-based coverage of the subject. This edition includes completely updated content to reflect recent advances in the discipline, including revised theory into practice features from 39 international developmental psychologists. The author has retained

the constructivist approach that made previous editions so engaging and relevant to student teachers and content has been constructed around the new Australian Profession Standards for Teachers
