Shaping The Future Of Feminist Psychology Education Research And Practice:

Shaping the Future of Feminist Psychology Judith Worell, Norine G. Johnson, 2009 Shaping the Future of Feminist Psychology explores how widely held feminist tenets such as empowerment diversity and the value of all voices can be integrated across the field of psychology Each chapter presents a set of principles to guide future development in various areas of psychology and explores practices that embody these principles The volume will be of interest to psychologists who wish to incorporate feminist principles into their work and to educators who wish to institute gender sensitive curriculum within undergraduate graduate and postdoctoral training PsycINFO Database Record c 2004 APA all rights reserved

Innovations in Feminist Psychological Research Ellen B. Kimmel, 1999 What are the best ways to do research on the psychology of women and gender Within feminist psychology there is a great deal of methodological creativity and diversity This volume highlights how familiar methods such as focus groups can be brought to bear on feminist issues It demonstrates less common methods such as Q sort phenomenological analysis concept mapping and discourse analysis Moreover it explores the role of personal values interpersonal dynamics and sociopolitical influences on the research process Over 60 international contributors share insights into adolescent girls and adult women s sexuality violence and its prevention life patterns and narratives the teaching research nexus gender and race in clinical practice and more Included is a comprehensive resource guide for research publication and teaching on methodological diversity [Handbook of Diversity in Feminist Psychology](#) Hope Landrine, Nancy Felipe Russo, 2009-12-17 With the publication of the Handbook of Diversity in Feminist Psychology the field of feminist psychology has achieved a new depth the volume is a sophisticated and cutting edge compendium that not only describes the state of the field but also pushes its boundaries in important ways Sex Roles A Journal of Research Critical for all those who are in the field of psychology to own refer to and use No longer are diversity and gender issues considered to be on the periphery as they once were one would be remiss in not considering these factors in psychology Florence L Denmark PhD From the Foreword Author Psychology of Women FINALLY A collection of work that is built on decades if not centuries of hard work from many feminists of color and our allies This is one of the few books that delves deeply into the complex world of considering the human condition in cultural context something psychology is only relatively recently trying to do This book is a must have for anyone interested in feminism OR diversity issues It is a great example of feminist multiculturalism and both fields i e feminism and multicultural psychology should consider it an example of how to merge theoretical orientations in a way that is fitting for real people I LOVE this book Geneva Reynaga Abiko Psy D This handbook presents a multicultural approach to diversity in feminist psychology Provocative and timely the text comprehensively discusses the cutting edge of feminist discourse covering major topics such as multicultural feminist theory gender discrimination aging health and therapy violence and harassment politics and policy and much more The unique quality of this book is that each contributor brings her own cultural perspective values and concerns to her chapter Special

emphasis is also given to the intersectionality of minority identities such as race ethnicity social class sexual preference and other socially constructed status differences among women Key Topics Discussed Intimate partner violence perspectives from ethnic groups in the United States Gender transgressive sexual minorities HIV AIDS among women of color and sexual minority women Psychological perspectives on older women including transitions cognitive functioning and mental health Ethnicity disordered eating and body image Methodological and statistical issues in research with diverse samples Low income women women with disabilities workers and immigrants refugees *The Oxford Handbook of Feminist Counseling Psychology* Carolyn Zerbe Enns, Elizabeth Nutt Williams, 2013 This handbook summarizes the progress current status and future directions relevant to feminist multicultural perspectives in counseling psychology It emphasizes enduring topics within counseling psychology such as human growth and development ethics ecological frameworks and counseling theory and practice Intersectionality social justice and the diverse social identities of women and girls are featured prominently
