Speak Your Faith Ashish Raichur, 2021-03-26 Throughout Scripture God instructs His people to speak His Word His Word spoken as words out of our mouths with faith in our hearts cause His creative miracle working power to be released in our natural realm His Word spoken as words out of our mouths become our weapon against the enemy We can shape our world through speaking God's Word over our present and our future We must learn to speak faith filled words at all times in all situations To speak in faith is not to deny the existence of a mountain or the fierceness of a prevailing storm Rather faith speaks to the mountain denying its right to continue standing in the way Faith speaks to the winds and the storms depriving it of its right to wreck havoc and instead give way to the peace and calm that God releases Faith speaks to sickness commanding it to leave and give way to healing and wholeness that comes from God This book will establish you in this Biblical truth and inspire you to speak your faith at all times Watch our online Sunday Church service live stream every Sunday at 10 30am Indian Time GMT 5 30 Spirit filled anointed worship Word and ministry for healing miracles and deliverance YOUTUBE <https://youtube.com/allpeopleschurchbangalore> WEBSITE <https://apcwo.org/live> Our other websites and free resources CHURCH <https://apcwo.org> FREE SERMONS <https://apcwo.org/sermons> FREE BOOKS <https://apcwo.org/books> DAILY DEVOTIONALS <https://apcwo.org/resources/daily-devotional> JESUS CHRIST <https://examiningjesus.com> BIBLE COLLEGE <https://apcbiblecollege.org> E LEARNING <https://apcbiblecollege.org/elearn> COUNSELING <https://chrysalislife.org> MUSIC <https://apcmusic.org> MINISTERS FELLOWSHIP <https://pamfi.org> CHURCH APP <https://apcwo.org/app> CHURCHES <https://apcwo.org/ministries/churches> This book may be freely used by individuals small groups churches and ministries for non commercial purposes These are not to be sold and must be distributed freely **The Seven Stories that Shape Your Life**

ReCreatable Kevin Scott,2014-01-24 ReCreatable begins with the story of a glass baking dish the delectable aroma of tantalizing brownies and an unseen defect that turns the promise of something delicious into a minor disaster leaving glass fragments and brownies irretrievably intermingled Both the dish and brownies are irrevocably lost The implications for us are inescapable created by God to reflect his glory and for his pleasure we have been broken by sin to the point that we are completely useless to accomplish the purpose for which we were made But unlike the shattered brownie dish that gets discarded as worthless God takes the shards of our lives and does the miraculous He does not simply fit us back together He takes those splinters of our destruction and uses them to re create us complete restored redeemed and fitted to do and be all that he ever intended for us ReCreatable leads us progressively through the impact of the creative genius of God in our lives It points us to the reality of restored relationships the resurrection of our role as true reflectors of God s glory and the revolutionary life that can be ours when we learn to be true disciples re created to live well for God

Awakening our Faith in the Future Peter T. Dunlap,2015-12-22 What transformation would happen if we could combine the best of liberal politics with psychology Awakening our Faith in the Future investigates the avenues for creating a new branch of psychology a transformative political psychology In the past political psychology has focused directly on analysis and knowledge acquisition rather than on interventions that transform self and culture A transformative political psychology combines the best of traditional social science with the transformative intent of clinical psychology in order to create a new political culture Peter T Dunlap suggests that while liberals focus intently outside of themselves on changing the world those with psychological interests focus much more internally on changing themselves In this book he argues that by combining political liberalism and psychology and encouraging psychologists to develop cultural learning practices based on ideas of self knowledge there is opportunity to transform our political culture Divided into five parts this book explores stories of political destiny questions of development opportunities for political development a speculative theory of cultural evolution practices of a political psychologist This scholarly text uses personal experiences and the stories of progressive political leaders as pathways for addressing political problems making it ideal reading for

professionals and students in the fields of both politics and psychology as well as for activists interested in the future of liberalism
