"Love Above All Else" Paul Swartz, 2009-06-16 This book tells a story about an African American high school basketball player Jerry Smith has an outstanding freshman year Coached by a white coach who idolizes Jerry until the coach discovers his daughter is pregnant by Jerry Coach becomes a different person toward Jerry and his daughter Jerry signs a huge contract with a NBA team and becomes an instant star While back home coach becomes very ill with a life threatening condition that requires an implant A donor is hard to find because of a rare blood type Who becomes the donor *Above All, Love* Elizabeth Gillette, 2023-09-01 As followers of Christ each of us is called to participate in pro life activities whether in an active ministry group or individually We are called to respect protect love and serve every human life Above All Love will set you on an in depth personal journey helping you to cultivate your own pro life attitude and activities through relatable stories Scripture verses and thought provoking questions The book culminates with an examination of conscience and prayers focused on pro life ministry Written by a post abortive mother who has been active for more than a decade in pro life ministry Above All Love offers a first step in healing the fractures that have plagued this ministry helping all of us to look inward and strive for sanctification Author and speaker Elizabeth Gillette describes how she felt as a mother facing a crisis pregnancy and how no one stood in the gap for her Her personal testimony she shares and the lessons she has learned will equip all of us to take responsibility for our own pro life activities and defend life with intention **Herald and Presbyter**, 1906

Women to Women Norvella Carter, 1996 An insightful collection of essays for black women written by black women scholars on today s issues Titles include Bridging the Gap From the Older to the Younger Woman When Your Mate Is Absent Handling Your Emotions Robbing Peter to Pay Paul Breaking the Debt Cycle and more **Love and Friendship** Eduardo A. Velásquez, 2003-01-01 Love and Friendship gathers the reflections of some of today s most preeminent political scientists philosophers historians and students of literature and religion in an investigation of the most influential accounts of love and friendship in Western history The collection begins with a discussion of classical philosophers such as Plato and Aristotle moves through a wide array of modern philosophers among them Montaigne Hobbes Locke and Rousseau and concludes with contemporary postmodern accounts of love and friendship Taken together the essays provide an unprecedented exploration of the most compelling and sovereign human affections and associations Eduardo Velásquez s marvelous ambitious project succeeds as each thoughtful and engaging piece proves the depth of the intimate relationship between psychology and political life *On Love and Charity* Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas s first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings

Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas's more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas's moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas's first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas's thinking on these matters The new availability of so many rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information click [here](#) ABOUT THE TRANSLATORS Peter A Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of *Wisdom's Apprentice Thomistic Essays in Honor of Lawrence Dewan O P* Thomas Bolin O S B is a monk at the Monastero di San Benedetto in Norcia Italy Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Gaming Austria and adjunct instructor of Latin for the Austrian Program of the Franciscan University of Steubenville PRAISE FOR THE BOOK T he present volume contains by far the most extensive English translation from the Scriptum to date The translators of *On Love and Charity* have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth B Toth *Ephemerides Theologicae Lovanienses* **An American Book of Romantic Love**
