Shared Experience The Psychoanalytic Dialogue:

Shared Experience Luciana Nissim Momigliano, Andreina Robutti, 1992 This book presents a way to formulate from several points of view Psychoanalysis as an encounter between two persons and highlights the aspects of symmetry and affective exchange of this encounter where analysis is seen as a relationship between two minds In this shared experience the study of the mind of the Analyst and of his method of work grows in importance as the source of benefits and misdirections which can be exchanged in the encounter with the patient In this context the patient has an active role as an attentive and sensitive observer of the Analyst signaling errors and showing the road to be taken This change in the concept of psychoanalysis has evolved through many years from the Analyst acting to open the patient within himself while at the same time struggling against his own resistance to change to a vision of a Couple at Work Psychoanalysis is now a shared experience in which the listening and creating of internal space to the other within the self is the instrument and the journey

Shared Experience Luciana Nissim Momigliano, Andreina Robutti, 1992 This book presents a way to formulate from several points of view Psychoanalysis as an encounter between two persons and highlights the aspects of symmetry and affective exchange of this encounter where analysis is seen as a relationship between two minds In this shared experience the study of the mind of the Analyst and of his method of work grows in importance as the source of benefits and misdirections which can be exchanged in the encounter with the patient

Reading Italian Psychoanalysis Franco Borgogno, Alberto Luchetti, Luisa Marino Coe, 2016-02-22 Winner of the American Board Academy of Psychoanalysis Prize for best Edited book published in 2016 Psychoanalysis in Italy is a particularly diverse and vibrant profession embracing a number of influences and schools of thought connecting together new thinking and producing theorists and clinicians of global renown Reading Italian Psychoanalysis provides a comprehensive guide to the most important Italian psychoanalytic thinking of recent years including work by major names such as Weiss E Gaddini Matte Blanco Nissim Momigliano Canestri Amati Mehler and Ferro It covers the most important theoretical developments and clinical advances with special emphasis on contemporary topics such as transference trauma and primitive states of mind where Italian work has been particularly influential In this volume Franco Borgogno Alberto Luchetti and Luisa Marino Coe of the Italian Psychoanalytical Society provide an overview of how Italian psychoanalysis has developed from the 1920 s to the present day tracing its early influences and highlighting contemporary developments Forty six seminal and representative papers of psychoanalysts belonging to the two Italian psychoanalytical societies the Italian Psychoanalytical Society and the Italian Association of Psychoanalysis have been chosen to illuminate what is special about Italian theoretical and clinical thinking and what is demonstrative of the specificity of its psychoanalytic discourse The selected papers are preceded by a first introductory section about the history of psychoanalysis in Italy and followed by a swift glance at Italian psychoanalysis from abroad They are grouped into sections which represent the areas particularly explored by Italian psychoanalysis Each section is

accompanied by introductory comments which summarize the main ideas and concepts and also their historical and cultural background so as to offer to the reader either an orientation and stimulus for the debate and to indicate their connections to other papers included in the present volume and to the international psychoanalytic world The book is divided into six parts including History of psychoanalysis in Italy Metapsychology Clinical practice theory of technique therapeutic factors The person of the analyst countertransference and the analytic relationship field Trauma psychic pain mourning and working through Preverbal precocious fusional primitive states of the mind This volume offers an excellent and detailed fresco of Italian psychoanalytic debate shining a light on thinking that has evolved differently in France England North and Latin America It is an ideal book for beginners and advanced students of clinical theory as well as experienced psychoanalysts wanting to know more about Italian psychoanalytic theory and technique and how they have developed

Psychoanalytic Practice Today Antonino Ferro, 2019-06-21 Psychoanalytic Practice Today offers the reader a good understanding of the school of thought inspired by the late work of Wilfred R Bion The contributors share a belief in the curative power of the analytic encounter and in the capacity of the human mind to develop from the encounter with a mind capable of reverie dreaming and thinking The multitude of vignettes presented emphasise the necessity of the emotional involvement of the analyst with his or her patients for improvement to take place The book is divided in two parts Psychopathology and Emotions and Feelings The first part adapts a more classic description of psychiatric disorders by diagnostic criteria from neuroses to psychoses and including depression and borderline states The second part of the book takes a closer look at specific clinical manifestations of basic emotions such as anger surprise sadness and more complex ones such as jealousy abandonment and betrayal The common thread is represented by the central place of dreaming in the psychoanalytic field as a tool to understand these clinical manifestations and to allow for their psychic representation as an emotional experience The contributions together offer a varied introduction to current ideas that are growing increasingly interesting to English speaking readers with a sufficient character of originality irreverence and creativity that bears witness to the maturity of Italian psychoanalysis Psychoanalytic Practice Today will offer new ideas to the practicing psychoanalyst and psychodynamic psychotherapist

In the Analyst's Consulting Room Antonino Ferro, 2013-12-16 In The Bi Personal Field Experiences in Child Analysis Antonino Ferro devised a new model of the relationship between patient and analyst In the Analyst's Consulting Room complements and develops this model by concentrating on adults From the standpoint of the analytic field Antonino Ferro explores basic psychoanalytic concepts such as criteria for analysability and ending the analysis transformations that occur during the session the impasse and negative therapeutic reactions sexuality and setting The author explores certain themes in greater depth including ways in which characters that appear during sessions can be interpreted continual indications given by the patient during the emotional upheavals of the field the function of narrator which the analyst takes on to mark the boundaries of the possible worlds Through clinical narrative Ferro renders Bion's

often complex ideas in a very personal and accessible way making this book invaluable for psychoanalysts psychotherapists psychiatrists and psychologists

Bion's Legacy Harry Karnac, 2019-06-24 This book forms a comprehensive bibliography of the works of W R Bion and the other works that made some bearing of his life and thought It discusses Bion's contribution to various disciplines beyond the psychoanalytic and psychotherapeutic

The Bi-Personal Field Antonino Ferro, 2003-09-02 In *The Bi-Personal Field* Antonino Ferro sets out his new conceptual system for analysis considering not only the inner world of the patient but the continued interaction of that world with the inner world of the analyst The book takes a fresh look at the main aspects of theory and technique in psychoanalysis in the light of Kleinian developments It reflects the drastic changes due to the thinking of Bion Illustrated with numerous detailed clinical examples the author claims that the basic focus of the analytic relationship is the conscious and unconscious interpersonal intersubjective processes going on between the analyst and patient

Psychoanalysis and Dreams Antonino Ferro, 2019-02-07 *Psychoanalysis and Dreams* explores some of the cornerstones of Antonino Ferro's theoretical model but also attempts to extend the dreamlike boundaries of the model Based on Bion's theory of alpha function and the analytic field Ferro has developed his own original theorization of transformations in dreams and of work in the analytic session as a waking dream Clearly highlighted in the book is Ferro's theory that transformation in dreams is the activity which is constantly carried out in the mind of the analyst who nullifies the reality status of the patient's communication and considers the patient's narrative as a dream which must be constructed in real time in the encounter between the two minds at work At the centre of Ferro's theoretical proposal stands the transition from a psychoanalysis of contents to a psychoanalysis which develops the apparatus for thinking based on the conception of an unconscious in a perennial state of construction and transformation which must be dreamed and which continuously expands as it is dreamed *Psychoanalysis and Dreams* is written for practicing and training psychoanalysts psychotherapists and psychiatrists and will be helpful in everyday psychoanalytic and psychotherapeutic work

Contemporary Bionian Theory and Technique in Psychoanalysis Antonino Ferro, 2017-09-20 Psychoanalytic theory has developed very rapidly in recent years across many schools of thought One of the most popular builds on the work of Wilfred Bion *Contemporary Bionian Theory and Technique in Psychoanalysis* provides a concise and comprehensive introductory overview of the latest thinking in this area with additional contemporary theoretical influences from Freud Klein and Winnicottian thought Through explorations of the history theory and clinical practice of psychoanalysis Ferro and contributors reveal the changes and developments it has undergone in the research laboratory of the consulting room *Contemporary Bionian Theory and Technique in Psychoanalysis* brings together the theories clinical practice and techniques that have gradually been developed in a variety of cultural contexts exploring how they are understood clarified and enriched by various analysts in daily practice The book is circular opening many paths of access to the reader It aims to revive an experience of creative dialogue exactly as occurs in analysis when two minds think and dream together to transform each other reciprocally The book sets forth for

instance a new model of the mind called the oneiric model taking inspiration from Bion's conceptualizations and field theory. Covering central psychoanalytic concepts such as transference, dreams and child analysis, this book provides an excellent introduction to the most important contemporary features of Bionian theory and practice. *Contemporary Bionian Theory and Technique in Psychoanalysis* will appeal to psychoanalysts and psychotherapists in training and practice as well as students of psychiatry and psychology.

Psychoanalysis as Therapy and Storytelling Antonino Ferro, 2012-07-26 Is psychoanalysis a type of literature? Can telling stories help us to get at the truth? *Psychoanalysis as Therapy and Storytelling* examines psychoanalysis from two perspectives: as a cure for psychic suffering and as a series of stories told between patient and analyst. Antonino Ferro uses numerous clinical examples to investigate how narration and interpretation are interconnected in the analytic session. He draws on and develops Bion's theories to present a novel perspective on subjects such as psychoanalysis as a particular form of literature, sexuality as a narrative genre or dialect in the analyst's consulting room, delusion and hallucination, acting out, the countertransference and the transgenerational field, play, characters, narrations and interpretations. Psychoanalytic clinicians and theoreticians alike will find the innovative approach to the analytic session described here of great interest. Winner of the 2007 Sigourney Award.

Advances in Contemporary Psychoanalytic Field Theory S. Montana Katz, Roosevelt Cassorla, Giuseppe Civitarese, 2016-10-04 Field Theory is a powerful and growing paradigm within psychoanalysis but has previously been split between various schools of thought with little overlap. In this book, a distinguished group of contributors from across all perspectives on Field Theory examine its uniting factors and set out future developments and directions for the paradigm within psychoanalysis. *Advances in Contemporary Psychoanalytic Field Theory* represents the work developed for the first international meeting of the International Field Theory Association, founded in 2015 to offer a community for those interested in psychoanalytic field theory and promote its understanding and further development. IFTA recognizes all models of psychoanalytic field theory and seeks to foster communication amongst psychoanalysts working in different models, languages and parts of the world. At the first ever meeting of IFTA, an international group of psychoanalysts participated in a roundtable discussion of the different contemporary models of psychoanalytic field theory. Each participant wrote a paper in advance of the meeting which were all shared among the group beforehand and then discussed together. These feature as the chapters in this volume, whilst a thirteenth member offers a unifying overview of all the papers. Each chapter provides new contemporary ways of approaching field theory. Key excerpts from the discussion of the meeting are also featured throughout to give a flavour of the collaborative efforts of the participants. The emphasis of this book is on generating mutual understanding of the different models of field theory, their underlying concepts and heuristic principles. Drawing on insights from literature, critical theory and philosophy as well as psychoanalysis, this book sets out a program for the future of Field Theory. *Advances in Contemporary Psychoanalytic Field Theory* will appeal to psychoanalysts and mental health care practitioners as well as academicians in philosophy, psychology

and literature The Analytic Field and its Transformations Giuseppe Civitarese, Antonino Ferro, 2018-05-08 The Analytic Field and its Transformations presents a collection of articles written jointly by the authors in recent years all revolving around the post Bionian model of the analytic field Bionian Field Theory BFT Going hand in hand with the ever growing interest in Bion in general analytic field theory is emerging as a new paradigm in psychoanalysis Bion mounted a systematic deconstruction of the principles of classical psychoanalysis His aim however was not to destroy it but rather to bring out its untapped potential and to develop ideas that have remained on its margins BFT is a field of inquiry that refuses a priori at least from its own specific perspective to immobilize the facts of the analysis within a rigid historical or intrapsychic framework Its intention is rather to bring out the historicity of the present the way in which the relationship is formed instant by instant from a subtle interplay of identity and differentiation proximity and distance embracing both Bion's rigorous and his radical spirit **The Limits of Interpretation** Giuseppe Civitarese, 2025-06-30 The Limits of Interpretation opens a window onto unexplored dimensions of Wilfred Bion's thought presenting essays that illuminate both familiar and lesser known facets of his work It guides readers through complex notions such as visible invisible hallucinations bizarre objects and a radical reframing of the Oedipus complex shifted from incest and parricide to arrogance and the desire for knowledge Taking various of Bion's key works in turn Civitarese explores what is unique about Bion's thinking on essential topics such as projective identification infantile development and intuition to shed light on the continued importance of Bion's early work in particular for contemporary psychoanalysis By focusing on Bion's Kleinian phase essays this volume highlights their pivotal role in comprehending his entire theoretical landscape and how far they extend beyond traditional Freudian and Kleinian frameworks It even poses the question was Bion ever truly a Kleinian Offering a close reading and clear interpretation of Bion's sometimes dense writing this is essential reading for any psychoanalysts or psychotherapists wanting to understand Bion's work better *The Intimate Room* Giuseppe Civitarese, 2020-03-24 The Intimate Room provides an original exploration of psychoanalytic thought showing how contemporary psychoanalysis seeks to answer the challenges raised by today's post modern culture Offering a deeply personal and insightful reading of Bion this book acts as a stimulating guide to the development of the theory of the analytic field and both its technical and clinical implications As such topics of discussion include the concept of the internal setting the rhetoric of interpretation the subversive notion of Nachträglichkeit the role played by characters in analytic discourse the bi personal field as virtual reality new concepts of transference Allowing the reader to engage with the inner space of analysis The Intimate Room will be of interest to psychoanalysts psychotherapists and all those with an interest in the field of psychoanalysis It will also be a useful tool in psychoanalytic and psychotherapeutic work on a day to day basis *Underlying Assumptions in Psychoanalytic Schools* Bernd Huppertz, 2023-04-05 This book offers a comparative study of the major schools of psychoanalysis by exploring their historical development their differences and similarities and the underlying assumptions made by each Encompassing the

expertise of colleagues from different schools of psychoanalytic thought each chapter explores a particular perspective defining specific theoretical assumptions theories of etiology and implications for technique as well as providing each author's view on the historical development of key psychoanalytic concepts With contributions from leading authors in the field and covering both historical and international schools the book provides an enlightening account that will prove essential to psychoanalytic practitioners and students of psychoanalysis and the history of medicine

The Violence of Emotions Giuseppe Civitarese, 2012-11-12 In *The Violence of Emotions* the author marries an ability to introduce the reader to the intimate climate of an analytic session with a passionate rereading of Bion To emphasize both the empirical nature of psychoanalysis and its extraordinary capacity to engender illuminating hypotheses concerning the functioning of the mind clinical examples alternate with theoretical argument The psychoanalytic model espoused by Giuseppe Civitarese in his approach to both is analytic field theory Developed by various authors including Ferro commencing with Bion and continued with contributions from the Barangers Grotstein and Ogden the theory of the analytic field reveals the social nature of subjectivity and in clinical work the intersubjective and dreamlike climate in which a psychoanalytic session unfolds This leads to a new way of interpreting the facts of analysis As such topics of discussion include transcending the caesura as Bion's theoretical method hypochondria as de subjectivation and narrative genre in analysis the aesthetic conflict and alpha function Bion's search for ambiguity the casting of characters in the analytic dialogue metaphor of text and translation in Freud and Bion Yet the book has an even more specific objective focusing attention as it does on the central importance of emotions in mental life and of aesthetic experience as the model of what truly happens in analysis This is an aspect which the author rediscovers and explores in the thought of Bion and his successors and which he regards as a way of investigating the deepest and most primitive levels of mental life This book will be of great interest to psychiatrists psychoanalysts and psychotherapists

Truth, Reality and the Psychoanalyst Silvia Flechner, 2018-10-08 Psychoanalysis has long thrived in Latin America Like the rest of the psychoanalytic world our Latin American colleagues are diverse in their thinking but there is nevertheless a distinct cultural voice with which they speak Unfortunately language barriers have interfered with the communication of this unique and highly sophisticated way of thinking to colleagues around the world This stimulating new volume goes a long way to fill this void by presenting a collection of essays that present Latin American psychoanalysis at its best An added treat is the cross cultural dialogue provided by commentators for each chapter from other psychoanalytic cultures I highly recommend this exciting new contribution to both candidates and experienced analysts

Clinical Supervision of Psychoanalytic Psychotherapy Jill Savege Scharff, 2018-03-26 In *Clinical Supervision of Psychoanalytic Psychotherapy* psychotherapy supervisors from the fields of psychology psychiatry social work and dance movement therapy deal with the ambiguity and complexity of the supervisory role They attend to the need to establish open respectful verbal and non verbal communication a trusting relationship a shared language and a commitment to examining unconscious

conflict in the supervisory encounter as well as the patient therapist dynamics The contributors show how the supervisor makes room for the supervisee to express her anxieties without becoming her therapist thereby providing a model for empathic listening but within appropriate boundaries They also describe the many ways in which the therapist's issues reflect or are triggered by those of the patient are further reflected in the dynamics of the supervisory pair and in the institution where supervisee and supervisor work

The Girl who Committed Hara-Kiri and Other Clinical and Historical Essays Franco Borgogno, 2018-03-08 This book bears witness to the author's psychoanalytic journey from the years 1994 1995 to the present and as such is a completion and a continuation of his previous *Psychoanalysis as a Journey* of 1999 The book is divided into two parts one clinical and the other theoretical The two parts are connected to each other since the concepts and authors on whom the second theoretical clinical part are focused make up the tools of the trade that the author utilizes in the first part to describe his work with patients In particular the author describes his work with M who is the protagonist of many of these pages The first clinical part contains the text more or less unmodified of the analytic paper that the author presented fifteen years ago in order to be appointed a training and supervising analyst

Metaphor and Fields S. Montana Katz, 2013-01-03 *Metaphor and Fields* is an explanation and demonstration of the value of metaphoric processes and fields in psychoanalysis In this book Montana Katz articulates a future direction for psychoanalysis which is progressively explored taking into account features essential to psychoanalysts of all persuasions clinically and theoretically In this way psychoanalysis is brought into the postmodern future by fashioning an umbrella for the discipline With this umbrella the barriers to mutual understanding may be dismantled and a path permanently forged to the possibility of meaningful international intercultural interdisciplinary and poly perspectival psychoanalytic exchange *Metaphor and Fields* organically merges work on metaphoric processes with work on fields The use of a framework with metaphoric processes and fields combined exhibits the uniqueness of psychoanalysis and shows how it explores and explains human experience The relational fields of the North American school of relational theory intersubjective matrices self object matrices and the ground breaking work of Madeleine and Willy Baranger are all examples of field concepts that have been successfully employed in theoretical frameworks and clinical technique They show how other schools of thought can be understood as using an implicit field concept The chapters in this book approach the subject from diverse vantage points Taken together they form an intricate web of psychoanalytic thought that moves the scope of psychoanalysis beyond dispute towards the open inclusive discussion of core concepts and technique *Metaphor and Fields* will be of interest to psychoanalysts psychiatrists mental health clinicians psychologists social workers and a wide academic audience drawn from the fields of philosophy linguistics comparative literature anthropology and sociology

Shared Experience The Psychoanalytic Dialogue Introduction

Shared Experience The Psychoanalytic Dialogue Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Shared Experience The Psychoanalytic Dialogue Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Shared Experience The Psychoanalytic Dialogue : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Shared Experience The Psychoanalytic Dialogue : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Shared Experience The Psychoanalytic Dialogue Offers a diverse range of free eBooks across various genres. Shared Experience The Psychoanalytic Dialogue Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Shared Experience The Psychoanalytic Dialogue Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Shared Experience The Psychoanalytic Dialogue, especially related to Shared Experience The Psychoanalytic Dialogue, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Shared Experience The Psychoanalytic Dialogue, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Shared Experience The Psychoanalytic Dialogue books or magazines might include. Look for these in online stores or libraries. Remember that while Shared Experience The Psychoanalytic Dialogue, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Shared Experience The Psychoanalytic Dialogue eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shared Experience The Psychoanalytic Dialogue full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shared Experience The Psychoanalytic Dialogue eBooks, including some popular titles.

FAQs About Shared Experience The Psychoanalytic Dialogue Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shared Experience The Psychoanalytic Dialogue is one of the best book in our library for free trial. We provide copy of Shared Experience The Psychoanalytic Dialogue in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shared Experience The Psychoanalytic Dialogue. Where to download Shared Experience The Psychoanalytic Dialogue online for free? Are you looking for Shared Experience The Psychoanalytic Dialogue PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Shared Experience The Psychoanalytic Dialogue. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Shared Experience The Psychoanalytic Dialogue are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Shared Experience The Psychoanalytic Dialogue. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Shared Experience The Psychoanalytic Dialogue To get started finding Shared Experience The Psychoanalytic Dialogue, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products

represented. You will also see that there are specific sites catered to different categories or niches related with Shared Experience The Psychoanalytic Dialogue So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Shared Experience The Psychoanalytic Dialogue. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Shared Experience The Psychoanalytic Dialogue, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Shared Experience The Psychoanalytic Dialogue is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Shared Experience The Psychoanalytic Dialogue is universally compatible with any devices to read.
