Shared Beliefs In A Society Social Psychological Analysis:

Shared Beliefs in a Society Daniel Bar-Tal,2000 **Shared Beliefs in a Society** Daniel Bar-Tal,2000-07-06 carefully argued this book will have special appeal to graduate students faculty social psychologists notably those yearning for Lewinian Approaches and group oriented sociologists Choice What kind of shared beliefs in a society are of importance to social systems What functions do they fulfill How are they informed and disseminated What are the societal consequences of shared beliefs All of these questions are addressed in this book in which Daniel Bar Tal develops the notion of societal psychology which he states can contribute a social psychological perspective to the study of a wide range of social problems in a society He shows how societal psychology can fulfill the promise of early social psychologists by directing attention to the societal and cultural contexts in which individuals live and by examining the reciprocal influence between these contexts and individuals In this comprehensive volume four themes of societal belief patriotism security siege mentality and deligitimization are examined through well defined examples and systematic analysis Researchers students and practitioners in social psychology sociology political science and anthropology will be stimulated and engaged by this important contribution to the field **A Social Psychology Perspective on The Israeli-Palestinian Conflict** Keren Sharvit,Eran Halperin,2016-01-22 Due to its intensity and extensive effects both locally and globally the Israeli Palestinian conflict has drawn the attention of scholars from numerous disciplines who attempt to explain the causes of the conflict and the reasons for the difficulties in resolving it Among these one can find historians geographers political scientists sociologists and others This volume explores the Israeli Palestinian conflict from a social psychology perspective At the core of the book is a theory of intractable conflicts as developed by Daniel Bar Tal of Tel Aviv University applied to the Israeli Palestinian conflict Opening with an introduction to the Israeli Palestinian conflict situation and a few chapters on the theoretical backgrounds of the creation of a societal ethos of conflict the volume then moves to an analysis of the psycho social underpinnings of the conflict while concluding with a discussion of the possibility of long standing peace in the region Among the topics included in the coverage are Identity formation during conflict The Israeli and Palestinian ethos of conflict The important role of Palestinian and Israeli education An analysis of the leadership in the Israeli Palestinian peace process The challenges and potential towards a road to peace in the region All contributors to the volume are pre eminent scholars of the Israeli Palestinian conflict and many of them have felt the influence of Bar Tal s formulations in their own work A rich resource for those who are followers of Dr Bar Tal s work for those who study intractable conflicts in all its forms and for those who have a particular interest in the Israeli Palestinian conflict **A Social Psychology Perspective of the Israeli Palestinian Case** offers a detailed exploration of the psychological underpinnings of the Israeli Palestinian conflict and the barriers to and opportunities of the peace process *Self-Censorship in Contexts of Conflict* Daniel Bar-Tal,Rafi Nets-Zehngut,Keren Sharvit,2017-10-30 This groundbreaking volume explores the concept of self censorship as it relates to individuals and

societies and functions as a barrier to peace Defining self censorship as the act of intentionally and voluntarily withholding information from others in the absence of formal obstacles the volumes introduces self censorship as one of the socio psychological mechanisms that prevent the free flow of information and thus obstruct proper functioning of democratic societies Moreover it analyzes this socio psychological phenomenon specifically in the context of intractable conflict providing much evidence from the Israeli Palestinian conflict Moving from the micro to the macro level the collected chapters put the individual as the focal unit of psychological analysis while embedding the individual in multiple levels of context including families organizations and societies Following a firm conceptual explanation of self censorship a selection of both emerging and prominent scholars describe the ways in which self censorship factors into families organizations education academia and other settings Further chapters discuss self censorship in military contexts narratives of political violence and the media Finally the volume concludes by looking at the ways in which harmful self censorship in societies can be overcome and explores the future of self censorship research In doing so this volume solidifies self censorship as an important phenomenon of social behavior with major individual and collective consequences while stimulating exciting and significant new research possibilities in the social and behavioral sciences Conceptually carving out a new area in peace psychology *Self Censorship in Contexts of Peace and Conflict* will appeal to psychologists sociologists peace researchers political scientists practitioners and all those with a wish to understand the personal and societal functioning of individuals in the real world

The Moral Triangle Sa'ed Atshan, Katharina Galor, 2020-05-18 Berlin is home to Europe's largest Palestinian diaspora community and one of the world's largest Israeli diaspora communities Germany's guilt about the Nazi Holocaust has led to a public disavowal of anti-Semitism and strong support for the Israeli state Meanwhile Palestinians in Berlin report experiencing increasing levels of racism and Islamophobia In *The Moral Triangle* Sa'ed Atshan and Katharina Galor draw on ethnographic fieldwork and interviews with Israelis Palestinians and Germans in Berlin to explore these asymmetric relationships in the context of official German policies public discourse and the private sphere They show how these relationships stem from narratives surrounding moral responsibility the Holocaust the Israel Palestine conflict and Germany's recent welcoming of Middle Eastern refugees They also point to spaces for activism and solidarity among Germans Israelis and Palestinians in Berlin that can help foster restorative justice and account for multiple forms of trauma Highlighting their interlocutors' experiences memories and hopes Atshan and Galor demonstrate the myriad ways in which migration trauma and contemporary state politics are inextricably linked
