Great Britain. Dept. of Health

Sharing Child Care In Early Parenthood:

Sharing Child Care in Early Parenthood Malcolm Hill, 2023-02-13 Originally published in 1987 Malcolm Hill examines the different ways in which parents share responsibility for looking after their pre school children with other people whether members of their social networks formal groups or paid carers He also looks at the reasons parents give for choosing and changing their particular arrangements In this way he provides insights into a range of ideas which ordinary members of the public have about children s needs the rights and responsibilities of mothers and fathers and how children think and feel Marked differences are described in the social relationships of families and in notions about who is acceptable as a substitute carer for children in what circumstances and for what purpose Several of these contrasts are linked to attitudes and life conditions which are affected by social class The book identifies possible consequences for individual children s social adaptability resulting from these patterns of care It suggests that people working with the under fives could profit from adapting their activities and services to children s previous experiences of shared care and families differing expectations about groups for children

Growing Up in a Changing Society Ronnie Carr, Paul Light, Martin Woodhead, 2014-02-04 The final reader in the Child Development in Social Context series shows how the study of child development is inevitably bound up in more ephemeral cultural ideas about the nature and needs of children and in the educational practices that rise from these ideas Some readings point to the dangers which can arise from the meeting of science and cultural values using for illustration studies of the role of psychological theory in reinforcing social attitudes to child care inside and outside the family Other readings look at children s initiation into that relatively recent cultural invention the school and the relationship with their learning at home There are studies of their social development in classroom and playground with particular emphasis on ethnic relationships

Sharing Care Brooks, Rachel, Hodkinson, Paul, 2021-10-13 This timely study explores the experiences of fathers who take on equal or primary care responsibilities for young children Offering academic insight and practical recommendations this will be key reading for researchers policymakers practitioners and students interested in contemporary families

Feminist Dilemmas in Qualitative Research Jane Ribbens, Rosalind Edwards, 1997-12-12 How can researchers produce work with relevance to theoretical and formal traditions and requirements of public academic knowledge while still remaining faithful to the experiences and accounts of research participants based in private settings *Feminist Dilemmas in Qualitative Research* explores this key dilemma and examines the interplay between theory epistemology and the detailed practice of research It does this across the whole research process access data collection and analysis and writing up research It goes on to consider ways of achieving high standards of reflexivity and openness in the strategic choices made during research examining these issues for specific projects in an open and accessible style Particular themes examined are the research dilemmas that occur from feminist perspectives in relation to researching private and personal social worlds the position of the researcher as situated between public knowledge and private experience and the

dilemmas raised for researchers seeking to contribute to academic discourse while remaining close to their knowledge forms

Researching Intimacy in Families J. Gabb, 2008-08-14 An incisive engagement with the subject of intimacy and interpersonal relationships and the methods used to research families and personal life this book introduces readers to contemporary conceptual and methodological frameworks for understanding intimacy and sexuality in families **Children and Society** Malcolm Hill, Kay Tisdall, 2014-09-25 Provides a comprehensive overview of the issues research and debates relating to children and the experience of childhood in late twentieth century Britain This volume will address key issues such as juvenile crime poverty child protection and children's rights and their implications for the development of policy and services for children Presents first hand accounts from children and parents **Sociology for Social Workers and Probation Officers** Vivienne E. Cree, 2012-10-12 How does a social work student make the connection between sociological knowledge and day to day social work procedures Sociology for Social Workers provides an introduction to sociological ideas and research and places it firmly into the context of social work practice It takes the issues that sociology addresses and uses them to show how social work can be better informed and improved Each chapter provides full referencing so that students and social work practitioners can follow up on primary sources to pursue and develop the most useful specific themes and ideas **Middle Childhood** Moira Borland, 1998 The period of childhood which falls between the early years and adolescence is a comparatively neglected area of study In its combination of viewpoints set against a background of related research law policy and practice this book offers a rich and challenging study of an important period of the child's development *Equal Parenthood and Social Policy* Linda Haas, 1992-01-01 Sweden is the only society in the world that has as an official goal the equal participation of fathers and mothers in childcare Equal Parenthood and Social Policy analyzes the government program which best symbolizes this commitment to equal parenthood parental leave With return to one's original job being assured a Swedish couple has twelve months to divide between them so that one parent can stay home to care for their new offspring While a few other countries mostly in Scandinavia have paid parental leave available to fathers Sweden's program is the oldest and most generous as well as the one most closely committed to realizing complete equality between men and women in every sphere of social life In analyzing this unique social program Haas describes the social political and economic circumstances which led Sweden to take such a revolutionary stance on the issue of shared parenthood Haas also discusses the extent to which Swedish fathers take advantage of their right to parental leave barriers to fathers participation and fathers experiences while on leave along with the effects that leavetaking has on mothers and fathers later labor market involvement and participation in childcare This study of the Swedish program raises important questions about future prospects for equal parenthood in Sweden and other industrial societies and more significantly about the potential effectiveness of social policy for bringing about the end of such a cultural universal as women's responsibility for infants The Routledge International Handbook of Shared Parenting and Best Interest of the Child José Manuel de

Torres Perea,Edward Kruk,Margarita Ortiz-Tallo,2021-05-26 This multidisciplinary volume offers an essential comprehensive study of perspectives on the scope and application of the best interests of the child and focuses mainly on its application in relation to child custody With expert contributions from psychological sociological and legal perspectives it offers scientific analysis and debate on whether it should be the primary consideration in deciding child custody cases in cases of divorce or separation or whether it should be one of several primary considerations It explores complex dilemmas inherent in shared parenting and whether the advantages it offers children are sufficient when compared to attributing custody to one parent and limiting visitation rights of the other Offering a comprehensive analysis of this complex topic chapters provide detailed insight into the current state of research in this area as well as expert guidelines aimed at resolving the controversies when parents agree or disagree over their children s living arrangements Cutting edge topics explored include transnational shared parenting alternative dispute resolution breastfeeding parents religious disputes between parents and the psychological social and economic factors that affect shared parenting The Routledge International Handbook of Shared Parenting and Best Interest of the Child will be essential reading for scholars and graduate students in law psychology sociology and economics interested in shared parenting and family law *Infants, Children, and Adolescents* Laura E. Berk,2022-06-24 Now published by SAGE A best selling chronologically organized child development text Laura E Berk s *Infants Children and Adolescents* is relied on in classrooms worldwide for its clear engaging writing style exceptional multicultural and cross cultural focus first rate coverage of developmental neuroscience rich examples and long standing commitment to presenting the most up to date scholarship Renowned professor researcher and author Laura E Berk takes an integrated approach to presenting development in the physical cognitive emotional and social domains emphasizing the complex interchanges between heredity and environment and offering research based practical applications that students can relate to their personal and professional lives The Ninth Edition s extensive revision strengthens the connections among developmental domains and brings forth the most recent scholarship representing the changing field of child development Included with this title LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site **The Sage Encyclopedia of LGBTQ+ Studies, 2nd Edition** Abbie E.

Goldberg,2023-01-05 The SAGE Encyclopedia of LGBTQ Studies 2nd Edition will be a broad interdisciplinary product aimed at students and educators interested in an interdisciplinary perspective on LGBTQ issues This far reaching and contemporary set of volumes is meant to examine and provide understandings of the lives and experiences of LGBTQ individuals with attention to the contexts and forces that shape their world The volume will address questions such as What are the key theories used to understand variations in sexual orientation and gender identity How do LGBTQ people experience the transition to parenthood How does sexual orientation intersect with other key social locations e g race to shape experience

and identity What does LGBTQ affirmative therapy look like How have anti LGBTQ ballot measures affected LGBTQ people What are LGBTQ people s experiences during COVID 19 How were LGBTQ people impacted by the Trump administration What is life like for LGBTQ people living outside the United States This encyclopedia will be a unique product on the market a reference work that looks at LGBTQ issues and identity primarily through the lenses of psychology human development and sociology and emphasizing queer feminist and ecological perspectives on this topic Entries will be written by top researchers and clinicians across multiple fields psychology human development gender queer studies sexuality studies social work nursing cultural studies education family studies medicine public health and sociology contributing to approximately 450 500 signed entries All entries will include cross references and Further Readings

Parenting across the Life Span Jeanne Altmann, 2017-09-04 Research on parenting through the life course has developed around two separate approaches Evolutionary biology provides fresh perspectives from life history theory using behavioral ecology and parental investment theory At the same time the social and behavioral sciences integrates research from long term studies of individual development and from the collection of life histories This path breaking book advances evolutionary life history research by integrating perspectives of these two approaches into a biosocial science of the life course It examines parenthood as a commitment extending throughout life and focuses on the impact on parental and child behavior of changes in the timing distribution and intensity of parental investment This perspective is particularly appropriate for research on parenting since the family is the universal human institution within which the bearing and rearing of children has been based and which transmits traditions beliefs and values to the young

Parenting Across the Life Span Jane Beckman Lancaster, Research on parenting through the life course has developed around two separate approaches Evolutionary biology provides fresh perspectives from life history theory using behavioral ecology and parental investment theory At the same time the social and behavioral sciences integrates research from long term studies of individual development and from the collection of life histories This path breaking book advances evolutionary life history research by integrating perspectives of these two approaches into a biosocial science of the life course It examines parenthood as a commitment extending throughout life and focuses on the impact on parental and child behavior of changes in the timing distribution and intensity of parental investment This perspective is particularly appropriate for research on parenting since the family is the universal human institution within which the bearing and rearing of children has been based and which transmits traditions beliefs and values to the young

Resources in Education , 2001-10 **Children And Social Competence** Ian Hutchby, Jo Moran-Ellis, 2005-08-15 A text which addresses the relationship between childhood competence and the social arenas of action in which children live The contributors develop a picture of children as competent sophisticated social agents focusing on the contexts which both enable and constrain that competence

Men and Maternity Rosemary Mander, 2004-08-02 Since the development of modern medicine men have become increasingly involved in childbearing as obstetricians and more

recently as fathers This book argues that the beneficial contribution of men has been taken for granted Certain changes to childbearing practice have resulted which together with men s involvement have been encouraged without any reference to evidence and without adequate opportunity for reflection Considering the findings of recent research and wider literature and using qualitative research with mothers the text examines how men became increasingly involved in childbearing the medicalisation of childbirth the difficulties men experience with childbirth as fathers challenging situations such as fathers grief the taken for granted assumptions that men s increased contribution to childbearing is beneficial This text will be of great interest to academics and postgraduate students of midwifery obstetrics medicine and health studies as well as practising midwives and obstetricians health visitors childbirth educators and labor and delivery room nurses

Family Man Scott Coltrane, 1996-03-28 The typical American family has changed dramatically since the days of Ozzie and Harriet and Father Knows Best Double income families are now the rule and fathers are much more involved in raising the children and cleaning house Reactions to these changes have been diverse ranging from grave misgivings to a sense of liberation and new possibility Groups as diverse as Promise Keepers the Million Man March and Robert Bly s mythopoetic men s movement tell us that fathers are important From the fundamentalist right to the feminist left opinions about the changing nature of the family and the consequent rethinking of gender roles have been vehement if not always very well founded In *Family Man* sociologist Scott Coltrane brings a wealth of compelling evidence to this debate over the American family Drawing on his own extensive research and many fascinating interviews Coltrane explodes many of the common myths about shared parenting provides first hand accounts of men s and women s feelings in two job families and reveals some innovative solutions that couples have developed to balance job and family commitments Readers will find an insightful discussion of precisely how and why family life has changed what forms it may take in the future and what new kinds of fathers may be on the horizon The author firmly places these questions within a broad contextual framework He provides for instance an illuminating history of the family that shows that far from being a fixed structure the family has always adapted to changing economic social and ideological pressures And by examining how families operate in a variety of non industrial societies he demonstrates that our own notions of gender specific work and parenting roles are culturally rather than biologically determined and thus inherently flexible And indeed these roles are changing While contemporary American women still perform the bulk of domestic tasks *Family Man* gives us decisive evidence that men are becoming increasingly involved in both housework and childrearing Coltrane argues convincingly that this trend will continue Given the current economic situation with two job households now the norm and the gradual ideological shift away from restrictive gender roles more and more couples will find it both necessary and desirable to share the workload More important Coltrane suggests that as fathers participate more fully in raising their children and performing traditionally female household tasks men will themselves be transformed by the experience in profoundly positive ways and American society as a whole will move closer

to true gender equity Family Man succeeds brilliantly in bringing clarity perspective and above all hope to a discussion that is too often shrill chaotic and beset with the rhetoric of nostalgia It shows us not only exactly where the family is today but where it has been and what it may become A London Bibliography of the Social Sciences ,1931 Vols 1 4 include material to June 1 1929 The Children Act Great Britain. Dept. of Health,1991 How will the Children Act affect work with disabled children This guidance outlines the responsibilities of social services departments SSDs under the Act stating that they have a clear duty to provide services to children with disabilities Treating disabled children as children first is of paramount importance However there is a need for all staff who may be involved in providing a service to a child with a disability to be aware of legislation and SSDs should ensure that advice expertise and resources are available for their staff when needed

The book delves into Sharing Child Care In Early Parenthood. Sharing Child Care In Early Parenthood is an essential topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Sharing Child Care In Early Parenthood, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Sharing Child Care In Early Parenthood
 - Chapter 2: Essential Elements of Sharing Child Care In Early Parenthood
 - Chapter 3: Sharing Child Care In Early Parenthood in Everyday Life
 - Chapter 4: Sharing Child Care In Early Parenthood in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Sharing Child Care In Early Parenthood. The first chapter will explore what Sharing Child Care In Early Parenthood is, why Sharing Child Care In Early Parenthood is vital, and how to effectively learn about Sharing Child Care In Early Parenthood.
 3. In chapter 2, this book will delve into the foundational concepts of Sharing Child Care In Early Parenthood. The second chapter will elucidate the essential principles that must be understood to grasp Sharing Child Care In Early Parenthood in its entirety.
 4. In chapter 3, this book will examine the practical applications of Sharing Child Care In Early Parenthood in daily life. The third chapter will showcase real-world examples of how Sharing Child Care In Early Parenthood can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Sharing Child Care In Early Parenthood in specific contexts. This chapter will explore how Sharing Child Care In Early Parenthood is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Sharing Child Care In Early Parenthood. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Sharing Child Care In Early Parenthood.
