*Sweetheart Treasures, Sharing the Value of Sexual Purity* Catherine E. Wood, 1994-06 The purpose of this Guide is to provide parents other caring adults with a positive plan to share the value of sexual purity with their young people The guide can be used with or without the SWEETHEART TREASURES pendants gift cards Pastor Scott Buzz Inboden Columbus Ohio said this I've met many parents who waited too long to teach their children the wonders of Biblical sexuality This book guides parents through a tender process that embeds truth deeply into the heart head Even if you did everything wrong when you were a teen this book can help you have hope give you confidence to introduce your teen to God's better way to celebrate his or her sexuality By focusing on the emotional spiritual aspects of sexuality this book guides young people through a decision making process that helps them make a responsible choice The beauty of God's plan for marriage then sex is clearly established Not only will young people understand what God's plan for marriage sex is but they will understand why it is the best plan To order Treasured Values JOY Inc P O Box 323 141 Letts Ave Sunbury OH 43074 614 965 2046

*Values in Sex Education* Mark Halstead, Michael Reiss, 2003-09-02 Sex education is rarely out of the news Despite this there exist surprisingly few studies of the principles policies and practice of sex education This book provides such an examination focusing on the values to which children are exposed in sex education Sex education inevitably involves the transmission of values regardless of whether this is intended by teachers Throughout the book academic and professional literature on both values and sex education is reviewed and discussed The authors look at the implicit liberal values which underpin programmes of sex education and at the challenges presented by the diversity of values in contemporary society The book also considers Why values are central to sex education Children's voices and children's values Religious and family values Achievable aims for school sex education How to help young people to reflect critically on the influences to which they are exposed and on their own developing sexual values How to build values into practical approaches to sex education at both primary and secondary levels This timely book will help all those involved in sex education to steer a path between controversial and often opposing views and will be essential reading for students on PGCE and BEd courses It will also be a valuable resource for teachers and professionals involved in teaching sex education such as teachers of personal and social education form tutors heads of year school nurses health workers and academics

Harris, 2023-04-28 What kinds of persons do we aspire to be and how do our aspirations fit with our ideas of rationality In Agent Centered Morality George Harris argues that most of us aspire to a certain sort of integrity We wish to be respectful of and sympathetic to others and to

be loving parents friends and members of our communities Against a prevailing Kantian consensus Harris offers an Aristotelian view of the problems presented by practical reason problems of integrating all our concerns into a coherent meaningful life in a way that preserves our integrity The task of solving these problems is the integration test Systematically addressing the work of major Kantian thinkers Harris shows that even the most advanced contemporary versions of the Kantian view fail to integrate all of the values that correspond to what we call a moral life By demonstrating how the meaning of life and practical reason are internally related he constructs from Aristotle s thought a conceptual scheme that successfully integrates all the characteristics that make a life meaningful without jeopardizing the place of any Harris s elucidation of this approach is a major contribution to debates on human agency practical reason and morality What kinds of persons do we aspire to be and how do our aspirations fit with our ideas of rationality In Agent Centered Morality George Harris argues that most of us aspire to a certain sort of integrity We wish to be respectful of and sympathetic to God Forbid Kathleen M. Sands,2000 Since the 1980s religion has been most visible in American public life when issues of sexuality and reproduction are at stake Paradoxically however the voices that speak most loudly in the name of religion are often unschooled in religious history world religions theology or ethics As a result religion in America is misrepresented as anxiously and obsessively concerned with sex and as uniformly supporting the conservative agenda of family values This volume corrects that distortion in American public discourse Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family gay rights abortion welfare policy prostitution and assisted reproduction They richly display the complexities and conflicts that exist not only between but within America s various religious traditions for example the pro choice strain within Christian history the support of many religious denominations for gay rights and the criticism of patriarchal family structures within religious communities past and present In these essays contributors put forth views of sexual ethics that are just and compassionate respectful of cultural pluralism and attentive to democratic processes Thoroughly researched lucidly written and carefully argues this anthology will debunk the claims of the Religious Right to be the only religious word on sexuality in America **Self, Community and Psychology** Norman Duncan,2004 A reader for students at the University of South Africa studying community psychology It addresses ideologies of race gender and sexuality that together create particular South African post colonial realities which legitimise oppression and cultural dispossession *Eros and Ethos* Jason Stotts,2018-02-09 Sexual ethics has historically been a bleak landscape of three false alternatives resist abstain or indiscriminately indulge In *Eros and Ethos* philosopher Jason Stotts presents a radical new alternative in which sex is an ethically important part of a rich human life He shows how sex is a significant expression of our character because sex arises out of the deepest and most fundamental parts of who we are On his account virtue lies in proudly bringing desire in line with our flourishing so that we can create rich and meaningful lives **Unimagined Community** Robert Thornton,2008-09-02 This groundbreaking work with its unique anthropological approach sheds new

light on a central conundrum surrounding AIDS in Africa Robert J Thornton explores why HIV prevalence fell during the 1990s in Uganda despite that country's having one of Africa's highest fertility rates while during the same period HIV prevalence rose in South Africa the country with Africa's lowest fertility rate Thornton finds that culturally and socially determined differences in the structure of sexual networks rather than changes in individual behavior were responsible for these radical differences in HIV prevalence Incorporating such factors as property mobility social status and political authority into our understanding of AIDS transmission Thornton's analysis also suggests new avenues for fighting the disease worldwide
