[The Joy of the Gospel](#) Gooder Paula, 2015-11-26 This six part course for parishes and Lent groups is based on Pope Francis much acclaimed recent reflections on mission and evangelism *Evangelii Gaudium* Paula Gooder introduces its key themes to readers in all denominations exploring how readers can authentically share their faith in the modern world

More Questions than Answers Eleanor Shepherd, 2010-04-30 Why does it feel like most of the world today considers irrelevant the gospel we cherish and so faithfully proclaim in our churches Why do our Christian responses fail to satisfy the heart quests of our neighbors Does the shallowness of our neatly packaged answers alienate us from them and from each other *More Questions than Answers* offers the hope of reconciliation through exploring how we can develop listening relationships Walking together in what becomes a spiritual accompaniment we learn to attune ourselves to one another and to the Spirit within us Then we dare to reach across the chasm that separates us and discover an authentic faith emerges

Transforming Evangelism Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor

Anytime, Anywhere William L. Turner, 1997 s to a fresh understanding of personal evangelism

Just as Jesus was a faith sharer William L Turner invites today's Christians to follow in those footsteps Unlike other holy men and gurus Jesus doesn't camp on a mountaintop or in a secluded temple waiting for people to seek him out about the spiritual issues of life He travels through the countryside and roams the city streets He shares his faith his convictions with the people he meets William L Turner

Sharing Faith the Jesus Way Jim Currin, 2011-07 This title considers how Jesus shared the gospel message with individuals and what we can learn from that approach It includes lots of practical suggestions for how to apply the book's approach and shows how churches can adopt and teach the Jesus way as a congregational model for mission and evangelism
