Wargame Scenarios Jonathan Sutherland, Diane Canwell, 2014-08-27 The enjoyment of wargaming is greatly enhanced if the battles

games are played within well thought out scenarios Instead of simply lining up evenly matched armies and fighting to the death the players can have realistic objectives such as the capture of a vital piece of terrain or delaying a superior enemy to cover a retreat and be confronted with more challenging tactical decisions Devising such scenarios can take a lot of effort and more critically time which is always in short supply This book is designed to take the time and effort out of organising fascinating and challenging wargames set in the Peninsular War

In addition to 20 carefully devised scenarios of varying size and complexity this book contains a concise introduction to the theatre of operations and an integrated chronology of battles and campaigns showing where the scenarios fit into the wider events The scenarios and orders of battle are intended for use with Pen Sword s own Napoleonic wargame rules Grand Battery but they are easily adaptable for use with other leading systems

Briefing notes on the context of the battle and the dilemmas and objectives facing each commander

The Last Battle of Winchester Scott C. Patchan, 2013-07-19 Unique insight good storytelling skills deep research and keen appreciation for the terrain one outstanding work of history Eric J Wittenberg award winning author of Gettysburg s Forgotten Cavalry Actions The Third Battle of Winchester in September 1864 was the largest longest and bloodiest battle fought in the Shenandoah Valley What began about daylight did not end until dusk when the victorious Union army routed the Confederates It was the first time Stonewall Jackson s former corps had ever been driven from a battlefield and their defeat set the stage for the final climax of the Valley Campaign This book represents the first serious study to chronicle the battle The Northern victory was a long time coming After a spring and summer of Union defeat in the Valley Lt Gen Ulysses S Grant cobbled together a formidable force under Phil Sheridan an equally redoubtable commander Sheridan s task was a tall one sweep Jubal Early s Confederate army out of the bountiful Shenandoah and reduce the verdant region of its supplies The aggressive Early had led the veterans of Jackson s Army of the Valley District to one victory after another at Lynchburg Monocacy Snickers Gap and Kernstown Five weeks of complex maneuvering and sporadic combat followed before the opposing armies met at Winchester an important town that had changed hands dozens of times over the previous three years Tactical brilliance and ineptitude were on display throughout the daylong affair as Sheridan threw infantry and cavalry against the thinning Confederate ranks and Early and his generals shifted to meet each assault A final blow against Early s left flank finally collapsed the Southern army killed one of the Confederacy s finest combat generals and planted the seeds of the victory at Cedar Creek the following month This vivid account based on more than two decades of meticulous research and an unparalleled understanding of the battlefield and rich in analysis and character development is

complemented with numerous original maps and explanatory footnotes that enhance our understanding of this watershed battle

Sharpe's Siege (#9) Bernard Cornwell, 2001-11-01 Sharpe's mission has seemed simple capture a small unguarded French coastal fort cripple Napoleon's supply lines and retreat across the sea But behind the lines Sharpe's old enemy Pierre Ducos awaits Sharpe's arrival with a battalion of French soldiers and a vicious commanding general who keeps the scalps of his dead enemies as trophies Outmaneuvered by Ducos's treachery and abandoned by his own navy Sharpe has only two choices to escape with the aid of the charming unscrupulous American mercenary Cornelius Killick or die

From Crimea with Love Jason Salkey, 2021-07-08 In the summer of 1992 Jason Salkey was cast in a role that would change his life forever Sharpe's Rifles a Napoleonic war drama was to be shot in the Crimean Peninsula Little did the producers know that they would be sending Jason and the crew to film in a rapidly disintegrating Soviet Union There they faced near starvation and danger round every corner as they set about creating one of Britain's most successful and critically acclaimed television programmes From Crimea with Love documents the mishaps blunders incompetence and downright corruption that made Sharpe's Rifles go down in British television folklore for its unique tales of hardship Follow the cast through intense depravation and constant catastrophe until they become every bit the jaded battle hardened soldiers we saw on screen Tapping into his diaries photo journals and video log Jason brings you an eye opening jaw dropping insider's account of one of the best loved shows ever made

Sharpe's Revenge (#10) Bernard Cornwell, 2001-11-01 When his honor and reputation are at stake Sharpe seeks revenge at any cost It is 1814 and the defeat of Napoleon seems imminent if the well protected city of Toulouse can be conquered For Richard Sharpe the battle turns out to be one of the bloodiest of the Peninsula Wars and he must draw on his last reserves of strength to lead his troops to victory But before Sharpe can lay down his sword he must fight a different sort of battle Accused of stealing Napoleon's personal treasure Sharpe escapes from a British military court and embarks on the battle of his life armed only with the unflinching resolve to protect his honor
