Sharpe's Eagle 2 Sharpe's Adventures:

Sharpe 3-Book Collection 2: Sharpe's Havoc, Sharpe's Eagle, Sharpe's Gold (The Sharpe Series) Bernard Cornwell, 2011-11-01 Three classic Richard Sharpe adventures **To Be Continued** Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until To Be Continued debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. To Be Continued Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in To Be Continued are romance, science fiction, crime, novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others **Bowker's Guide to Characters in Fiction 2007**, 2008-02 **Sequels** Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series **The American Sharpe** Gareth Glover, 2016-10-30 Sharpe and his adventures has made the 95th Foot renowned again, and the discovery of an unpublished diary by an American from Charleston, South Carolina, who served despite his father's objections as an officer in this elite regiment has caused great excitement. James Penman Gairdner was born in Charleston, South Carolina, but he was sent back to the Old Country for his education, receiving his schooling at Harrow. After school, rather than joining his father's merchant business, he decided to become a soldier, receiving a commission in the famous 95th Rifles. He subsequently served without a break from the siege of Ciudad Rodrigo in January 1812 until the end of the war in 1814. He then fought in the Waterloo campaign and formed part of the Army of Occupation. He was wounded on three occasions. Throughout his service, he kept a journal which he managed to maintain on almost a daily basis. This journal, along with a number of letters that he wrote to his family, have been edited by renowned historian Gareth Glover and are presented here to the public for the first time. Readers will not find dramatic stories of great battles or adventurous escapades. Instead, Gairdner details the everyday life of one of Wellington's soldiers: one of marches and billets, of the weather, the places, and the people of the Iberian Peninsula and of Paris and Occupied France: the real nature of soldiering. His diaries also highlight the very strange relationship between these newly independent Americans and the Old Country they had so recently fought with, which even allowed for a true American boy to fight in the British Army but not in America **Sequels** Janet Husband, Jonathan F. Husband, 1990 A reference book for librarians and users of public libraries which provides easy access to information on good recreational reading. This revised edition features expanded coverage of mystery and science fiction. New indexes allow access by subject, genre, and main characters **Video Source Book**, 2006 A guide to programs currently available on video in the areas of movies, entertainment, general interest, education, sports, recreation, fine arts, health, science, business, industry, children, juvenile, how to, instruction **Books Out Loud**, 2007 **Sharpe's London Magazine**
