Shattered Lives:

Shattered Lives Jeff Ingber, 2018-03-28 On January 24 1975 six young businessmen were enjoying lunch in lower Manhattan's historic Fraunces Tavern when a bomb placed inside the restaurant exploded tearing through the building. It had been planted by a group claiming support for Puerto Rican independence known as the FALN the most active domestic terrorist organization in American history. Among those businessmen were two sons of immigrants and only children Frank Connor with a wife and two young boys and Alex Berger whose wife was six months pregnant. Both were murdered along with two other men while dozens were injured many horrifically. *Shattered Lives* co-authored by Jeff Ingber and Joe Connor Frank Connor's son chronicles the origins of the Puerto Rican independence movement its transformation into a Cuban-led Marxist cause the FALN's decade-long reign of murder and destruction that was a precursor to future domestic terrorism the hunt for the perpetrators by a group of dedicated FBI agents the inexplicable escape from prison by the FALN's chief bombmaker who eventually received asylum in Cuba and the political maneuvering that led to Presidents Clinton and Obama granting clemency to FALN members. Through extensive exclusive interviews with survivors and family *Shattered Lives* describes the devastating impact of the Fraunces Tavern bombing on the Connor and Berger families and its many other victims including NYPD officers uniting them in their struggle to move forward while seeking justice for their loved ones. **Straight Wives**

Pete Kelliher and the FBI thought the boys were safe. So did their parents. So did the hospital staff. In fact, everyone thought the boys were safe. That is, until people began dying. More than a hundred arrest warrants were served and those who took part in the human trafficking ring were arrested. However, six dangerous men escaped and go into hiding. Led by Detective Anthony Dominico, these men vow revenge on those who forced them to run, and no one is safe. Not Brett McGovern, not his younger brother Bobby, not George Tokay, not the twins Randy and Billy. These boys are in danger and live in fear that at any moment they could be murdered along with their families. Worse

The Grip of Sexual Violence in Conflict Karen Engle,2020-04-07 Contemporary feminist advocacy in human rights international criminal law and peace and security is gripped by the issue of sexual violence in conflict But it hasn't always been this way Analyzing feminist international legal and political work over the past three decades Karen Engle argues that it was not inevitable that sexual violence in conflict would become such a prominent issue Engle reveals that as feminists from around the world began to pay an enormous amount of attention to sexual violence in

conflict they often did so at the cost of attention to other issues including the anti militarism of the women s peace movement critiques of economic maldistribution imperialism and cultural essentialism by feminists from the global South and the sex positive positions of many feminists involved in debates about sex work and pornography The Grip of Sexual Violence in Conflict offers a detailed examination of how these feminist commitments were not merely deprioritized but undermined by efforts to address the issue of sexual violence in conflict Engle s analysis reinvigorates vital debates about feminist goals and priorities and spurs readers to question much of today s common sense about the causes effects and proper responses to sexual violence in conflict
