Author of WHY THE JEWS REJECTED JESUS

Shattered Tablets

Rabbi Jeffrey K. Salkin

Shattered Tablets:

Tablets Shattered Joshua Leifer, 2024-08-20 Winner of the National Jewish Book Award in Modern Jewish Thought and Experience From esteemed journalist Joshua Leifer a definitive look at the history and future of American Jewish identity and community from the tipping point we are living in Tablets Shattered is Joshua Leifer's lively and personal history of the fractured American Jewish present Formed in the middle decades of the twentieth century the settled upon pillars of American Jewish self definition Americanism Zionism and liberalism have begun to collapse The binding trauma of Holocaust memory grows ever more attenuated soon there will be no living survivors After two millennia of Jewish life defined by diasporic existence the majority of the world's Jews will live in a sovereign Jewish state by 2050 Against the backdrop of national political crises resurgent global antisemitism and the horrors of the Israel Hamas war in Gaza Leifer provides an illuminating and meticulously reported map of contemporary Jewish life and a sober conjecture about its future Leifer begins with the history of Jewish immigrants in America starting with the arrival of his great grandmother Bessie from a shtetl in Belarus and following each subsequent generation as it conformed to the prevailing codes of American Jewish life He then reports on the state of today's burning Jewish issues We meet millennial Jewish racial justice organizers Orthodox political activists young liberal rabbis looking to queer the Torah through exegesis Haredi men learning full time at the world's largest yeshiva progressive anti Zionists attempting to separate Judaism from nationalism and right wing Israeli public intellectuals beginning to imagine a future without American Jews As it traverses today's Jewish landscape through uncommon personal familiarity with the widest range of Jewish experience Tablets Shattered also charts the universal quest to build enduring communities amid historical and political rupture

The Gods Are Broken! Jeffrey K. Salkin, 2022-05-17 The story of Abraham smashing his father's idols might be the most important Jewish story ever told and the key to how Jews define themselves In a work at once deeply erudite and wonderfully accessible Rabbi Jeffrey K Salkin conducts readers through the life and legacy of this powerful story and explains how it has shaped Jewish consciousness Offering a radical view of Jewish existence The Gods Are Broken views the story of the young Abraham as the primal trauma of Jewish history one critical to the development of a certain Jewish comfort with rebelliousness and one that happening in every generation has helped Jews develop a unique identity Salkin shows how the story continues to reverberate through the ages even in its connection to the phenomenon of anti Semitism Salkin's work combining biblical texts archaeology rabbinic insights Hasidic texts some never before translated philosophy history poetry contemporary Jewish thought sociology and popular culture is nothing less than a journey through two thousand years of Jewish life and intellectual endeavor

Commentary on the New Testament from the Talmud and Midrash Hermann Strack, Paul Billerbeck, 2021-11-03 Volume three contains an English translation of the commentary on Romans through Revelation Hermann L Strack and Paul Billerbeck's Commentary on the New Testament from the Talmud and Midrash is an important reference work for illustrating the concepts theological

background and cultural assumptions of the New Testament The commentary walks through each New Testament book verse by verse referencing potentially illuminating passages from the Talmud and Midrash and providing easy access to the rich textual world of rabbinic material Originally published between 1922 and 1928 as *Kommentar zum Neuen Testament aus Talmud und Midrasch* Strack and Billerbeck's commentary has been unavailable in English until now Translated by Joseph Longarino and edited by Jacob N Cerone this volume also includes an introduction by David Instone Brewer [Catholic Discussion of Seventh-day Adventism](#) Stephen Korsman,2016-08-29 Seventh day Adventists give Catholics a hard time with the misinformation they spread about the Catholic Church and the day of the week they worship on This ebook is one Catholic's study of Adventist claims the Bible and the Catholic Church It attempts to show the biblical basis for Christianity's abandonment of the Old Testament sabbath the biblical basis for Sunday observance and takes a look at other pertinent topics relating to Adventism and Catholicism [The Healing Power of Psalms](#) Samuel Chiel, Henry Dreher,2007-09-28 Originally published For Thou art with me Emmaus Pa Daybreak S l Distributed to the book trade by St Martin's Press c2000

The Book of Deuteronomy, Chapters 1-11 Bill T. Arnold,2022-11-01 The book of Deuteronomy can rightly be called a compendium of the most important ideas of the Old Testament So begins this commentary on the book of Deuteronomy which Bill Arnold treats as the heart of the Torah and the fulcrum of the Old Testament crystallizing the themes of the first four books of the Bible and establishing the theological foundation of the books that follow After a thorough introduction that explores these and other matters Arnold provides an original translation of the first eleven chapters of Deuteronomy along with verse by verse commentary with the translation and commentary of the remaining chapters following in a second volume As with the other entries in the New International Commentary on the Old Testament Arnold remains rooted in the book's historical context while focusing on its meaning and use as Christian Scripture today Ideal for pastors students scholars and interested laypersons this commentary is an authoritative yet accessible companion to the book of Deuteronomy

A Brief Walk through the Books of the Old Testament Tony Smith,2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the

reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God

The Mystical Exodus in Jungian Perspective Shoshana Fershtman, 2021-04-07 The Mystical Exodus in Jungian Perspective explores the soul loss that results from personal collective and transgenerational trauma and the healing that unfolds through reconnection with the sacred Personal narratives of disconnection from and reconnection to Jewish collective memory are illuminated by millennia of Jewish mystical wisdom contemporary Jewish Renewal and feminist theology and Jungian and trauma theory The archetypal resonance of the Exodus story guides our exploration Understanding exile as disconnection from the Divine Self we follow Moses keeper of the spiritual fire and Serach bat Asher preserver of ancestral memory We encounter the depths with Joseph touch collective grief with Lilith experience the Red Sea crossing and Miriam's well as psychological rebirth and Sinai as the repatterning of traumatized consciousness Tracing the reawakening of the qualities of eros and relatedness on the journey out of exile the book demonstrates how restoring and deepening relationship with the Sacred Feminine helps us to transform collective trauma This text will be key reading for scholars of Jewish studies Jungian and post Jungian studies feminist spirituality trauma studies Jungian analysts and psychotherapists and those interested in healing from personal and collective trauma Cover art Radiance by Elaine Greenwood

Garden of Wisdom Sharon Gal-Or, 2025-03-31 Garden of Wisdom Timeless Teachings in an AI Era is a transformative exploration of the intersection between ancient wisdom and modern technology This book offers a comprehensive framework for the ethical evolution of artificial intelligence integrating timeless principles from biblical narratives ecological systems and quantum consciousness The book introduces groundbreaking concepts like Angelic Intelligence AI Nature Intelligence NI and regenerative design urging readers to harmonize technological advancements with sustainability and human dignity It addresses the challenges of the AI era with actionable strategies such as the Kosmic Tree of Life and Circadian AI fostering a vision of a future guided by ethics and interconnectedness Garden of Wisdom is not just a guide for AI professionals but a call to humanity to co create a flourishing sustainable world

How Writing Made Us Human, 3000 BCE to Now Walter Stephens, 2023-10-10 A sweeping history of how writing has preserved cultural practices traditions and knowledge throughout human history In *How Writing Made Us Human 3000 BCE to Now* Walter Stephens condenses the massive history of the written word into an accessible engaging narrative The history of writing is not merely a record of technical innovations from hieroglyphics to computers but something far richer a chronicle of emotional engagement with written culture whose long arc intimates why the humanities are crucial to society For five millennia myths and legends provided fascinating explanations for the origins and uses of writing These stories overflowed with enthusiasm

about fabled personalities both human and divine and their adventures with capturing speech and preserving memory Stories recounted how and why an ancient Sumerian king a contemporary of Gilgamesh invented the cuneiform writing system or alternatively how the earliest Mesopotamians learned everything from a hybrid man fish For centuries Jews and Christians debated whether Moses or God first wrote the Ten Commandments Throughout history some myths of writing were literary fictions Plato's tale of Atlantis supposedly emerged from a vast Egyptian archive of world history Dante's vision of God as one infinite book inspired Borges's fantasy of the cosmos as a limitless library while the nineteenth century bequeathed Mary Shelley's apocalyptic tale of a world left with innumerable books but only one surviving reader Stephens presents a comprehensive history of the written word and demonstrates how writing has preserved and shaped human life since the Bronze Age These stories their creators and their preservation have inspired wonder and an endless appetite for historical revelation

Past Renewals Hindy Najman, 2010 Through close readings of texts such as Ezra Nehemiah Philo of Alexandria and 4 Ezra Hindy Najman develops the idea of a discourse tied to a founder illuminating the nexus between revelation interpretive authority and the quest for perfection in ancient Judaism

Chapters of the Heart Sue Levi Elwell, Nancy Fuchs Kreimer, 2013-11-01 Chapters of the Heart Jewish Women Sharing the Torah of Our Lives invites readers into the lives of twenty women for whom Jewish language and texts provide a lens for understanding their experiences The authors don't just use religious words texts theologies or liturgies like a cookbook Instead they serve readers something closer to a real meal prepared with love and intention Each essay shares one piece of its writer's heart one chapter of experience as refracted through the author's particular Jewish optic The authors write about being daughters mothers sisters partners lovers and friends They share their experiences of parenting infertility and abortion One describes accompanying her young husband through his life threatening illness Another tells of her daughter's struggle with an eating disorder Still another reflects on long decline of a parent with Alzheimer's All these writers wrestle with Jewish texts while growing as rabbis as feminists and as interfaith leaders They open their hearts and minds telling when Jewish tradition has helped make meaning and on occasion when it has come up empty The results are sometimes inspiring sometimes provocative Readers will find new insights into God into Judaism and into themselves

A Seeker's Journey into Sacred Time and Space David Trimble, 2025-02-11 How do we find hope in the world when hatred injustice war and climate change threaten our very survival The author's journey as a social justice activist and spiritual seeker offers inspiration for readers to build their own practices of hope The author challenges the spiritual poverty of materialist individualism which threatens all life on the planet by the actions of its dominant species A vision of transforming global culture emerges from the memoir's stories of love loss yearning and redemption Activism and spiritual search converge in the vision of a culture grounded in the universality of human spirituality a vision that does not descend into religious particularism The author encourages readers to build alliances across differences to bring forth our common fundamental spiritual legacy of love justice gratitude and awe

Sacred Therapy Estelle Frankel,2005-03-08 In *Sacred Therapy* Estelle Frankel travels to the heart of Jewish mysticism to reveal how people of any faith can draw upon this rich body of teachings to gain wisdom clarity and a deeper sense of meaning in the midst of modern life In an engaging and accessible style Frankel brings together tales and teachings from the Bible the Talmud Kabbalah and the Hasidic traditions as well as evocative case studies and stories from her own life to create an original inspirational guide to emotional healing and spiritual growth Talmud and Philosophy Sergey

Dolgopolski,James Adam Redfield,2024-08-06 Wide ranging and astutely argued *Talmud and Philosophy* examines the intersections partitions and mutual illuminations and problematizations of Western philosophy and the Talmud Among many philosophers the Talmud has been at best an idealized and remote object and at worst if noticed at all an object of curiosity The contributors to this volume collectively ignite and probe a new mode of inquiry by approaching the very question of partitions conjunctions and disjunctions between the Talmud and philosophy as the guiding question of their inquiry Rather than using the Talmud and its modes of argumentation to develop existing philosophical themes these essays probe the question of how the Talmud as an intellectual discipline sheds new light on the unfolding of philosophy in the history of thought **Being God's Partner** Rabbi Jeffrey K. Salkin,2013-04-03 What is spirituality anyway Isn t spirituality about

emotion And isn t work about the rational mind Too often we divorce our work life from our real life from our innermost beliefs and convictions But work can be as much a part of our life and as much a vehicle for spiritual growth and personal understanding as going to synagogue or church on Saturday or Sunday or taking a walk in the woods or reading quietly to our kids at bedtime In fact work may be among the most potent vehicles for fulfilling our spiritual life because for many of us it presents the best opportunities to meld community and social and economic productivity with personal belief and individual talent from the Introduction by Norman Lear *Being God s Partner* will help people of every faith reconcile the cares of their work and the strivings of their souls and restore the hidden link between them By exploding our assumptions that work and spirituality are irreconcilable Salkin explores how spirituality can enhance our 9 to 5 lives It is time to be as rich internally as we are externally he writes offering soul stirring ways to smuggle religion into our workplace Thought provoking practical and exhilarating *Being God s Partner* goes beyond just talking about the subject to give you specific actions to take and connections to make right now to help infuse our lives with greater meaning purpose and satisfaction and invigorate all that we do **Jewish Primitivism** Samuel J. Spinner,2021-07-27 Around the beginning of the twentieth

century Jewish writers and artists across Europe began depicting fellow Jews as savages or primitive tribesmen Primitivism the European appreciation of and fascination with so called primitive non Western peoples who were also subjugated and denigrated was a powerful artistic critique of the modern world and was adopted by Jewish writers and artists to explore the urgent questions surrounding their own identity and status in Europe as insiders and outsiders Jewish primitivism found expression in a variety of forms in Yiddish Hebrew and German literature photography and graphic art including in the work

of figures such as Franz Kafka Y L Peretz S An sky Uri Zvi Greenberg Else Lasker Sch ler and Mo Ver In Jewish Primitivism Samuel J Spinner argues that these and other Jewish modernists developed a distinct primitivist aesthetic that by locating the savage present within Europe challenged the idea of the threatening savage other from outside Europe on which much primitivism relied in Jewish primitivism the savage is already there This book offers a new assessment of modern Jewish art and literature and shows how Jewish primitivism troubles the boundary between observer and observed cultured and primitive colonizer and colonized

Jews in a Free Society Edward A. Goldman, 1978-12-31 This volume contains the lectures which the faculty of the Cincinnati School of Hebrew Union College Jewish Institute of Religion presented to the larger community during the College Centennial Year They are lectures by scholars moving out of the strict confines of their specialty and addressing a lay audience at large spreading Jewish information filtered through the channels of Jewish learning and representing a discussion of contemporary problems and concerns in the light of scholarly findings The convergence of the College Centennial and the national Bicentennial provided a unique occasion to assess the interrelationship between America and American Jewry Each lecturer therefore applied the insights of his own discipline to the situation of contemporary Jewish life in America elucidating both the challenges and the opportunities The lectures deal with the American Jewish Experience the history the sociology the artistic creativity and the ways in which the ancient legacy of religious ideas and literature can thrive in a free democracy The thirteen lectures published in this volume are by Professors Sheldon H Blank Herbert C Brichto Samuel Greengus Robert L Katz Jacob R Marcus Michael A Meyer Eugene Mihaly Jakob J Petuchowski Alvin J Reines Ellis Rivkin Samuel Sandmel Sylvan D Schwartzman and David B Weisberg Dr Alfred Gottschalk President of the College contributed an introductory essay on The Public Function of the Jewish Scholar

Jewish Theology for a Postmodern Age Miriam Feldmann Kaye, 2019-03-08 Through a critical study of the writings of Rav Shagar and Tamar Ross Miriam Feldmann Kaye asks how Jewish theology can survive the tide of postmodernism and its refutation of a single objective and ultimate truth and suggests how aspects of postmodernism might be conceived of as a potential resource for rejuvenating religion

J, E, and the Redaction of the Pentateuch Joel S. Baden, 2009 Revision of the author's thesis doctoral Harvard University 2007

When somebody should go to the book stores, search launch by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website. It will entirely ease you to see guide **Shattered Tablets** as you such as.
