## **Shawshank Redemption:**

**The Shawshank Redemption** Mark Kermode, 2019-07-25 How did a low key prison movie which was considered a box office flop on its original release become one of the most popular movies of all time Mark Kermode traces the history of this unexpected audience favourite from the pages of Stephen King's novella Rita Hayworth and Shawshank Redemption through the icy corridors of Ohio's Mansfield Reformatory whose imposing gothic architecture dominates the film to the television and video screens on which The Shawshank Redemption became a phenomenon This study traces the history of The Shawshank Redemption and draws on interviews with writer director Frank Darabont and leading players Tim Robbins and Morgan Freeman The book also explores the near religious fervour that the film inspires in a huge number of devoted fans

**The Shawshank Redemption Revealed** Mark Dawidziak, 2019-08-09 A 25th anniversary history and celebration of The Shawshank Redemption one of the most cherished American films of the late twentieth century and one of the finest movies made from a Stephen King story The movie not only boasts a great story it has a great backstory starting with the dollar deal that eventually led King and co stars Tim Robbins and Morgan Freeman to put their trust in a largely untested director making his first feature film Although the film received mostly positive reviews on its release in September 1994 the box office was disappointing and it failed to win many awards But as Andy tells Red in the film no good thing ever dies The movie found new life reaching an ever growing audience on cable and home video through word of mouth it became one of the top rented movies of 1995 Each year The Shawshank Redemption rises in polls asking film fans to name their favorite movies It has become nothing less than this generation's The Grapes of Wrath an inspiring story about keeping

**Prison Movies** Kevin Kehrwald, 2017-02-14 Prison Movies Cinema Behind Bars traces the public fascination with incarceration from the silent era to the present Often considered an offshoot of the gangster film the prison film precedes the gangster film and is in many ways its opposite Rather than focusing on tragic figures heading for a fall the prison film focuses on fallen characters seeking redemption The gangster s perverse pursuit of the American dream is irrelevant to the prisoner for whom that dream has already failed At their core prison films are about self preservation at the hands of oppressive authority Like history itself prison films display long stretches of idleness punctuated by eruptions of violence dangerous moments that signify liberation and the potential for change The enclosed world of the prison is a highly effective microcosm one that forces characters and audiences alike to confront vexing issues of race class gender and sexuality These portrayals of men and women behind bars have thrived because they deal with such fundamental human themes as freedom individuality power justice and mercy Films examined include The Big House 1930 I Want to Live 1958 The Defiant Ones 1958 Cool Hand Luke 1967 Midnight Express 1978 Escape from Alcatraz 1979 The Shawshank Redemption 1994 and Starred Up 2013 *The Shawshank Redemption: Hope, Resilience, and the Human Spirit Behind Prison Walls* Tim Madsen, The Shawshank Redemption Hope Resilience and the Human Spirit Behind Prison Walls is a compelling nonfiction exploration of one of the most beloved and enduring stories of the modern era Drawing from both Stephen King s original novella and Frank Darabont s acclaimed film adaptation this book goes far beyond plot summary to examine the deeper human truths embedded within the narrative Structured in ten thought provoking parts the book offers a thematic and philosophical analysis of The Shawshank Redemption delving into topics such as institutionalization identity friendship justice time and the power of hope Each chapter unpacks a central idea revealing how a story set within the gray stone walls of a fictional prison becomes a luminous meditation on what it means to survive not merely in body but in spirit Through the journeys of Andy Dufresne and Ellis Red Redding the book explores how individuals maintain dignity in the face of dehumanization how quiet

acts of defiance shape destiny and how freedom can be found long before escape It is a study of transformation not just of characters but of the reader's understanding of resilience redemption and the enduring light of the human soul Perfect for fans of the film readers of Stephen King students of literature and philosophy or anyone seeking a deeper appreciation for one of cinema's greatest stories this book invites reflection rewatching and rediscovery At its heart it is a tribute to the idea that no matter the darkness of our circumstances hope is a good thing maybe the best of things and no good thing ever dies

**Rita Hayworth and Shawshank Redemption** Ernest Hemingway, Stephen King, 2020 There's a guy like me in every state and federal prison in America I guess I'm the guy who can get it for you And new convict Andy Dufresne wants two things from fellow prisoner Red a small rock hammer for carving stones and a giant poster of Rita Hayworth So begins this mesmerising tale of unjust imprisonment deep friendship and offbeat escape *Faith and Film* Bryan P. Stone, 2000 Bryan Stone engages the cinema to open a discussion of theology and the culture of our time by pairing specific Christian doctrines found in the Apostles Creed with popular movies and videos [The Palgrave Handbook of Popular Culture as Philosophy](#) Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't baulk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go-to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field **Abject Spaces in American Cinema** Frances Pheasant-Kelly, 2013-05-21 American cinema abounds with films set in prisons asylums hospitals and other institutions Rather than orderly places of recovery and rehabilitation these institutional settings emerge as abject spaces of control and repression in which adult identity is threatened as a narrative impetus Exploring the abject through issues as diverse as racism mental illness or the preservation of bodies for organ donation this book analyses a range of films including *One Flew Over the Cuckoo's Nest* 1975 *The Shawshank Redemption* 1994 *Full Metal Jacket* 1987 and *Girl Interrupted* 1999 through to cult films such as *Carrie* 1976 and *Bubba Ho-tep* 2002 In these films locations of coherence and order become places where the internal and repressed aspects of the body individual and social threaten to overwhelm the individual Identity is compromised through harsh conditions extreme discipline the exertion of absolute control and above all the restriction of personal space Symbolically infantilised forced to reassess aspects of the adult the only escape is through violence the eponymous Carrie escapes from her cupboard for a massacre the women of *Girl Interrupted* mutilate and annihilate themselves and Kubrick's *Gomer Pyle* shoots sadistic

patriarch Sergeant Hartman in the head By analysing scenes of horror and disgust within the context of abject space Frances Pheasant Kelly reveals how threats to identity manifest in scenes of torture horror and psychosexual repression and are resolved either through death or through traumatic re entry into the outside world Bringing together contemporary theoretical debates and critical disciplines *Abject Spaces in American Cinema* offers a coherent and meaningful analysis of institutional films and shows that the chaos of the abject space cannot be resolved only escaped This readable and engging tour of the abject in the institution of film will be immensely valuable to students of Film Studies Critical Theory and Cultural Studies
