She Said What Interviews With Women Newspaper Columnists:

She Said What? Maria Braden, 2014-07-11 No longer relegated to reporting on society happenings or household hints women columnists have over the past twenty years surged across the boundary separating the women's or lifestyle sections and into the formerly male bastions of the editorial financial medical and op ed pages Where men previously controlled the nation's new organizations were the chief opinion givers and defined what is newsworthy many women newspaper columnists are now nationally syndicated and tackle the same subjects as their male counterparts bringing with them distinctive styles and viewpoints Through these frank and lively interviews Maria Braden explores the lives and work of columnists Erma Bombeck Jane Brody Mona Charen Merlene Davis Georgie Anne Geyer Dorothy Gilliam Ellen Goodman Molly Ivins Mary McGrory Judith Miss Manners Martin Joyce Maynard Anna Quindlen and Jane Bryant Quinn Profiles describe how these writers got started where they get the nerve to tell the world what they think how they generate ideas for columns and what it's like to create under the pressure of deadlines Representative columns illustrate their distinctive voices and an introductory essay provides a historical overview of women in journalism including pioneering women columnists Fanny Fern Dorothy Thompson and Sylvia Porter Braden finds that today's women columnists frequently raise issues or use examples unique to their gender Because they are likely to have a direct personal connection to current social issues such as abortion child care or sexual harassment they are able to provide fresh perspectives on these provocative topics In doing so they are helping to define what is worthy of attention in the 90s and to shape public response A unique addition to the literature on women in journalism this book will interest general readers as well as students of journalism literature American studies and women's studies Aspiring writers will find here role models and practical guidance **She Said what ? Interviews with Women News Paper Columnists** Maria Braden, 1993

She Said What? Maria Braden, 2021-11-21 No longer relegated to reporting on society happenings or household hints women columnists have over the past twenty years surged across the boundary separating the women's or lifestyle sections and into the formerly male bastions of the editorial financial medical and op ed pages Where men previously controlled the nation's new organizations were the chief opinion givers and defined what is newsworthy many women newspaper columnists are now nationally syndicated and tackle the same subjects as their male counterparts bringing with them distinctive styles and viewpoints Through these frank and lively interviews Maria Braden explores the lives and work of columnists Erma Bombeck Jane Brody Mona Charen Merlene Davis Georgie Anne Geyer Dorothy Gilliam Ellen Goodman Molly Ivins Mary McGrory Judith Miss Manners Martin Joyce Maynard Anna Quindlen and Jane Bryant Quinn Profiles describe how these writers got started where they get the nerve to tell the world what they think how they generate ideas for columns and what it's like to create under the pressure of deadlines Representative columns illustrate their distinctive voices and an introductory essay provides a historical overview of women in journalism including pioneering women columnists Fanny Fern Dorothy Thompson and Sylvia Porter Braden finds that today's women

columnists frequently raise issues or use examples unique to their gender. Because they are likely to have a direct personal connection to current social issues such as abortion, child care, or sexual harassment, they are able to provide fresh perspectives on these provocative topics. In doing so, they are helping to define what is worthy of attention in the 90s and to shape public response. A unique addition to the literature on women in journalism, this book will interest general readers as well as students of journalism literature, American studies, and women's studies. Aspiring writers will find here role models and practical guidance.

Doing Oral History Donald A. Ritchie, 2003-08-07 Oral history is vital to our understanding of the cultures and experiences of the past. Unlike written history, oral history forever captures people's feelings, expressions, and nuances of language. But what exactly is oral history? How reliable is the information gathered by oral history? And what does it take to become an oral historian? Donald A. Ritchie, a leading expert in the field, answers these questions and, in particular, explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians. Doing Oral History has become one of the premier resources in oral history. It explores all aspects of the field, from starting an oral history project, including funding, staffing, and equipment, to conducting interviews, publishing, videotaping, preserving materials, teaching oral history, and using oral history in museums and on the radio. In this second edition, the author has incorporated new trends and scholarship, updated and expanded the bibliography and appendices, and added a new focus on digital technology and the Internet. Appendices include sample legal release forms and information on oral history organizations. Doing Oral History is a definitive step-by-step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come. Illustrated with examples from a wide range of fascinating projects, this authoritative guide offers clear, practical, and detailed advice for students, teachers, researchers, and amateur genealogists who wish to record the history of their own families and communities.

Speaking Personally Rosalind Coward, 2013-10-30 This book argues that the personal voice, which is often disparaged in journalism teaching, is and always has been a prevalent form of journalism. Paradoxically, the aim of objective reporters is often to be known for a distinctive voice. This personal voice is becoming increasingly visible in the context of the confessional society.

Curating Culture Sharon Bloyd-Peshkin, Charles Whitaker, 2021-07-13 Print magazines were the original niche medium, creating communities long before the internet allowed audiences to find specialized content and interact with like-minded readers. Consumer magazines provided information, inspiration, empathy, and advocacy for readers with specific goals and concerns. The targeted advertising business model of magazines was an early precursor of contemporary algorithms and metrics behind social media marketing. The cultural niches 20th-century consumer magazines created and covered were powerful social influences on a wide variety of readers, from farmers to feminists, and covered everything from big ideas to political ideologies. With missions to serve specific readers and editors who were champions of their interests, even the most practical magazines were cultural influences well beyond their pages. This book is a curated collection of case studies that collectively shed light on the cultural

niches that American consumer magazines of the 20th century covered and created The chapters examine how cultural niches were cultivated how they changed over time and how they influenced broader cultural conversations This sweeping view of 20th century American magazines illuminates how this particular media form created cultivated and served specific communities laying the groundwork for contemporary media forms to continue that role today *American Journalists* Donald A. Ritchie,2007 This volume profiles 60 American journalists from colonial times to the present and focuses on news reporters editors publishers and broadcasters whose careers significantly advanced or were symbolic of major changes in their profession Illustrations fact boxes and quotations from the subjects themselves together with the depth and breadth of historical information make this volume an illuminating and fascinating read *The SAGE Encyclopedia of Journalism* Gregory A. Borchard,2022-01-28 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted This set covers all significant dimensions of journalism such as print broadcast and Internet journalism U S and international perspectives and history technology legal issues and court cases ownership and economics The encyclopedia consists of signed entries from scholars experts and journalists **Reporting from Washington** Donald A. Ritchie,2005-03-15 Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists and investigative reporters as well as the pioneers of radio television cable television and internet news We also learn about the efforts of female and black reporters to break into what had long been a bastion of white maleness the press corps From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century **Sylvia Porter** Tracy Lucht,2013-10-30 In 1942 the directors of the New York Stock Exchange met to discuss a problem The exchange its air charged with testosterone its floor scuffed by the frantic paces of men racing one another for shares of the American dream was off limits to women This it was agreed was how it should be However it had recently become public knowledge that one of New York s most prolific and respected financial writers S F Porter was a woman If Porter trained her eye on the all male stock exchange the NYSE might find itself the subject of some unwanted controversy during the electrified Rosie the Riveter days of World War II But should women really be allowed into the stock exchange The board finally saw its way around the dilemma and voted on a resolution Sylvia is one of the boys We hereby award her honorary pants Sylvia Porter 1913 1991 was the nation s first personal finance columnist and one of the most admired women of the twentieth century In Sylvia Porter America s Original Personal Finance Columnist Lucht traces Porter s professional trajectory identifying her career strategies and exploring the role of gender in her creation of a once unique now ubiquitous form of journalism A pioneer for both male and female journalists Porter established a genre of newspaper writing that would last into the twenty first century while carving a space for women in what had been an

almost exclusively male field She began as an oddity a woman writing about finance during the Great Depression and rose to become a nationally recognized expert revered by middle class readers and consulted by presidents As the first biography of Sylvia Porter this book makes an important contribution to the history of women and the media **Mary McGrory** John Norris,2016-11-01 A wildly entertaining biography of the trailblazing Washington columnist and the first woman to win the Pulitzer Prize for commentary Before there was Maureen Dowd or Gail Collins or Molly Ivins there was Mary McGrory She was a trailblazing columnist who achieved national syndication and reported from the front lines of American politics for five decades From her first assignment reporting on the Army McCarthy hearings to her Pulitzer winning coverage of Watergate and controversial observations of President Bush after September 11 McGrory humanized the players on the great national stage while establishing herself as a uniquely influential voice Behind the scenes she flirted drank cajoled and jousted with the most important figures in American life breaking all the rules in the journalism textbook Her writing was admired and feared by such notables as Lyndon Johnson who also tried to seduce her and her friend Bobby Kennedy who observed Mary is so gentle until she gets behind a typewriter Her soirees filled with Supreme Court justices senators interns and copy boys alike were legendary Writing about Donald Trump s first divorce in 1990 she said Watching the Trumps Washington thinks of itself as wholesome As the red hot center of the Beltway in a time when the newsrooms were dominated by men McGrory makes for a powerfully engrossing subject Laced with juicy gossip and McGrory s own acerbic wit John Norris s colorful biography reads like an insider s view of latter day American history and one of its most enduring characters *Emirati Women Journalists* Noura Al Obeidli,2024-07-30 This book presents a rare investigation of the media landscape and gender dynamics in Emirati newsrooms with a socio cultural focus on the influence of tribal patriarchy in determining Emirati women s role as newsmakers Shedding light on the stories of 40 Emirati and Arab expat journalists including pioneer Emirati women journalists the book offers insight into how these journalists construct gender differences and identity and how this influences their everyday attitudes conversations routines and journalistic practices The empirical study is supplanted with ethnographic explanations of the newsroom norms and journalistic practices from the author who used participant observation inside two major news centres in Abu Dhabi and Dubai to understand the socio cultural factors that shape the lives of Emirati and Arab expat journalists their thoughts and beliefs about the media environment in the Emirates and their opinions on authoritarian political control censorship and outdated media law This book will interest students and scholars of journalism and journalistic practice media policy international journalism gender studies and Middle East studies *The American Newspaper Columnist* Sam Riley,1998-11-30 The figure of the newspaper columnist which emerged in America in the mid nineteenth century plays a key role in modern newspapers Columnists nowadays add a decidedly personal touch to the newspapers in which they appear an important consideration in an increasingly impersonal corporate no nonsense medium This volume provides the most complete look available at the emergence of the columnist and at who the leading

columnists have been from the Civil War era to the present In total 780 columnists and their work are examined chronologically according to when their columns first appeared within several categories early 1800s humor column poets syndicated political other syndicated local and minority *Newspaper Confessions* Julie Golia,2021-04-09 The first book to trace the history of early advice columns in American newspapers *Newspaper Confessions* reveals how advice columnists and contributors established the idea of the virtual confessional to ease the anxieties of modern life creating a genre that continues to shape the way Americans talk publicly and anonymously about their feelings today **Digital-Native News and the Remaking of Latin American Mainstream and Alternative Journalism** Summer Harlow,2022-10-06 Winner of the Frank Luther Mott Kappa Tau Alpha Research Award *Digital Native News and the Remaking of Latin American Mainstream and Alternative Journalism* explores the rise of independent digital native news outlets in Latin America and their role in social change protest participation and the refinement of the concept of alternative media Drawing upon a decade of original research including interviews surveys focus groups and content analyses this book questions how the emergence of online native news sites in Latin America is redefining our understanding of what it means to be mainstream and what it means to be alternative By analyzing a wide range of elements from business models and audience behaviors to social media use and the role of gender this text examines how these sites are challenging traditional hegemonic mainstream news media and its service to political and economic elites The result is a discerning investigation into the new brand of journalism these sites have innovated This insightful study will be of interest to journalism communication and Latin American scholars particularly those interested in how technology is moulding journalistic practices and changing conceptions of journalism itself [Encyclopedia of journalism. 6. Appendices](#) Christopher H. Sterling,2009-09-25 The six volume *Encyclopedia of Journalism* covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court cases ownership and economics

Women in Mass Communication Pamela J. Creedon,Judith Cramer,2007 The effect of feminism on the field of mass communication is more important now than ever With a particular emphasis on race culture and ethnicity leading scholars in the field provide compelling analyses of the ways in which feminist theory and feminist perspectives affect mass communication **Women Journalists in Namibia's Liberation Struggle Women 1985-1990** Mboono Nghidinwa,2008-12-29 This study investigates the experiences of women journalists during the last phase of Namibia's liberation struggle against South African rule Black or white women journalists in Namibia made significant contributions to the liberation cause including the founding of a high profile newspaper whilst others worked for media sympathetic to the apartheid government Based on interviews and deploying feminist media theory Maria Mboono Nghidinwa pays close attention to the gendered power relationships in the newsrooms of newspapers and radio stations at the time She looks at the intense political intimidations which targeted women and in particular the constraints experienced by black women

journalists **The Publishers Weekly** ,1993 **Managing Emotions in Journalism** Maja Šimunjak,2023-09-25 This textbook offers the first practical guide to managing emotions in everyday journalism work based on interviews with more than 30 British journalists It raises awareness of emotional situations and stressors journalists may face so practitioners are better able to recognise these and prepare for them and outlines practical emotion management strategies which they can apply to enhance their emotional intelligence and resilience and consequently feel and perform better in the workplace It includes vignettes written by journalists from the United Kingdom United States Australia and Croatia as well as practical scenario exercises that prompt readers to reflect on how they would feel and react in specific situations based on journalists everyday work
