Covering a wide variety of subjects and points of inquiry on women's sexuality from genital anxieties about pubic hair to constructions of the body in the therapy room, this book offers a ground breaking examination of women, sex and madness drawing from psychology, gender and sexuality studies and cultural studies. Breanne Fahs argues that women's sexuality embodies a permanent state of tension between cultural impulses of destruction and selfishness contrasted with the fundamental possibilities of subversiveness and joy. Emphasizing cultural, social and personal narratives about sexuality, Fahs asks readers to imagine sex, bodies and madness as intertwined and to see these narratives as fluid, contested and changing. With topics as diverse as anarchist visions of sexual freedom, sexualized emotion work, lesbian haunted houses and the insidious workings of capitalism, Fahs conceptualizes sexuality as a force of regressive moral panics and profound inequalities deployed in both blatant and more subtle ways onto the body while also finding hope and resistance in the possibilities of sexuality. By integrating clinical case studies, cultural studies, qualitative interviews and original essays, Fahs offers a provocative new vision for sexuality that fuses together social anxieties and cultural madness through a critical feminist psychological approach. Fahs provides an original and accessible volume for students and academics in psychology, gender and sexuality studies and cultural studies. *Little White Lies, Deep Dark Secrets* Susan Shapiro Barash, 2025-06-25

From the bestselling author of *Tripping the Prom Queen* comes a fascinating and provocative look at the reasons behind female deception. *Little White Lies, Deep Dark Secrets* reveals how society doles out mixed messages to women, fostering the lies they tell. Among the liars are: A woman who shoplifts and has it down to a science. A woman who tells her husband she is working late in order to be with her lover. A woman who lies about her children's achievements to her friends. A woman who pretends her husband is doing well when they are going broke. A woman who has covered up her husband's emotional abuse for years. A woman whose secret is her misery in being a stay at home mom in suburbia. A woman who lies about loving her partner, deciding it's better to stay than be alone. And many other secrets and deceptions. Honest and even outrageous. Susan Shapiro Barash is fast becoming the author who explores issues that are important to women, issues that they are loath to talk about until now. **Avoiding the Greener Grass Syndrome 2nd Edition** Nancy C.
