Peer pressure can be an extremely formidable foe indeed It s bad enough at work or at school but when you have to live onboard a U S Navy warship at sea with your tormentors there is no escape How strong can you be when the opposition is always around you twenty four hours a day Young Terry Perrin a sailor serving onboard the U S S Constellation during the closing years of the Vietnam War accepts Jesus as his Savior but finds that the new life he has found comes with a price Opposition hardship and even severe persecution attacks him on several fronts co workers supervisors family members and even himself Airman Perrin encounters stiff opposition and some seemingly undefeatable foes who challenge his very core values Will he have the stamina to endure

Sheep Among Wolves George Bryan Diaz,2023-09-22 God has decided to test the Flock The bottom is about to drop out from underneath them as the FWD Flock Watch Division decides it will investigate the church as DEATH approaches on god s orders so do both Heaven and Hell *As Sheep Among Wolves* Simon Peterson, *A Sheep Among Wolves* R. Joseph Owles,2013-12 What if we really believed that God is love What if we really believed that God is patient and kind and humble forgiving and accepting What if we really believed that God asks us to be patient and kind and humble forgiving and accepting toward God and toward the people in our lives How would the world look if all of us who claim to be Christian just took that one simple idea and made it the foundation of our lives Would the world be a different place Would the Church look the same These are a few of the many questions Father R Joseph Owles asks himself and his readers **A SHEEP AMONG WOLVES** One Man s Stubborn Commitment to the Idea That GOD IS LOVE is a collection of meditations called Blessays centered on that one simple idea that God is love Some of these Blessays are meditations on daily lectionary readings some are the result of passing thoughts and some are based on conversations and questions asked by others as well as questions posited by Father R Joseph Owles himself Father Owles asserts that if God is love then love is not what God does Love is what God is If we really believe that God is really love then whatever we do in the name of God must be done with love because if it is not done with love then it is not done for God who is love If God is love then Kingdom of God is really the Kingdom of Love Jesus Christ is really the Son of Love and we are all the People of Love This is theology at its best down to earth accessible practical and applicable It is a must read for all who strive to live as a faithful disciple of Jesus Christ regardless of church affiliation or tradition *Sheep Among Wolves* David D. Balkum,2004-11-01 God commands us to be good stewards of His creation and the resources with which He entrusts us To do so we must understand the laws of the world in which we live and minister It is simply bad stewardship to do otherwise Most ministers are aware of the church s increasing role as a target Simultaneously the law has become more complex than ever and it is difficult for attorneys much

less staff members with other demands on their hands to maintain the church on steady legal footing This book raises legal issues which should merit your personal consideration discusses whether or not your church is doing what it should do to protect itself and its members and provides a general reference for those in the church who are responsible for its legal affairs *Sheep Among Wolves* Wayne Yeager, Tony Harmon, 2014-06-09 It s about a choice one choice that makes all the difference These words echo across the stirring saga *Sheep Among Wolves* by Tony Harmon and Wayne Yeager Planets are set ablaze in a crusade to find a mysterious artifact which could change the course of a galaxy While a government seeks to impose its will upon all of creation one of its greatest heroes ponders the validity of his actions and must choose whether to continue to follow orders A young man comes to grips with his family history and chooses to discover the secret his parents kept from him for years Tired of serving a propaganda machine a reporter makes the choice to follow a lead that could shatter every perception he has carried his entire career Gripped by visions of a mysterious old man a warrior struggles to understand his role in the epic conflict and the destiny that awaits him His decisions will shape the outcome of an ongoing war Freedom fighters heroic knights courageous monks sinister agents and unstoppable military might collide across multiple fronts in a battle for control Their choices and one choice made long ago will determine the future of everyone

Whoever Hears You Hears Me Richard A. Horsley, Jonathan A. Draper, 1999-11-01 Here is a challenge to New Testament scholars to engage in a fresh analysis of Q The authors argue that recent American study of Q has been dominated by those trained in form criticism and oriented to Hellenistic rather than Judean culture resulting in the extreme atomization of the Q sayings and reconstructions of Jesus and his first followers as Cynics and in the de politicization and de judaization of the Q materials and Jesus Also determinative of the current situation has been the assumption in New Testament studies of textuality of an ethos of written communication and of textual models for analysis However as is recently becoming clear from studies of oral and written communication the communication situation of Jesus and his first followers was almost certainly oral Horsley and Draper therefore contend that it is time the interpretation of Q took seriously the oral communication environment in which this material developed and continued before Matthew and Luke incorporated it into their Gospels This book then applies approaches to oral derived literature from oral theorists socio linguistics ethnopoetics and the ethnography of speaking to the Q materials The result is a developing theory of oral performance that generates meaning as symbols articulated in the appropriate performance situation resonate with the cultural tradition in which the hearers are grounded Richard A Horsley is Professor of Classics and Religion at the University of Massachusetts Boston Jonathan A Draper teaches at the University of Natal South Africa **Like Sheep Among Wolves** David K.
