W. Scott Haine Ph.D.

Magnum Fifty Years At The Front Line Of History:

Magnum Russell Miller, 1998 The photographers of Magnum have been on hand at the defining moments of the twentieth century From Robert Capa's moment of death photograph of a Loyalist soldier during the Spanish Civil War to Eve Arnold's astonishingly intimate portraits of celebrities such as Joan Crawford and Malcolm X the images captured by members of Magnum have changed how we perceive war our political leaders social crises and the communities next door Magnum's photographers including Capa Arnold David Seymour George Rodger Henri Cartier Bresson Bruce Davidson Mary Ellen Mark Susan Meiselas Inge Morath James Nachtwey Eugene Richards and Sebastiao Salgado are some of the most talented brave and resourceful in the world and Magnum follows them around the world through picaresque adventures and into the risk filled trenches of several wars in search of the perfect shot A dramatic portrait of the world's greatest photo house and its times Magnum is an essential volume for anyone interested in photography history or photojournalism Book jacket

Liquid Criminology Michael Hviid Jacobsen, Sandra Walklate, 2016-06-17 This book explores the ways in which criminological methods can be imaginatively deployed and developed in a world increasingly characterized by the blurred nature of social reality Whilst recognizing the importance of positivist approaches and research techniques it advocates a commitment to understanding the ways in which those techniques can be used imaginatively at times in combination with less conventional methods discussing the questions concerning risk ethics and access that arise as a result Giving voice to cutting edge research practices both in terms of concepts and methods that shift the criminological focus towards the kind of imaginative work that comprised the foundations of the discipline it calls into question the utility and credentials of mainstream work that fails to serve the discipline itself or the policy questions allied to it A call not to give up on numbers but also not to be defined by statistics and the methods that produce them *Liquid Criminology* sheds light on a way of doing research for criminology that is not only creative but also critical As such it will appeal to scholars of sociology criminology and social policy with interests in research methods and design

The Cruel Radiance Susie Linfield, 2011-05-27 In *The Cruel Radiance* Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China's Cultural Revolution and recent terrorist acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book's concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book *The Cruel Radiance* convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look

Philosophy, Crime, and Criminology Bruce A. Arrigo, Christopher R. Williams, 2010-10-01 *Philosophy Crime and Criminology* represents the first systematic attempt to unpack the philosophical foundations of crime in Western culture Utilizing the insights of ontology epistemology aesthetics and ethics contributors demonstrate how the reality of crime is informed by a number of implicit assumptions about the human condition and unstated values about civil society Charting a provocative and original direction editors Bruce A Arrigo and Christopher R Williams couple theoretically oriented chapters with those centered on application and case study In doing so they develop an insightful sensible and accessible

approach for a philosophical criminology in step with the political and economic challenges of the twenty first century
