Adventurer Charles Herbert, 1936 **A Merchant Adventurer** Charles Herbert, 1936 **Family Fortunes** Leonore Davidoff, Catherine Hall, 2013-04-15 Family Fortunes has become a seminal text in class and gender history Published to wide critical acclaim in 1987 its influence in the field continues to be extensive It has cast new light on the perception of middle class society and gender relations between 1780 and 1850 This revised edition contains a substantial new introduction placing the original survey in its historiographical context Leonore Davidoff and Catherine Hall evaluate the readings their text has received and broaden their study by taking into account recent developments and shifts in the field They apply current perceptions of history to their original project and see new motives and meanings emerge that reinforce their argument *Oxford Dictionary of National Biography: Belle-Blackman* British Academy, 2004 55 000 biographies of people

who shaped the history of the British Isles and beyond from the earliest times to the year 2002 Essays on Economics and Economists R. H. Coase, 2012-11-16 Reflections on two centuries of economic history from a Nobel Prize winner in the field An accessible collection by a renowned economist Library Journal How do economists decide what questions to address and how to choose their theories How do they tackle the problems of the economic system and give advice on public policy With these broad questions Nobel laureate R H Coase widely recognized for his seminal work on transaction costs reflects on some of the most fundamental concerns of economists over the past two centuries In fifteen essays Coase evaluates the contributions of a number of outstanding figures including Adam Smith Alfred Marshall Arnold Plant Duncan Black and George Stigler as well as economists at the London School of Economics in the 1930s Are you looking for a book by an economist who can really write and has insight after insight on free markets vs government regulation Would you like it even better if you could get some good laughs from his clever way of putting things Then Ronald H Coase's *Essays on Economics and Economists* is the book for you Reason **International Bibliography of Business History** Francis Goodall, Terry

Gourvish, Steven Tolliday, 2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The *International Bibliography of Business History* brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject

specialists from around the world under the editorship of three prestigious business historians The English Catalogue of Books Published from January, 1835, to January, 1863 ,1864 **Dictionary of Business Biography** David J. Jeremy,1984
