Between the years 1914-1920 James E Padgett received spirit communications that introduce the Divine Love and natural love that are connected with teachings relating to the mortal soul, God and the spirit world. When James himself passed into his spirit life, his friend Eugene Morgan received 3 known communications from James, 1923-1925. In the year 2017 the message of Divine Love continues as James conveys spirit life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit life in the spirit world. There is at present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love. Discovering Kenarchy Roger Haydon Mitchell, Julie Tomlin Arram, 2014-09-24

This book is a bold attempt to present a love-based personal and corporate politics fit for the coming decades of the twenty-first century. Taking as its starting point the love for friends, neighbors and enemies embodied in the life of Jesus and recognized both inside and outside the church, this book sets out a contemporary practical politics called kenarchy that has already positively impacted many lives. Its contributors set out the key components of kenarchy, challenging the reader to confront the norms of personal rights, security and economic gain with a love for the other that restores a

female world perspective lost over generations of patriarchal dominance Discovering Kenarchy is the promised response to the inevitable disintegration of the partnership of church and sovereign power outlined in its companion volume The Fall of the Church It is an inspirational resource for all those who desire to fill the emerging new political space with a loving just and practical alternative to the devaluation of human life by global capitalism and the reactionary religious and racist behavior that threatens the common good
