Unfreedom Jared Ross Hardesty,2016-05-10 Choice Outstanding Academic Title of 2016 Reveals the lived experience of slaves in eighteenth century Boston Instead of relying on the traditional dichotomy of slavery and freedom Hardesty argues we should understand slavery in Boston as part of a continuum of unfreedom In this context African slavery existed alongside many other forms of oppression including Native American slavery indentured servitude apprenticeship and pauper apprenticeship In this hierarchical and inherently unfree world enslaved Bostonians were more concerned with their everyday treatment and honor than with emancipation as they pushed for autonomy protected their families and communities and demanded a place in society Drawing on exhaustive research in colonial legal records including wills court documents and minutes of governmental bodies as well as newspapers church records and other contemporaneous sources Hardesty masterfully reconstructs an eighteenth century Atlantic world of unfreedom that stretched from Europe to Africa to America By reassessing the lives of enslaved Bostonians as part of a social order structured by ties of dependence Hardesty not only demonstrates how African slaves were able to decode their new homeland and shape the terms of their enslavement but also tells the story of how marginalized peoples engrained themselves in the very fabric of colonial American society

Handbook for Being Human Neo,2022-02-02 I have asked myself early on what is holding our so called world together at its core Who follows whom and why Why do so many spend their lives asleep lurching from supposed obligation to obligation always carrying powerlessness as baggage Why do their lives constantly consist of minor or major drama What makes man so unbalanced that he wars with himself What is the cause of his arrogance towards nature and towards his fellow men How do people love Do they love consciously at all or is it animal desire And why are so few aware of themselves Why do I see so many people devoting their lives only to the animal principles of being such as sleeping feeding reproducing fighting and struggling Why are they not driven by something higher by a greater meaning of life Do they not seek that at all I don t know the answers to this but since the mass of slaves is growing every day I am stepping up in order to put an end to it To wake you up and be there when you have recognized the slave like slumber and want to break through I see your pains and your drama your search and your wandering and I know the solutions Therefore I am handing you a very precious gift My realizations and insights so that they may become a faithful companion to your self determined life Wake up you are not alone I am already waiting for you Neo *Being a Human Being* Alan M. Modern Human's Handbook Cave Man, 2020-09-02 This book's goal is not to make you feel better about yourself or improve your life It may help you in those regards but this book's essential aim is to teach you what life is and how to deal with it This book is kind of a compilation of great thinkers before me like Nietzsche Dostoyevsky Jung Frankl Marcus Aurelius and some others In this book I tried to take their ideas and adapt those ideas to the modern world In order to explain those ideas I shared my personal experiences That's why I use a pen name instead of my own name As a big George Orwell fan I tried to make this book as simple as and as short as possible I hope you can find some wisdom in this book to help you in your difficult times Disclaimer I edited this book Since I'm not a professional editor there might be some mistakes here and there So beware of that before buying this book If you spot one please email me at yousuckasawriter@gmail.com so that I can update it I want this book to help people but I also want to make some money off it Considering the person who can't afford 20 bucks is more likely to need more help than the one who can afford it I would be a hypocrite if I didn't offer a free solution So if you really can't afford it just email me at imdevelopinganapp@gmail.com and I will send you a pdf copy in 10 days
