Text, Lies and Cataloging Jana Brubaker, 2018-07-10 What do James Frey's *A Million Little Pieces* Margaret B Jones *Love and Consequence* and Wanda Koolmatrie's *My Own Sweet Time* have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi-fictional novel Jones' chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book's authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem

Early British Botanists and Their Gardens Robert Theodore Gunther,1922 *Souvenirs of Léonard* Léonard,called Léonard i. e. Léonard Antier,1897 The Accidental Immigrant Kyriacos C. Markides,2021-04-28 The Accidental Immigrant is the capstone work of world renown author Professor Kyriacos C Markides based on his over fifty year quest for an authentic understanding of the true nature of Reality As a teenager he arrived at the docs of New York in 1960 with the purported aim of earning a business degree and returning to his native Cyprus Thanks to a string of uncanny coincidences he soon realized that the real meaning and purpose of his Atlantic crossing was not the acquisition of practical skills but the development of his social awareness and spiritual consciousness This is the story among other things of his valiant struggles to assimilate within American society and culture of his peace activism to help heal the wounds of ethnic strife in his native Island and of his relentless quest for spiritual fulfillment within the challenging confines of the secular and agnostic world of modern academia As a sociologist and a field researcher he shares with us his encounters with a variety of remarkable people that include colorful Christian shamans and healers possessors of paranormal gifts as well as charismatic monks and ascetics who exposed him to the magnificent spiritual wisdom of Eastern mystical Christianity It is among other things these kinds of experiences that step by step led him to realize that there is a deeper Truth over and beyond our physical and sensate universe that is the foundation and wellspring of everything that happens in our lives within the three dimensional world And it is this awareness that could eventually lead towards the integration of the best of science with the best of religion for the long term survival of the human race Inner River Kyriacos C. Markides,2012-03-06 With his engaging blend of travelogue conversations with a wise and charismatic spiritual father and musings on the big questions of life and death Professor Markides takes us as companions on his journey of discovery The insights that he communicates with such enthusiasm are timely ones here at last is a writer who challenges the seeker after mystical understanding and Eastern spirituality to discover Christianity Dr Elizabeth Theokritoff independent scholar and co editor of The Cambridge Companion to Orthodox Christian Theology In Inner River Kyriacos Markides scholar researcher author and pilgrim takes us on a thrilling quest into the heart of Christian spirituality and mankind s desire for a transcendent experience of God From Maine s rugged shores to a Cypriot monastery to Greece s remote Mt Athos and ultimately to an Egyptian desert Markides encounters a diverse cast of characters that allows him to explore the worlds of the natural and the supernatural of religion and spirit and of the seen and the unseen Inner River will appeal to a wide range of readers from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved in the heart of Orthodox spirituality Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the worldly and the spiritual Ainslee's ,1908 **Problems of Communism** ,1984 Pacific Rural Press ,1906
