Writing Poetry Chad Davidson, Gregory Fraser, 2008-11-26 Writing Poetry combines an accessible introduction to the essential elements of the craft with a critical awareness of its underpinnings The authors argue that separating the making of poems from critical thinking about them is a false divide and encourage students to become accomplished critics and active readers of poetic texts Poem Central Shirley McPhillips, 2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper s April 2013 In Poem Central Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and making poems Their stories and their work show us the power of poems to illuminate the ordinary to nurture inspire and stand alongside us for the journey Poem Central is divided into three main parts weaving poetry into our lives and our classrooms reading poems and writing poems McPhillips has structured the book in short sections that are easy to read and dip into Each section has a specific focus provides background knowledge shows poets at work highlights information on crafting defines poetic terms features finished work includes classroom examples and lists additional resources In Poem Central a place where people and poems meet teachers and students will discover how to find their way into a poem have conversations around poems and learn fresh and exciting ways to make poems Readers will enjoy the dozens of poems throughout the book that serve to instruct to inspire and to send us on unique word journeys of the mind and heart

Where All Things Hide Natalie Davis, David R. Odell, 2013-05-20 When Jonathan Michael Ames turned around and saw her standing there after all the years that she had been gone he thought his prayers had been answer He wanted to believe all the hard times the lonely times were behind him All he thought about was the good times that they had shared It was as if it had been yesterday and all those lonely years were just a bad dream All he could see was that wonderful smile and those beautiful eyes that held his heart Pauline April Stevens was home and there he was Once they saw one another it felt as if they had never been apart She was on the run from her recent past A past that was dark as well as not far behind her Her safe place and those people she cared about most were about to be threatened Things would be changed in ways no one could ever have imagined She had come back to get away from the fear that had been with her every day over the last few years Pauline as well as all her friends were about to learn a hard lesson about unfinished business You may think you know how people will react but that is because you have never really seen them angry before Stephen was already angry he had lost one of his play things Jonathan was going to get angry When that happened it was going to be right out there for everyone to see Then there was Pauline No one was going to see her anger until it was too late **Innovative Practices in Creative Writing Teaching** Graeme Harper, 2022-12-08 Associated with creativity originality newness and invention innovation is a frequent component of creative writing However how where and when does innovation occur in creative

writing teaching The writing arts combine common established aspects of communicating through the written word with elements of originality that extend or challenge how written language is used Different forms genre and styles of creative writing stay close to or move further away from the writing mainstream What about creative writing teaching are there different levels or types of innovation Exploring such innovation this volume gathers together contributors whose teaching stories provide direction stimulus and much encouragement for those seeking to innovate in how creative writing is taught and therefore ultimately how it is learnt

Changing Subjects Srikanth Reddy, 2012-07-12 Theoretical accounts of modern American poetry often regard literary texts as the expression of a subjectivity irremediably fractured by the dividing practices of power In *Changing Subjects*

Srikanth Reddy seeks to redress our critical bias toward a fatalistic poetics of rupture and fragmentation by foregrounding a fluent tradition of writers from Walt Whitman to John Ashbery who explore digression rather than disjunction as a rhetorical strategy for the making of modern poetry Mapping the ramifying topography of literary digression Changing Subjects offers a wide ranging anatomy of the excursus within twentieth century American poetics Moving from aesthetics to the archive to narratology to figures of identity Reddy considers various spheres in which American writers revisit and revise our models of purposeful discourse by cultivating a poetics of digression in modern literature In new readings of authors such as Wallace Stevens Marianne Moore Frank O Hara and Lyn Hejinian this study proposes that changing the subject offers a digressive method for negotiating the vexing complexities of art knowledge history and subjectivity under the curious conditions of modernity The book concludes with a survey of Elliptical strategies employed by a new generation of poets writing in the wake of John Ashbery's aleatory craft who seek to extend the digressive project of American poetry into the twenty first century
